Mrs. Jeannine Kloss graduated from the University of Pittsburgh at Bradford with a Dual Bachelor of Science in Business Management and Elementary Education in December of 2005. She started her twelve-year teaching career at Kane Middle School in the fall of 2006. Holding multiple certifications allowed her to eventually teach at all three grade levels and a variety of courses including English and Language Arts, Computer Literacy, Keyboarding, and Gifted Support. In 2009, she received a Master of Education in Learning, Design, and Technology from Penn State World Campus.

Throughout her teaching career she accepted several leadership opportunities including department chair, instructional coach, software administrator, and advisor. These experiences fostered her desire to lead in a larger capacity. She enrolled in the Administrative Program for Principals at California University of Pennsylvania and obtained her K-12 Admin certificate in 2017. She was selected as the Kane Elementary Principal in the summer of 2018.

With a desire to continue on her leadership path, Mrs. Kloss returned to the California University of Pennsylvania to attain her Superintendent Letter of Eligibility. She began her commissioned Superintendency at the Kane Area School District in July of 2022.

Mrs. Kloss is a member of Kane Rotary, IU9 Superintendent Council, and Potter County Education Council (McKean group). She sits on Boards within Kane including Kane Area Industrial Development Corp, Sparks, and the Allegany Forest Alliance.

Her focus throughout her career has been to support students in overcoming poverty and other disadvantages through the power of education. She is passionate about approaching education with trauma sensitivity and providing educational opportunities that will support students beyond their K-12 career.

Mrs. Kloss has been married for 31 years. Her son has married and settled in Kane and her daughter is a middle school teacher in Bradford.
