

**WINNER SCHOOL DISTRICT 59-2
OFFICIAL SCHOOL BOARD POLICY**

ATHLETICS/ACTIVITIES INSURANCE

All athletes and participants in certain activities must have accident insurance. An insurance program is available through the Winner School District for those not having adequate coverage from home.

It shall be the parent and/or guardian's responsibility to assure that adequate insurance is carried on the athlete/participant in activities. It should be noted that, many times, the football program has special insurance not regularly covered by a normal policy.
