Member Reports:

Mr. Morehart talked about enrollment which is dropping. He also discussed the active killer training with the PD. Our staff made bags for medical staff.

Diane - Covid cases are low and 100 Day is next week.

Julie – School board meeting is the 14th. A board retreat is tonight.

Marilyn – It is tough getting kids to school. She is frustrated with the parents. She informed parents that she is just transportation and not there to force them to go. There was a very long conversation of COVID and the tribe.

Danielle – Still working hard to connect with families and increase attendance. She feels a little defeated on calling just like Marilyn. Friday school helps.

Wenona- Talked about her own son and some other concerns.

Haley – Girls group is going. She has been working with some students who are struggling. Student council is selling candy bars and ring pops for Valentine's Day. No more phones in the middle school.

DeAnne- Feels attendance will only get worse. There is a lot stressing families out. Other family members are raising children.

Krista – Should prosecute parents for not sending children.

Val – 91 girls signed up for cheer camp. Girls group did community service with cards. They also did a paper crumpling activity. They are planning a MS dance in April/May. It is scholarship season. There are 5 NA seniors who are on track. FCCLA did well at regions.

Next meeting will be March 9, 2022
