

MASMS

This map displays the administrative divisions of Minnesota, with each county labeled by name and its corresponding MASMS number. The counties are color-coded: light blue for the northernmost counties, light green for the central and western counties, light orange for the eastern counties, and light purple for the southern counties. The map also shows the locations of major cities and towns, as well as the state's borders with Canada to the north and Wisconsin to the east. The title 'MASMS' is prominently displayed at the top in a large, blue, serif font.
