

**WINNER SCHOOL DISTRICT 59-2
OFFICIAL SCHOOL BOARD POLICY**

LOCKER INSPECTIONS (SEARCH AND SEIZURE)

The Winner Board of Education wishes to advise its students that lockers are the property of the school district. As such, these lockers can be inspected at any time. Moreover, any illegal contents can be removed - and will be reported to a student's parents and/or the local law enforcement agency.

If a school administrator has reason to believe that illegal items are in a student locker (e.g. drugs, alcohol, knives, guns, etc.) s/he will notify local law enforcement immediately. Local law enforcement will be invited to help conduct the search and possible seizure of illegal items.
