Hill City Area Veterans' Park Seeks Names of Local Veterans

We are hoping to add another panel to the back of our Veterans Park wall. A panel consists of 100 names. We currently have around 65 names, so need another 35 names or so to have another panel made.

Here is the process:

1. Email names of local veterans to lholm@isd002.org. Please email the veteran's name (check and recheck spelling please!), branch of service, approximate dates of service
2. Once we have reached our 100 names, we will begin the fundraising process
3. **WHO IS ELIGIBLE??** Veterans (honorably discharged) from the Hill City, Jacobson and Swatara areas. We have also included Palisade on our wall, as those veterans were not included in the memorial that was built in their own school district.
4. Questions? Please contact Lonnie Lee by email at lonnielee@yahoo.com

INDEPENDENT SCHOOL DISTRICT NO. 2
HILL CITY, MINNESOTA

The Regular Meeting of the Board of Education of Independent School District No. 2, Hill City, Minnesota, was called to order by Chairman Sue Kaslow at 7:00 p.m. on Monday, November 26, 2018.

The Pledge of Allegiance was recited.

Roll Call showed the following members present: Sue Kaslow, Joell Miranda, Bambi Lange, Dorie Barnes and Mark Meyer. Board Members absent: None. Also present was Superintendent/Principal Pat Rendle, Assistant Principal Andy Dokken, Business Manager Ellie Hill, Buildings & Grounds Director Eric Hill, Administrative Secretary/Payroll Clerk Lynn Major, additional staff and visitors.

1. Approved the Agenda with the change to move 6a to 9h.
2. Approved the following:
 - *Minutes of the Regular Meeting of October 22, 2018;
 - *Minutes of the Special Meeting of November 14, 2018.
 - *Current bills through 11/12/18;
 - *Investments and wire transfers;
 - *Reviewed the Activity Fund Statement;
 - *Reviewed Cash Receipts including donations.
3. Comments and requests from visitors: Marie Kleinschmidt proposed a One Act Play, "Oh What a Tangled Web", for competition that is overseen by MSHSL District 7A.
4. Approved the One Act Play with a budget to estimate between \$800.00 - \$1000.00.
5. There was no report from the School Attorney.
6. Transportation Report: None
7. Swarm Student Leadership: Taya Gilmer reported on the organization of a Toy Drive and Bake Sale. She also reported on the ordering of new machines for the concession stand, that Frosty Fling is on December 16th, the First Quarter Swarm Rewards and the Pizza orders and delivery.
8. Curriculum Committee: None to Report.
9. School and Community Health Committee: Joell Miranda reported on the November 13,

2018 meeting. Flu Shots will be at the evening conferences. She reported on the Child and Teen Check-ups and the "Tooth Fairy" ladies will be coming around Valentine's Day. She took Spring Health Fair Suggestions and mentioned the Minnesota Career Wheel and how there will be more information coming and the group would like all Staff trained in CPR. The next meeting is December 11, 2018 at 8:00 am in room 100A.

10. Safety/Transportation Committee: None to Report. Next meeting is December 11, 2018 at 7:30 am in the Community Education Room.
11. Negotiation Committee: None to Report
12. Community Education Report: Community Education Programmer Tami Meyer sent a report on the next Movie Night which is December 14th. There will be a meeting for Make and Take on November 29th at 7:00 pm, Elementary Basketball is going well and Archery has about 53 kids. Upcoming events are Make and Take on December 13th from 4:00-5:30 pm and JO Volleyball starts January.
13. Early Childhood Report: Kathy Carroll sent a report and all is going well. She just finished Revised Budget and is working on a Blandin Grant that is due in December.
14. Building & Grounds Director Report: Building & Grounds Director Eric Hill reported ICS project summary is 95% complete and they are working on the heating system.
15. Superintendent/Principal's Report: Superintendent/Principal Pat Rendle informed everyone of the IASC plan to introduce Investiagtion Career Pathways work. Our scores are down so we are focusing on attendance and looking to award good attendance. PBIS rolled out a new "Gem Program" last Wednesday. The students love it and have had a great response.
16. Approved the letter of Decline for Board Position from Jay Zapzalka.
17. Accepted the resignation of Board Member Jay Zapzalka as of October 22, 2018.
18. Approved to appoint Sarah Kingsley to fill the vacancy of Board Member Jay Zapzalka until the Special Election at the January 2019 Board Meeting.

19. Approved a motion to discuss the request from Northland Community School Board to share Superintendent for the 2019-2020 school year at the Workshop on December 6th at 6:00 pm with the Hill City School Board. Northland Community School Board and Hill City School Board will meet on December 10th at 6:30 pm for further discussion.

