Personal Narrative

Education Foundation projects: The second-grade classrooms will be putting together three projects for the auction which will be held on April 2. The kids will be painting a rocking chair with Mrs. Jones' help. We are still in the beginning stages for the other two projects. If you have any fun ideas for 2nd grade let your child's teacher know. We are also looking for monetary donations towards the projects. If you are willing to donate (any amount would be appreciated). Please send cash or a check (payable to BPES or your child's teacher) to your child's teacher.
