

# Blooming Prairie Public Schools

## Strategic Plan

2025 – 2030

### **Mission Statement:**

The mission of Blooming Prairie Public Schools is to provide challenging opportunities for lifelong learning in a safe and caring environment.

### **Vision**

To provide a safe and positive environment where all children can learn and grow academically, socially, and emotionally.

### **Goal #1-**

Blooming Prairie Public Schools will attract, develop & retain high quality staff.

#### **Strategies:**

- Create support systems for staff. Focus on culture and positive environment.
- Create a mentoring program.
- Principal involvement in classrooms (Elementary, Intermediate & HS)

### **Goal #2-**

Blooming Prairie Public Schools will provide diverse opportunities for students in academics and extra-curriculars that align with our students interests and needs.

#### **Strategies:**

- Focus on well-rounded students
- Continue to offer a wide range of classes
- Continue 1 on 1 supports for students who need it
- Continue to provide counselors, school social worker, and school linked mental health services
- Encourage staff to take on extra-curricular activities and develop positive relationships with students

### **Goal #3-**

Blooming Prairie Public Schools will provide a safe & positive learning environment that focuses on whole-child wellness.

#### **Strategies:**

- Create strong student/teacher relationships
- Continue to promote Prairie Pride (Respectful students)
- Create opportunities for parent engagement
- Provide inclusive learning environments
- Positive staff interactions with students, staff, parents, and community

### **Goal #4-**

Blooming Prairie Public Schools will provide community-sized learning.

#### **Strategies:**

- Preserve small-town class sizes & personal relationships while enrollment grows.

### **Goal #5-**

Blooming Prairie Public Schools will provide clear, two-way communication (school board, staff, students, parents, community).

#### **Strategies:**

- Build a culture of timely, transparent communication among board, staff, students, parents & community.

### **Goal #6-**

Blooming Prairie Public Schools will provide accessible, future ready facilities.

#### **Strategies:**

- Upgrade learning, athletic & play spaces to support modern instruction & community use.
- Plan for future needs/growth
- Allocate funds wisely to address facility needs
