### **Member Reports:**

Mr. Morehart - WSD Enrollment –39.4% of students are Native American. This includes the online students. There was a large discussion about the on-line learners. Some are not doing school work. It was decided to send another letter to on-line students informing them that students may be retained if they do not complete work. DeAnne and Sherry have done home visits, and some are still not working.

Goldenwest sent a letter to free and reduced households offering internet service. No patrons have contacted Goldenwest. We will ask Tenille, Francis, and Krista to spread the word. Also, we will may send a letter home and put up a flyer at the community health nurse.

Val – Should we still be documenting free and reduced lunch since everything is free? Yes, let's keep offering it so we have documentation. It has been busy at the HS. Last week was free application week where students can apply to 2 state colleges for free. Financial aid night was 2 weeks ago. 24 students were represented. Girls group has 15 to 18 who attend regularly. They want a dance and to do community service.

Diane – Red Ribbon week went well.

Kim – The Star Quilt is up on the wall.

Sylvia – Likes the 1:00 time

We will meet Dec 9<sup>th</sup> at **1:00** in Mr. Morehart's office.
