Ron and Marilyn Woolsey, Brookfield East Special Contributors and Supporters. Ron and Marilyn remain young and vibrate with their shared love for Brookfield East High School athletic events and student-athletes. They have been supporting BEHS since the early 1970's and can still be found sitting at the top of the bleachers at Basketball games and Volleyball matches. A student-athlete ritual is to give Ron and Marilyn a hug before the start of each game. In addition to indoor events, they are also regulars at Softball and Baseball games. Ron is a former long-time assistant coach of girls Softball and still has a great passion for the game. He asks the girls what is the most important thing they are going to do in the game and the answer is always HAVE FUN!! Ron and Marilyn's three daughters graduated from Brookfield East and participated in Cheerleading and Spartanettes. Once asked at a game who they came to watch and they responded with "All of them, we have adopted them all." Ron and Marilyn have forged lifelong friendships with many Spartan families and they are the true definition of what a Spartan Super Fan is.
