813 PROPERTY RESPECT

PURPOSE:

To specify the need for respect of Sibley East property.

GENERAL STATEMENT OF POLICY:

The Sibley East School Board encourages every staff member and student to develop and exhibit respect for school property.

All facets deserve respect including, but not limited to; furnishings, equipment, buildings, grounds, and athletic fields.

If people are found to have damaged school property, those names shall be reported to the proper district authorities. An amount equal to the damages plus associated replacement costs shall be determined and collected from the people responsible for the damages.
