August 2013

Dear Parents, Students, and Community Members;

As we are gearing up for another school year; I would like to welcome back the returning students while also extending a special welcome to our new students. The districts mission statement is "A community partnership proud to be unique and personal; dedicated to life-long learning and educational excellence." Personally, I feel that statement describes what you will find in Hill City.

In Hill City, we are fortunate to have an experienced and dedicated staff. One of the benefits of a small school is the relationships built between the staff and students. Over the years I have witnessed that relationship building and staff working hard to help the students succeed.

We are looking forward to the first day of school, which is September 3. As a reminder, the elementary school has meetings scheduled with parents, students, and teachers. Elementary classes will begin on September 4. On August 28 we will also be having the 7th grade transition meeting for parents and students at 5:30. This year we will be holding the Open House on Monday September 16 from 4-7. Please take advantage of this opportunity to tour the school and meet the staff.

The district has scheduled two informational meetings to discuss the local school referendum. The first meeting will be at 5:30 in the meeting room at City Hall during National Night Out on September 8. The second meeting will be held during the Open House on September 16. The meeting will be held at 6 p.m. in the Assembly.

If you have any questions, please feel free to stop in or give us a call 697-2394. For it is only through hard work and cooperation that we can make a difference.

Sincerely,

Dean Yocum
Superintendent / Principal ISD #002

The Buses are ready to roll.....

On Tuesday, September 3rd, the school buses will be on the road again. As the school year approaches, let's keep SAFETY first and foremost on our minds.

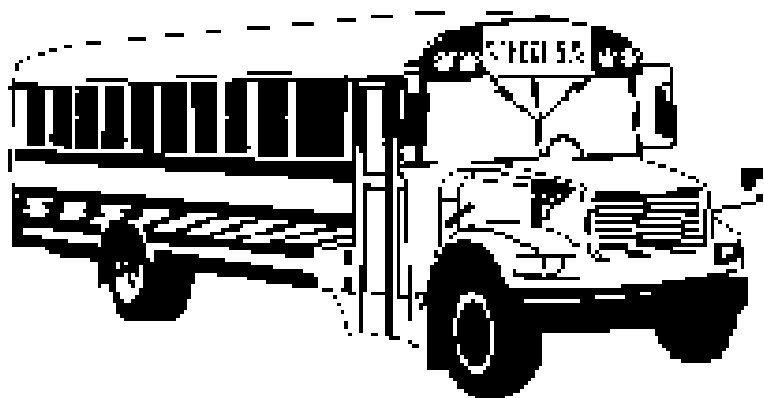

Nor-Tran, Inc. will be calling each family with bus pick up times. If you do not receive a phone call by Friday morning, August 30, 2013, letting you know the pick up time for your child(ren), please call Nor-Tran, Inc. at (218) 246-3434.

It will take a few days to establish the routes again this year. We have new families in our district and also some families who have moved away. It will help if each student can be at his/her bus stop at least 10 minutes early. If any changes need to be made in your route, you will be notified. **Parents of kindergarten students must be present at the bus stop for their child to be picked up and dropped off.**

1. Are you new to the district and have not registered?
2. Have you moved since last spring?
3. If you are not called by Nor-Tran, Inc.?

If any of the above apply, please contact the school at 697-2394 TO MAKE SURE YOUR CHILD IS PICKED UP ON TUESDAY! If your child needs to be picked up or dropped off at a location other than your home address, please have your child bring a note to the school office and a pass will be given. For safety reasons, if your child does not have a bus pass, they will only be dropped off at their scheduled stop.

**BE AT THE BUS STOP
AT LEAST 10 MINUTES
EARLY!!!**

What is Early Childhood Screening?

Early Childhood Screening is a simple, careful check regarding:

- *Height/Weight
- *Speech/Language
- *Health History
- *General Development
- *Parent Summary
- *Immunizations
- *Vision
- *Motor Skills
- *Nutrition
- *Hearing

This screening is required by law for kindergarten entrance in Minnesota public schools. The purpose of this screening is to identify any health or developmental needs your child may have. Children may be screened between the ages of 3 and 5, however early screening is encouraged to best meet the needs of your child. The school district is reimbursed part of the cost of screening by the state and reimbursement rate is higher the younger the age of the child.

The Hill City Fall Early Childhood Screening is scheduled for:

Thursday,
September 26, 2013

Call for an appointment:
697-2394 ext. 102

*Baby Step Coupons given for screening (3 for age three, 2 for age four, 1 for age five)

AARP MN Driver Safety Program (formerly 55 Alive)

Taking this class is an easy and sure way to reduce your motor vehicle insurance premiums. State law requires all auto insurance providers to reduce premiums by 10% for policyholders who are 55 or older, when a certificate of class completion is provided to them. If you have never taken the class before, you need to take the initial 8-hour class first, and then every three years the 4-hour refresher is taken. No tests are given. All participants will be issued a certificate at the end of the class. You must have a valid driver's license with you at the beginning of the class so that a certificate can be issued. (Contact Jessica for a full schedule of local classes if needed)
