ABOUT US

Help Us Give Our Goats the Best Experience Possible

Chelan Athletics is fortunate to have an extremely supportive school district that invests in our student-athletes and covers many of the costs associated with providing quality athletic opportunities. We are incredibly grateful for that support, and it plays a huge role in making our programs successful.

At the same time, providing our athletes with the best possible experience takes more than what our school district funding can provide. Fundraising and community support allow us to go above and beyond the basics to provide the equipment, resources, training opportunities, team experiences, and program enhancements that help our student-athletes grow both on and off the field.

Our goal isn't simply to compete. Our goal is to create an experience that our kids will remember for a lifetime.

That is where our community comes in.

When you support Chelan Athletics, you are investing directly in our students. You are helping create opportunities for them to build confidence, develop leadership skills, learn how to work as a team, overcome challenges, and represent their school and community with pride.

CHS offers 21 competitive sports through the Washington Interscholastic Activities Association and is a member of the District 5 Caribou Trail League.
