The Minnesota Department of Education (MDE) Commissioner, Dr. Brenda Cassellius, issues a "Positive Review and Comment" for the Hill City School District's referendum plan. A positive review and comment means the proposed school construction project is educationally and economically advisable by MDE. The project description is hereby published below as per MN State Statute:

DESCRIPTION OF PROPOSED SCHOOL CONSTRUCTION PROJECT

Hill City Independent School District #2 is proposing a single question bond referendum on May 2, 2017 that would authorize the issuance of bonds to finance the construction of a fitness room / community education space addition and other facility upgrades. The estimated cost of all projects, including bond issuance, is \$4,000,000.

The largest project component is a 3,700 square foot addition to be constructed on the east side of the existing school. It would house a fitness room with locker facilities and space for community education. Other upgrades to the existing structure include: a secure entrance, updated gym floors and lockers deferred maintenance, site upgrades and interior renovations.

The school board believes the proposed projects are in the best long-term interest of the district. The projects would be scheduled for completion in calendar year 2018. Cost estimates by project type are as follows:

Secure Entrance	\$ 110,300
Gym Floors / Locker Area Renovation	\$ 351,840
New Lockers / Commons Area Upgrades	\$ 79,790
Roof Replacement / Tuckpointing	\$ 1,465,460
Playground Upgrades	\$ 69,460
Athletic Field Upgrades	\$ 96,450
Mechanical Upgraders	\$ 54,780
Fitness Room / Community Ed. Addition	\$ 920,000
Renovations	\$ 686,920
Bond Issuance Costs	\$ 165,000
TOTAL	\$ 4,000,000

If the bond referendum is successful and bonds are sold, the debt service on the bonds will be eligible for debt service equalization under Minn. Stat. § 123B.53, Subd. 3, if the bond schedule is approved. The amount of debt service equalization aid, if any, the district receives is determined annually and is dependent upon property wealth, student population, and other statutory requirements.

REVIEW AND COMMENT STATEMENT

Based upon the department's analysis of the school district's required documentation and other pertinent information from sources of the Minnesota Department of Education, the Commissioner of Education provides a positive review and comment.

ADDITIONAL INFORMATION IS AVAILABLE

Persons desiring additional information regarding this proposal should contact the school district superintendent's office.

HILL CITY THRIFT SHOP
MONTHLY STAFF MEETING
HILL CITY, MINNESOTA
March 29, 2017

Chairman Nancy Hannah brought the meeting to order in the basement of Hill City United Methodist Church with the following also in attendance: manager Grace Quaas Hazel Hess, Jeanette Huff, Karen Valley, Diane Hetletvedt, Cindy Rollins, Nancy Hannah, Roger Lynn and Bonnie Harcey.

Minutes from the February meeting were read by Bonnie followed by a motion from Roger, seconded by Jeanette to approve the minutes as read. Motion carried.

Financial report included the following: Donations to the following organization were sent:

- \$25 to the Hill City School
- \$30 to the Hill City Chamber of Commerce
- \$50 to Hill City Area Food Shelf

A motion was made by Diane and seconded by Hazel to approve the financial report. Motion carried.

Old business: Mark Holm was unable to contact owner John McManigle to obtain permission for permanent attachment of a lock box. Roger will contact John in order to proceed with the project.

New business:

- Grace reported that a work-day on March 28th resulted in replacing winter items with summer stock and that volunteers are now repairing the storage building which was damaged in the July, 2016 storm.
- Gift certificates for Thrift Shop merchandise with a total value of \$60 have been purchased for distribution at the senior Bingo games to be held at Hill Lake Manor on April 19th. Discussion resulted in a decision for a basket of items with a value of \$15-\$20 from the Thrift Shop to also be donated as a prize at the games. Diane and Cindy will gather items for the basket. Karen will deliver it to people in charge of the event.
- Grace reported that she donated bedding and a coffee maker from the Thrift Shop to be raffled at the Johnson benefit, which has been scheduled on April 15th at the Moose Club in Grand Rapids.
- A representative of Aitkin County contacted Grace to let her know that road construction to improve water run-off of the section of County Road 74 to the south of the Thrift Shop will be done in the next few months. A curb will be installed on the north edge, and a lower structure which will allow for passage to Bear Park area will edge the south of the new road section.
- A "bag sale" will be held before July 4th to reduce inventory of donated items.
- The credit card machine has been returned to working order.
- Because of the change in tax exemption status of the Thrift Shop, receipts may now be issued to donors.

