

## Quick Tally Sheet for Basic Psychological Processing Forms

Student Name \_\_\_\_\_ Date \_\_\_\_\_

### ***Directions***

- 1.) Separate the BPP forms.
- 2.) Look at each BPP form individually.
- 3.) For each form, make a tally next to the BPP area below every time an item in the area is checked on a BPP form (using this quick tally sheet).
- 4.) Pick the highest two (or more) tally areas as areas of personal need for support and the lowest two (or more) checked areas as areas of personal strength.
- 5.) Complete the separate BPP template and copy into the evaluation report.
