

**WINNER SCHOOL DISTRICT 59-2
OFFICIAL SCHOOL BOARD POLICY**

State Board of Education

The State Board of Education consists of seven (7) members appointed by the Governor and subject to approval by the Senate and House of Representatives. The Winner Board of Education shall adhere to all regulations (and state law) outlined by the State Board of Education.

The term of office of each member of the State Board of Education shall be five (5) years. All vacancies shall be filled by appointment of the Governor for an un-expired term.

The State Superintendent of Public Instruction (now called the Secretary of Education and Cultural Affairs) is the executive officer of the board without power to vote and shall furnish all necessary information for the board.