20. Meetings to be Attended:

- * December 12, 2018 is a Special Board Meeting to review Audit at 6:00 pm then Truth and Taxation.
- * 2019 MSBA Leadership Conference is on January 17-18, 2019. Sarah Kingsley and Bambi Lange as her mentor will attend the Conference beginning January 15, 2018 for training then go through January 18, 2018.

21. Meeting adjourned at 8:07 p.m.

Respectfully Submitted: Joell Miranda, Clerk

Complete Minutes of the above Board Meetings and all Board Meetings are on file in the administration office and may be viewed at any time during regular business hours.

City of Hill City
Truth in Taxation and Regular Council Meeting
December 11, 2018

Truth in Taxation Meeting

Pursuant to due call and notice thereof, Mayor Baker called the Truth in Taxation meeting to order at 6:00 p.m. in the Community Room. Members present: Mayor Larry Baker, Council members Tina Haugen, Terry Christensen, Neal Roettger and Dave Lange.

Clerk McManigle gave an overview of the budget process beginning with the setting of the proposed levy (\$400,000.00) and why it is was so high. Clerk McManigle also explained that the final levy the city was looking at was \$255,076.71 and is \$653.08 lower than the final levy passed for 2018.

Council member Lange explained that the city needed to start a street fund for repairs of black top, curbs etc. Lange also said that the city needed to put more money aside in the water fund for the repainting of the water tower that needs to be done in 2 to 3 years. Lange thought that the city should add to the final levy for funds to be allocated towards streets and water. Clerk McManigle explained that levy money can not be allocated towards an Enterprise fund

(water and sewer) as Enterprise funds need to pay for themselves.

The walking trail was also discussed since levy money is allocated to the maintenance of the trail. There are no grants to help fund the maintenance of the trail. Due to the fact that grant funds were used to originally build the trail, Clerk McManigle is to find out if the trail needs to be kept paved in asphalt or can the trail be changed to a dirt trail.

Citizen Evan Christensen said to check out the Outdoor Heritage Council as they may assist in the funding for maintenance of the trail.

There was discussion on the different factors that could affect a change in property taxes even if the levy is the same from one year to the next.

The Council answered questions from citizens that were present.

Mayor Baker adjourned the Truth in Taxation meeting at 6:31 p.m.

Regular Council Meeting

1. Call to Order/Pledge of Allegiance/Roll Call

A. Mayor Baker called the meeting to order at 6:32 p.m

B. The following persons were present: Mayor Larry Baker, Council Members Terry Christensen, Tina Haugen, Neal Roettger and Dave Lange.

2. Consent Agenda

Motion made Christensen to approve the consent agenda as presented, second by Baker. Motion carried with all members present voting in favor.

3. Public Forum

A. Jeannie Tix – Epi Pens

Jeannie Tix was not present at the meeting.

B. Chris Wojciechowski and Joshua Philippi – detachment from the City

Chris and Joshua were present requesting permission for them to have their property detached from the City. They stated that when they purchased the property (over 100 acres directly north of the Trails Inn Quadna motel and campground) they were told that the property was not in city limits. They feel that there is no benefit to them to be in city limits and the taxes are lower in the township. Clerk McManigle asked them if they were the parties that wanted to rifle hunt on their property and were told that they could not because it was in city limits. Joshua stated that yes, they had called about this. It was also brought up that the walking trail goes through these properties in question of be detached from the city.

Motion made by Roettger to table this until the January meeting for more research to be done, second by Haugen.

Motion carried with all members present voting in favor.

4. Additions or Corrections to the Agenda

Clerk McManigle had two additions to the agenda.

1. Resolution #2018-21, Resolution Designating Polling Location

2. Request from Judy Pierce to waive late fee of \$25.00 from water/sewer bill

Clerk McManigle had presented to the Council a copy of the water sewer billing for Bub & Judy Pierce that showed the bill that was mailed on 10/30/18 showing the forwarding label put on the bill dated 12/7/18. They had received the bill on 12/11/18 and would like to have the \$25.00 late fee waived.

Motion made by Roettger to waive the \$25.00 late fee due to proof of the bill being delivered late, second by Haugen. Motion carried with all members present voting in favor.

Clerk McManigle explained that something that was new this year was that by December 31st of each year the city needed to designate their polling location for elections.

Motion made by Roettger to approve Resolution #2018-21, designating the City of Hill City's polling location as 125 Lake Ave., Hill City, MN, second by Baker. Motion carried with all members present voting in favor.

5. Reports

Maintenance/Water/Sewer/Parks/Airport/Street

- George Casper reported that they have been doing maintenance on odd projects.
- They will be doing some maintenance on some lift stations before the weather gets to cold.
- The streets have been plowed and sanded once this winter. Casper just purchased salt and sand for this winter and the price was \$52.00 per yard, up from \$30.00 per yard from last year.
- Casper thanked Tina Haugen, Larry Baker and Dave Lange for their time on the Council and for them allowing him to work with them. Casper had a special thank you to Dave Lange for all of the extra things that he had done for the city that were a lot of the time "behind the scenes".

