

KASSON-MANTORVILLE SCHOOL DISTRICT 204

VISION STATEMENT

Kasson-Mantorville will be recognized as a premier school district, in which to learn and teach.

We will create an atmosphere of excellence to empower and inspire all to become prosperous, responsible citizens in a global society.

MISSION STATEMENT

The Kasson Mantorville School District is “Committed to Excellence” in all that we do.

To achieve this, we will:

- *Nurture, respect, and value each person through a safe and welcoming environment*
- *Stimulate extraordinary achievement by embracing creativity and innovation*
- *Cultivate and model meaningful relationships*
- *Personalize the learning environment by offering students a choice and voice in their education*
- *Enrich the learning experience with a rigorous, relevant and engaging curriculum*
- *Ensure and support a successful pathway to college and career readiness*
- *Inspire lifelong and independent learners in an ever-changing world*
- *Unify and strengthen our partnerships with families and community*
- *Instill a culture of integrity*

AIMS and GOALS

AIM: Student Excellence

Goals:

- *Inspire a passion and challenge each student to the best of their abilities.*
- *Motivate and empower students to follow their interests and take ownership in their learning.*
- *Develop confident students with strong character who think critically and behave ethically.*
- *Achieve co-curricular, extracurricular, or community activity involvement for every student pre-k thru 12.*
- *Recognize and celebrate student achievements.*

AIM: Staff Excellence

Goals:

- *Foster positive and meaningful relationships with every student, and identify each student's passions.*
- *Consistently collaborate and communicate with all students' families to develop relationships that enhance learning.*
- *Optimize Professional Learning Communities to maximize learning.*
 - *Continually research, develop and implement relevant and innovative strategies to support our students' personalized learning paths.*
 - *Design learning opportunities to challenge and engage learners' interests and imagination.*
- *Recognize and celebrate staff members' achievements.*

AIM: Operational Excellence

Goals:

- *Allocate resources to enrich student learning.*
- *Operate in a fiscally responsible manner.*
- *Develop, evaluate, and implement policies.*
- *Attract, hire, develop, and retain employees committed to excellence.*
- *Collaborate innovatively with the community and businesses.*
- *Establish appropriate communication channels to ensure a well-informed community.*
- *Market the district's brand and celebrate successes.*

AIM: Community Excellence

Goals:

- *Build strong family and community partnerships to meet students' social, emotional, physical, and academic needs.*
- *Empower students, families, and the community to learn both inside and outside the classroom.*
- *Seize apprenticeship, internship and mentorship opportunities for students to gain career and life experiences.*
- *Seek and embrace leadership within the community.*
- *Promote attendance of events hosted by the school and community.*
