Dear Parents, Students, and Community Members:

As we are gearing up for another school year; I would like to welcome back the returning students while also extending a special welcome to our new students. The districts mission statement is "A community partnership proud to be unique and personal; dedicated to life-long learning and educational excellence." Personally, I feel that statement describes what you will find in Hill City.

In Hill City, we are fortunate to have an experienced and dedicated staff. One of the benefits of a small school is the relationships built between the staff and students. Over the years I have witnessed that relationship building and staff working hard to help the students succeed.

With every new year comes changes to the school. This year Mrs. Holm will be performing Dean of Students and Curriculum duties as well as teaching English two hours per day. I am excited about this change and believe it will have a positive impact on the district.

We are looking forward to the first day of school, which is September 2. As a reminder, grades K-5 will have scheduled conferences with parents, students, and teachers. Class for grades K-5 will begin on September 3. This year we will be holding the Open House on Wednesday August 27 from 4 – 7. In addition, on August 27 we will have the 6th and 7th grade transition meeting for parents and students. We will meet in the Assembly at 5:00. Please take advantage of this opportunity to tour the school and meet the staff.

If you have any questions, please feel free to stop in or give us a call 697-2394. For it is through hard work and cooperation that we can make a difference.

Sincerely,

Dean Yocum
Superintendent / Principal ISD #002

The Buses are ready to roll.....

On Tuesday, September 2nd, the school buses will be on the road again. As the school year approaches, let's keep SAFETY first and foremost on our minds.

Nor-Tran, Inc. will be calling each family with bus pick up times. If you do not receive a phone call by Thursday morning, August 28, 2014, letting you know the pick up time for your child(ren), please call Nor-Tran, Inc. at (218) 246-3434.

It will take a few days to establish the routes again this year. We have new families in our district and also some families who have moved away. It will help if each student can be at his/her bus stop at least 10 minutes early. If any changes need to be made in your route, you will be notified. **Parents of kindergarten students must be present at the bus stop for their child to be picked up and dropped off.**

1. Are you new to the district and have not registered?
2. Have you moved since last spring?
3. If you are not called by Nor-Tran, Inc.?

If any of the above apply, please contact the school at 697-2394 TO MAKE SURE YOUR CHILD IS PICKED UP ON TUESDAY! If your child needs to be picked up or dropped off at a location other than your home address, please have your child bring a note to the school office and a pass will be given. For safety reasons, if your child does not have a bus pass, they will only be dropped off at their scheduled stop.

**BE AT THE BUS STOP
AT LEAST 10 MINUTES
EARLY!!!**

Community Newsletter Deadline

6th & 7th Grade Student and Parent Meeting

The meeting for all 6th & 7th grade students and their parents will be held on Wednesday, August 27th at 5:00 in the Assembly Room at the school.

What is Early Childhood Screening?

Early Childhood Screening is a simple, careful check regarding:

- *Height/Weight
- *Speech/Language
- *Health History
- *General Development
- *Parent Summary
- *Immunizations
- *Vision
- *Motor Skills
- *Nutrition
- *Hearing

This screening is required by law for kindergarten entrance in Minnesota public schools. The purpose of this screening is to identify any health or developmental needs your child may have. Children may be screened between the ages of 3 and 5, however early screening is encouraged to best meet the needs of your child. The school district is reimbursed part of the cost of screening by the state and reimbursement rate is higher the younger the age of the child.

The Hill City Fall Early Childhood Screening is scheduled for:

Thursday,
September 25, 2014

Call for an appointment:
697-2394 ext. 102

*Baby Step Coupons given for screening (3 for age three, 2 for age four, 1 for age five)

Kids Plus Korner

Kids Plus Summer Camp 2014 was a Blast! Thank you to all of you who participated!

Madison Lathrop, Kix Martin, and Mark Meyer did an amazing job as camp counselors, and I am very PROUD of them! Thank you guys soo much! We had scavenger hunts, beach day, a "Water Park", crafts and snacks, built forts and played scooters. Every day was an adventure and the best part is, I can already see that the real idea behind Kids Plus is taking effect. The counselors have created a bond with the youth and it's carried on past the camp. That is what this is all about.

I hope it can carry on.

This year is to bring more exciting adventures. I welcome back my Kids Plus Board and invite anyone grades 7-12 to join us. Watch for announcements about meetings, show up and bring your ideas. It feels really great to be a part of something so neat and hugely significant to our Community. Thank you to all of you who support our Program, I am truly grateful !

Please Continue to watch for more Kids Plus Events and if you wish to help by volunteering time with your/our kids let us know! And if you're a student in 7-12 grade there's always room for you to join us, just watch and listen for our meeting announcements!!

Thank you Operation Round Up

Operation Round Up® is a charitable program unique to electric cooperatives which is designed to provide financial assistance to worthwhile activities and community projects by "rounding up" member's electric bills to the nearest dollar. The most members could give in a one-year period is less than \$12.

The cooperative's Trust Board reviewed and considered 47 grant applications and distributed funds to 40 projects and programs this past quarter.

Operation Round Up® gave \$26,500 to community programs.

Our very own **Kids Plus Program** received a gift of \$1400.00 to help with our Disc Golf Course that will be built on our school grounds beginning this Fall. We will be requesting Community Volunteers, Students, and Staff to help us with the installment of the course. If you would like to help please contact jlathrop@hillcity.k12.mn.us or call 218-697-2394 Ext. 172
