

**Nashua-Plainfield Elementary-Secondary Health & Safety Plan
On-Site, Hybrid, & Remote Learning Plan
2022 – 2023**

These plans will be implemented when necessary due to increased Covid Activity. If NP Schools move to one of these plans a district wide message will be sent via JMC from our Superintendent.

Onsite Learning

- We will limit the amount of visitors and foot traffic in our building.
 - Parent drop-offs of forgotten items for students will be placed in an outside tote and the building secretary will be notified via intercom
 - Elementary: Students who arrive after first bell will buzz in at front door; parents wait in car
 - MS/HS: Students who arrive at school after first period will buzz in at the NE entrance (Superintendent's doors)
- Hand washing stations will be available.
- Students may bring water bottles into the classrooms.
- Increased health and safety regulations may be adjusted as needed.

Scheduling (MS/HS)

- This will be organized in a A/B 4-Block Schedule

Nurse's Office

- Two rooms will be utilized by the nurse in each building (if needed)
 - Room 1 will be for routine student needs- medication, first aid/injury, etc.
 - Room 2 will be for students who demonstrate possible Covid symptoms

Classroom

- Masks or shields are recommended for staff and students.
- Sneeze guards may be utilized during small group and individual instruction.
- Surfaces will be sanitized in the morning, at lunch, and after school at a minimum.
- Students will be taught to properly wash hands and to sneeze or cough in their elbow.
- Hand sanitizer and approved disinfectants will be available in each classroom.
- Classroom books will be sanitized in accordance with the public library expectations
- Student supplies should not be shared.
- Computers and Ipads will remain at school unless a student is Distance Learning (elem only).

Hallways (Elementary)

- Lockers will be accessible to students
- Social distancing will be done to the best of our ability, this could be a time when masks would be helpful.
- Drinking fountains may be taped off. Filling station for water bottles will be accessible.

Hallways (MS/HS)

- Students will not congregate in the hallways or common areas at any time during the day.
- Signs reminding staff and students of frequent handwashing, and proper coughing/sneezing etiquette will be placed in each classroom, hallways, and entries.
- Drinking fountains may be taped off. Filling stations for water bottles will be accessible.

Lunchroom

- Lunch shifts may be added and tables will be cleaned between each group.
- Students will wash hands before eating lunch.
- Extra tables will be provided so students may distance as much as possible.

Recess (Elementary Only)

- Playground equipment will be sanitized as needed.
- Jump ropes, balls, and other recess equipment will be sanitized as needed.

Lockers (MS/HS)

- Athletic locker room usage during the day will be limited to PE class. Students must keep gym clothes in their PE lockers throughout the day.
- Students will use the hallway lockers for storage of coats, cold lunches and limited other materials. Students will be allowed to go to their lockers on a limited basis.
