

Ulen-Hitterdal Public School District #914 Mission

The mission of the Ulen-Hitterdal Public School District is to provide a safe positive learning environment in which all are offered the opportunity to participate, grow, and become lifelong learners.

DISTRICT GOALS FOR 2018-19

- To implement and deliver the Minnesota Academic Standards through the P-12 curriculum to improve students' growth in reading, writing, math, and science as shown by increased test scores on the MCA's and other measures of learning.
- To support and promote STEAM education as an interdisciplinary approach to learning where rigorous academic concepts are coupled with real-world lessons as students apply science, technology, engineering, art, and mathematics in contexts that make connections between school, community, and work.
- To support and promote professional development and mentoring that leads to instructional improvement and increased academic achievement.