- Since Lutheran Island Camp collects unwanted shoes for recycle, those that cannot be sold at the Thrift Shop are being donated to that organization.
- Several suggestions were made for increasing sales at the Thrift Shop:
 - o With permission from school authorities, a table at public events there could display items and information to encourage shoppers to visit the Thrift Shop.
 - o Thrift Shop Dollars could be printed and then dispensed in various ways as incentive for shoppers to spend money there.
 - o Bonnie will publish new posters and place them in local establishments.

Cindy made a motion, seconded by Diane, to adjourn the meeting.

Respectfully submitted,
Bonnie Harcey

Practical Suggestions for Building Assets in Your Child

FAST FACTS

ASSET #16: High Expectations

Youth are more likely to grow up healthy when both parents and teachers encourage young people to do well.

41%
of youth surveyed by Search Institute have this asset in their lives.*

What Are Assets?

Assets are 40 key building blocks to help kids succeed. "High expectations" is one of six boundaries and expectations assets.

* Based on Search Institute surveys of almost 100,000 6th- to 12th-grade youth throughout the United States.

Expecting the Best

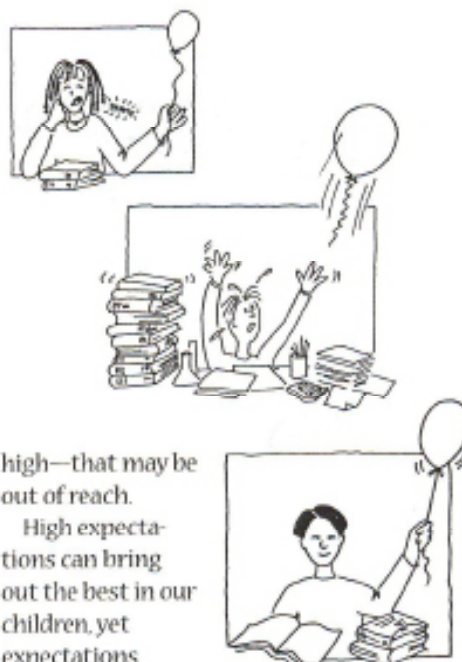

When you give a child a helium-filled balloon, it brings great joy. But if the balloon is

losing air and gradually deflates, the child becomes frustrated. If the balloon is difficult to hang on to and floats away, the child cries.

A balloon is like expectations. If they're too low or too high, they're not helpful. But if the expectations are high—yet still within reach—the child holds the taut string of the balloon with an arm extended up.

Expectations should make our children stretch but also still be able to see what they're stretching toward.

Expectations should differ based on each child's temperament, abilities, gifts, and talents. A natural-born athlete who is bored in physical education, goofs around most of the time, and still gets an "A," doesn't have high enough expectations set on her. The dyslexic child who struggles to keep up with the state standards of reading for his age has expectations placed upon him that are too

high—that may be out of reach.

High expectations can bring out the best in our children, yet expectations constantly need to be evaluated and revamped so that they encourage our children without discouraging them, and so that they challenge our children without frustrating them. What do you expect of your child?

Helpful Hints

Tips that make setting high expectations with your child easier:

- Educate yourself on child development so you know what's realistic.
- Continue to look for creative and new ways to stimulate your child.
- Periodically check out your expectations with your child.
- Allow your child to make mistakes and learn from them.

time together

Three ways to set high but reasonable expectations with your child:

1. Talk about inspirational stories of people who overcame the odds or did surprising things.
2. Encourage your child to tackle subjects and hobbies that are difficult. Work together.
3. Model how you're currently stretching yourself.

A Progress Report

Examine your expectations of your child in each of the following areas:

EXPECTATION	Child seems stretched	Child seems bored	Child seems overwhelmed
Social skills	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Academics	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Physical health	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Hobbies	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Extracurricular activities	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Quick Tip:
High expectations
enhance a child's
sense of being
capable.

talk together

Questions to discuss with your child:

- What do you think we expect of you—at home, at school, in the community? Are those expectations realistic? Why or why not?
- Where do you feel bored? Where do you feel defeated? Why?
- How can we set high expectations together that are realistic, yet challenging?

What About You?

Our expectations of our children often come from the expectations we as parents received when we were children. What did your parents expect of you as a child? As a teenager? How realistic were those expectations? How are those expectations affecting your parenting?
