Housing Undergoing Renovation or Rebuilding

MILITARY OR INDIAN LANDS HOUSING UNDERGOING RENOVATION OR REBUILDING

This is an optional table that may be submitted by applicant LEAs where housing on a military installation or on Indian lands is temporarily unavailable for occupancy because it is undergoing renovation or rebuilding. The Impact Aid Program uses this information to determine whether some number of children who do not reside in these units may be categorized as though they reside on a military installation or Indian lands in calculating payments for this application. The effect of categorizing these students in this way will be to increase the LEA's maximum basic support payment.

The LEA **does not** enter any specific property addresses on this table. The LEA must identify the housing official's:

1. First and last name
2. Official title
3. Military installation or Indian Lands housing area
4. Email address
5. Phone number
6. Fax number

If you are providing information for more than one military installation, provide a separate form for each.

To be considered under this provision, you must complete this form and upload it to the Impact Aid Application.