Fire Department

- Fire Chief Jeremy Nelson reported that the officers for the Fire Dept. were basically the same as last year. Fire Chief Jeremy Nelson, Asst. Fire Chief Ron Saxton, Captains George Casper, Matt Huseby, Greg Payment and Alan Myers, and Secretary Tom Fasteland.

Police Department

- Police Chief Josh Kimball gave the November activities report.
- Chief Kimball asked for permission from the Council to join the IBEW Union. He stated that this would have no affect on his current contract that was just approved for the period of Jan. 1, 2019 through December 31, 2021. Kimball explained that he would like to join this Union as soon as possible so that he could contribute to the Union's retirement program. The Council requested that Kimball have the Union Representative come to the January Council meeting to talk to the Council before any decisions are made.

Mayor

Mayor Baker read his final report as Mayor:
"First of all, I want to thank each and every one of you for your service to the citizens of Hill City. We got a lot accomplished, and I'm very proud of the work we have done for the City of Hill City, and its citizens. I'm most proud of the fact, that we as a group, kept taxes as low as we could,

for as long as we could. I know we had our differences, but as a whole, we came together as a group, and did the best we could for our City, and its people. It has been my privilege and my honor to have worked for the City, first as a Council person, and then as Mayor. I feel that the Office Staff, Maintenance Staff, Police Department, and Fire Department are the best employees any city could be proud of. I wish you all the best of luck now and in the future.

Clerk

- Clerk McManigle said that she had something to say to the Council and that she usually does not let "things" bother her but felt that what she had heard on the tape from the closed Negotiations meeting, something needed to be addressed. On the tape a Council member had accused Clerk McManigle of running the rentals of the Quadna Townhouses and Timeshare units out of her office at City Hall. McManigle said that this was 100% untrue and that she had never done even one rental out of City Hall. There were also other things said at this meeting that were not true and that seemed to be directed at discrediting certain staff in the eyes of the other Council members. Clerk McManigle asked that in the future, before rumors were passed on, it would be in the best interest of everyone to check out the facts before speaking. Also, if staff is doing something wrong in the eyes of the Council, could the Council please come to the staff member to discuss it versus the staff member hearing about it from citizens in the community.

- Clerk McManigle then presented Mayor Baker with a plaque from staff and Council that read: "In appreciation of Larry Baker. For 21years of dedicated service to the residents of Hill City as a Councilmember and Mayor. We thank you for your efforts to make Hill City a better place to live."

(The dedication of this plaque resulted in a standing ovation for Larry Baker by staff, citizens and Council present).

Council

Council member Haugen said that in her years on the Council that she had learned a lot and that it takes a thick skin to "sit at the Council table". Haugen thanked the office staff saying that they had always been at her "beck and call" in providing her with information. George and Pat had been great to work with. Haugen said that everyone was doing a great job and a thank you to all.

Personnel – There was nothing to report

Facilities/Equipment – There was nothing to report

Land Use – There was nothing to report.

Council member Haugen left at 7:03 p.m.

6. Old Business

A. Solicitor Applications & fee – J. Kimball

Police Chief Kimball had developed a Solicitors Application and the City Attorney said that it looked good. This application will be for profit only solicitors and not for non-profits. A fee can not be set at this time as the fee Ordinance will need to be amended to add this and there are other fees that need to be looked into before the Ordinance gets changed.

Motion made by Christensen to adopt the Solicitors

application and start using it with no fee associated with it at this time, second by Roettger. Motion carried with all members present voting in favor.

B. Trails Inn – Sewer charges

A motion was passed at the October 16, 2018 Council meeting in regard to sewer rate changes for the Trails Inn Quadna campground and motel since they had decided to meter their water usage for the motel so the sewer charges would reflect the actual sewer usage. At that time the base rate for the campground would remain the same all year around but the flat sewer rate would only be charged for the months that the campground was actually open. The flat sewer rate portion was inadvertently excluded from the original motion.

Motion made by Christensen to amend the original motion to include the language of “the flat sewer rate would only be charges for the months that the campground is open”, second by Baker. Baker voted yes, Christensen voted yes, Lange voted yes, Roettger abstained due to the fact that he was not a Council member when the original motion was made. Motion carried.

