

# Catholic Daughters of the Americas®

**To:** Local, Campus, JCDA, Territorial, and State Court Regents

**From:** Michele Bowman, National Website Contest Chairman

**Re:** 2022 National Website Contest

Greetings to all Catholic Daughter Courts- *State, Local, Campus, JCDA and Territorial*

Enclosed you will find the Contest Guidelines, Website Suggestions, Instructions for Submissions, Entry Form, and Contest Score Sheet for the 2022 National Website Contest. Please be sure to **pass along** this information to your court webmaster as soon as possible so she knows about the contest and the guidelines.

**PLEASE** be sure to *review the qualifications*. There are so many courts that have dynamic websites and it is a shame that several have been disqualified in past years because they didn't comply with the requirements.

**TAKE NOTE:** It can be easy to copy articles, stories, poems, recipes, emojis, clip art, etc. from the web or from emails that have circulated. Since many such items don't seem to have authors listed, the assumption often gets made that these items are free to use. However, a large number of such items are *copyright protected* (yes, even free clip art) and it is *illegal to use them* without permission. Articles, stories, poetry, clip art, photographs- any created and posted work falls under copyright law. Contrary to popular belief, there does *not* need to be a copyright symbol or statement present for a writing, picture, or clip art to be protected by law. It is best to assume all items are protected by copyright or trademark law and seek permission before using them. Even if you post something *without realizing* it is protected, you could be taken to court and end up paying a great deal of money. CDA insurance does NOT cover copyright infringement cases. Use of non-original material without permission is grounds for disqualification from the Catholic Daughter website contest.

**Don't have a court website yet?** Don't worry. We have a division for those with new websites, so you won't be competing against those who have had their website for years.

## **WHY NOT START A WEBSITE TODAY!**

- Draw in new members.
- Educate new members (or even long-timers) about our organization.
- Show that we are an international organization.
- Keep everyone up to date on the events and activities of your court.
- Keep members who can't be at meetings in the loop!

We have courts at every level that are dynamic, faith-filled, and loving. Let's get out there and share our story!

## 2022 NATIONAL WEBSITE CONTEST

To be eligible for the **2022 National Website Contest**, all entries **must be POSTMARKED ON OR BEFORE APRIL 1, 2022.** *Website entries will not be accepted for judging after the deadline.*

**Local, Campus, and JCDA Courts** submit entries to the State Website Chairman by March 1, 2022. The 1<sup>st</sup> place winner in each category and division will be submitted **by the State Chairman** to the National Chairman.

**State and Territorial Courts** submit their website contest entries **directly** to the National Chairman.

### **Websites will be judged on the following categories:**

- Layout (appearance, neatness, spacing, and all required elements)
- Headlines (interest, appeal)
- Creativity in design (including use of clip art, pictures, humor, etc.)
- Journalistic Style (Readability, spelling, objectivity)
- Freshness of content
- Ease of locating information on site
- Information about your court and its history
- Links to appropriate sites
- Coverage (local, state & national news, projects, and activities)
- Please refer to guidelines page for specific requirements and what each site must include

### **Consider the following ideas and suggestions to enhance your sites:**

- Ask your Court Chaplain or District Deputies to write an article.
- What about asking your Regent, other court officers or chairmen for comments?
- National and State News (members are connected to a national organization and need to know current information. Make them aware of our national website at [www.catholicdaughters.org](http://www.catholicdaughters.org))
- Pictures make your site more fun. (Be sure to get permission from members to use their picture.)
- Acknowledgement of members makes a website more personal and informs other members who cannot attend meetings. (consider thank you messages, sympathy, birthdays and special celebrations of all kinds)
- Inform members of activities coming up. They can "Save the Date". Members need to plan far ahead for some events like state and national conventions.

### **Just a few notes to keep in mind:**

**There will be 3 judges** for the national website contest. Judges will be from various backgrounds and not all from the same organization. The chairman or anyone related to any of the entrants may not judge.

**Websites not available at the time of judging will be disqualified.** Three attempts will be made.

**Prizes will be awarded** in each category, so let us know about your amazing websites and receive recognition for your court.

## 2022 National Website Contest Guidelines Michele Bowman, National Chairman

State Regents *should* appoint a State Website Contest Chairman to oversee the contest on the state level.

### **All websites are required to include the following:** **(failure to include or comply with any of these elements will disqualify the entry)**

- 1. The CDA mission statement and Catholic Daughters registered logo (on home page)**  
*These two items identify CDA as a national organization and should be prominent.*
- 2. Court name, number and location of the court (on home page)**
- 3. Contact information for the Regent or the site Webmaster (on home page)**  
*It is important to protect our officer and member information. Home addresses and phone numbers should not be listed. Please use only email addresses.*
- 4. Contact information for court officers/membership chairman**  
*Contact information published on the web should be limited to email addresses. It is important to have a way for ladies to contact your court with questions on becoming members!*
- 5. Description of Circle of Love Program (not just a link to the national website descriptions)**
- 6. Local/State/National Projects**  
*All sites are to have information on local, state, and national projects. Most information is expected for the court's own projects with at least general information on the other levels of the Order. (i.e. Local courts have much on their projects and less on state and national. State courts focus on their projects, less on national but should at least list local/campus/JCDA courts with name, #, and locations, contact email, and links to their websites if they exist)*
- 7. Link to National CDA website. Local courts need a link to their State CDA website, if one exists.**
