

The Nashua-Plainfield School District is taking sealed bids for the following equipment. All items are sold as is and where is with no warranty from the school district. Buyers are responsible to pay for purchases at the Superintendent's Office and make arrangements to pick up purchased items after making payment.

*** 2006 Chrysler Town & Country**

Purchased with 50,708 miles already on it. Current mileage is 124,647 +/-
Van can be seen at the NP bus barn

Issues:

Battery is dead

Van smells like antifreeze after it has been driven for a while. No leaks have been found by S&T.

Check engine light has been on for as long as can be remembered.

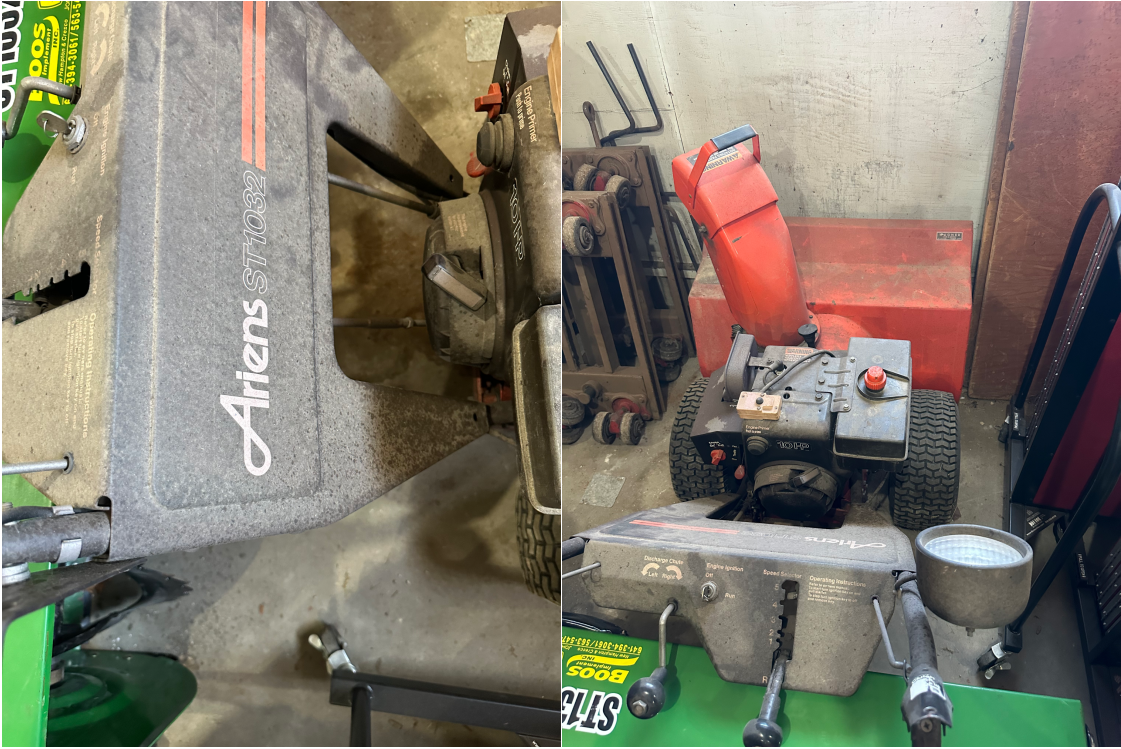

Rust coming through and taillight damage.

Ariens ST1032 Snowblower. Has electric start and has not been used in at least 3 winters. Is reported to be a strong snowblower by previous user.

30 by 96 inch tables. Nice heavy tables with good tops. Bids are per table, and you can purchase one or two.

Aluminum scaffolding. Bottom section has wheels. Two additional sections and two planks. Scaffolding is approximately 30 inches wide, 4 feet long, and 6 feet high per section.

Bids should be sent to Val Roach at Nashua-Plainfield Community Schools, 612 Greeley Street, Nashua, Iowa 50658. Bids should be in a sealed envelope with the name of the item listed on the envelope. If a bidder wishes to bid on more than one item, please list all items with bids on the envelope. Bids can be mailed or dropped off in person during regular business hours. All bids should be received by 3 PM, June 10th and will be opened at the June 10, 2024 NP School Board Meeting.