7. New Business

A. Well 1B - Casper

Casper provided the Council with a letter from Thein Well in regard to changing Well 2 as the primary well for Hill City due to the fact that Well 1B has higher than normal iron bacteria and also a hole in the well at 175'. Well 2 would need to have the water tested and if the tests come out good then the well would be pulled, inspected, televised and re-installed. Currently Well 2 is manual and would need to be converted to automatic through the existing control system. The total cost of this change over would be approximately \$10,000.00. If a new well were to be drilled the cost is approximately \$150,000.00.

Motion made by Roettger that if everything tests out good then to have Well B serviced and get it on line, second by Christensen. Motion carried with all member present voting in favor.

B. Clothing Allowance - 2019

Clerk McManigle explained that the clothing allowance given to the Maintenance staff annually needs to be taxed since the clothing they purchase can be worn outside of work (unlike the Police Dept.'s clothing allowance). Clerk McManigle stated that beginning in 2019 a check would be issued to Casper and Jordan with taxes taken out for their annual uniform allowance.

C. John Mueller – Sewer bill adjustment

John Mueller was requesting an adjustment on the sewer portion of his water/sewer bill because of a leak in an outside faucet where the water ran outside and not down the sewer. The Council discussed this and decided not to make an adjustment to his billing as this would be setting a precedent.

D. Approve Resolution #2018-19, Increasing the Benefit Level for Firefighters Retirement

Motion made by Baker to approve Resolution #2018-19 increasing the benefit level for firefighter retirement to \$1,000.00 beginning January 2020, second by Christensen. Motion carried with all members present voting in favor.

E. Add to Water Budget for Water Tower

There was discussion on adding to the water budget for the rehab of the water tower which is going to cost approximately \$300,000.00 in one to two years. It was decided to table this until the January Council meeting. George Casper said that KLM Engineering had contacted him in regard to writing up a proposal for the rehab of the water tower in 2019. The Council said that they could write up a proposal as long as it did not cost anything.

F. Approve Final Budget

Motion made by Baker to approve the 2019 budgets as presented, second by Christensen.

Council member Lange said that money needs to be set aside for streets for such things as repaving of the paved streets, etc. There was discussion on this by the Council who felt that this is something that needs to be addressed.

Motion made by Lange to amend the previous motion and add \$20,000.00 to the General Fund levy to be put aside for street improvements, second by Roettger. Lange voted yes, Roettger voted yes, Christensen voted yes, Baker voted no. Motion carried

G. Approve Resolution for 2019 Final Levy

Motion made by Baker to approve the Resolution for the 2019 Final Levy, second by Christensen. Motion carried with all members present voting in favor.

(The total Final Levy is \$275,076.71 broken down as: \$67,558.89 General Fund, \$25,650.00 Fire Fund, \$10,941.82 Trail Fund, \$150,926.00 Police Fund and \$20,000.00 Street Fund).

Motion made by Roettger to adjourn the meeting at 7:54 p.m. second by Baker.

Respectfully Submitted:

Diana McManigle, Clerk/Treasurer
Larry Baker, Mayor

Practical Suggestions for Building Assets in Your Child

FAST FACTS

**ASSET #6:
Parent
Involvement
in Schooling**

Youth are more likely to grow up healthy when their parents are involved in their education and school.

29%
of youth surveyed by Search Institute have this asset in their lives.*

What Are Assets?

Assets are 40 key building blocks to help kids succeed. "Parent involvement in schooling" is one of six support assets

* Based on Search Institute surveys of about 100,000 6th- to 12th-grade youth throughout the United States.

Becoming a School Partner

It's a downward trend. As children start kindergarten, parents are quite involved with their education. We attend parent-teacher conferences, cheer on our children at school concerts and events, and hang up schoolwork in the family kitchen gallery: the refrigerator.

As children become older, parents grow farther away from school. Kids seem to be doing well without our involvement. They're supposed to be independent. Right?

Yes, but not by a parental retreat. Kids need their parents to stay actively involved in their education throughout middle and high school.

Parents can easily stay involved in small ways that will make a big difference. For example:

- Maintain ongoing communication with your child's teacher(s). Call to check in every other month. Call before trouble appears.
- Join a parent-teacher organization. If you can't volunteer a lot of time, say so.
- Volunteer to help out in small ways. Check with the teacher or the school's volunteer coordinator.

- Attend all conferences. If you can't make it on the designated date, arrange to meet at another time.
- Talk with your child about her or his homework—focus more on the issues and topics than specific assignments.

time together

Three ways to get more involved with your child's education:

1. Encourage your child's teacher to meet with both you and your child so that everyone can have a say in expectations and goals.
 - Go to a museum to look at exhibits that are related to your child's class.
2. Together create a thank-you note or small gift for your child to give to the teacher.

The CHALLENGE

Most youth don't have parents who are active in their schooling. Only 29% of young people experience this asset. And involvement drops dramatically across the middle and high school years, from 44% of 6th graders having this asset to only 17% of 12th graders.
