# WHAT'S HAPPENING...

Carson Covey, Daniel Lauritsen, and I took a trip to the National FFA Convention. On the way we stopped and toured the John Deere Plant in Waterloo, Iowa. Overall it took 15 hours to arrive at Indianapolis. Each of us took a separate tour. Carson took a tour of the Elanco company, Daniel toured Victory Field, the baseball field, and I toured Indiana Downs, the horse racetrack. All three of us took a tour of Indianapolis Motor Speedway, a biodiesel plant, and a bean plant. We attended sessions during the convention. During these sessions we listened to motivational speakers and watched an escape artist do stunts. All three of us agree that one of the best parts of the trip was the bus trip. There was around 55,000 people at the FFA convention. I was able to talk to people from Florida, Texas, and many other places. The people we met, especially on the bus, made the trip a blast. I would go again in a heartbeat.

## All State Choir

Christopher Brockhoff, Tanya Larson, Jamie Halverson, Lindsey Croston, Clay Hoffman, Paige Stickland, Ethan Engel, and Megan Sund all participated in All State Choir located in Sioux Falls. The students wanting to sing with the All State Choir must audition before a local panel. From those who audition, two quartets and a set of alternates are chosen. To prepare for the concert, they must memorize their music which is a mix of traditional and newer pieces and always includes some foreign language. This year's piece was Latin. They took a one day workshop at USD to work on their eight selections and work out any rough spots. Once they arrived in Sioux Falls they started practice ready for spot checks. Saturday night they performed with all day and a formal concert with 960 voices and the All State Symphony.

This year WHS showed its patriotism and American pride on Veterans Day. We did projects in class to learn about the roots of Veterans Day, and on Friday the Winner FFA Chapter hosted a program for the community and the student body. Taryn DeMers (daughter of Cyndy DeMers), a former student of WHS, spoke to us about the importance of our freedoms, and what it takes to remain free. The Winner VFW Post taught us how to properly care for and fold the American flag. The Choir led us in singing "The Star Spangled Banner" and "God Bless America." After that we recognized our local veterans, and thanked the Winner FFA Chapter for their help.

Homecoming is the first special event of the year with everyone showing their school spirit by dressing up for the homecoming week. The theme this year was "severe weather." Many fun new ideas were introduced, like "thunderstruck" and "rock 'em like a hurricane" as the sophomore and junior floats. So this year, for the class olympics there were many new events like Twister, cheese head, bobbing for Barbie, and skills relay. The juniors took first place, sophomores second, freshmen third, and the seniors last place. This made the day even more fun and exciting for the big game. Then, came coronation where Jack and SaLes were named princess and warrior. After coronation the burning of the W took place, where everyone gathered and chanted class cheers to pep the crowd up for the football game. Then, the day finally arrived, the end of the homecoming week, where our football skills and school spirit were tested, Winner beat St. Thomas More 27-22. What a great way to end the week of homecoming. All everyone heard for the next week was No Saint--No Thomas--No More.

Our volleyball team made history this season at Winner High School. It was the first time our team to made it to the state tournament. We went into the tournament seeded 8th, which meant taking on the number one seed, Wagner, for our first match. We kept them going and looked like a strong team, sadly enough though, we lost. The second match we took on one of WHS's biggest rivalries, the St. Thomas Moore Cavaliers. We pulled through with a victory that led us to our third match against Milbank. Once again we fell to a good team and placed 6th at the state tournament. We'll never forget our season! It was a memorable one, especially the bus trip with our amazing driver, Thane, and our obnoxious dancing and singing that even our principal got to partake in! It was a great season and everyone is looking forward to next year!

# Editors

## 2008-2009 WHS Editors

Front row: Barbara Mann, Kelli Bolton, and Katlin Duffy.  
Back row: Bridget Carlson, Allison Duffy, and Jenna Vavra.

Winner High School editors would like to thank Dan Bechtold, Southern Exposure Photography, R & S Photography, Sharon Naasz, and Colleen Farley for all the help with the photographs ranging from individuals and groups to candid. We could not have finished this book without you. The yearbook staff would also like to thank Mrs. Duffy for all her help with ordering and distributing the yearbooks year after year and for pitching in and helping on everything from photography to final proofing. Another big thanks goes to all the businesses that bought ads. The financial support provided by the school board is very much appreciated and a big part of our budget. A HUGE thanks goes to our staff and advisor Mrs. Durrin, if it wasn't for them none of this yearbook would have been possible. A special thanks goes to our newbies for all their hard work this year, great job. One last thank you goes out to the student body, for being the stars of our book and purchasing them.

# PDA's

*Many thanks to the ones we love...*

This year, we as a yearbook decided to try something new, something we have never done before. We wanted to let the senior's loved ones show them some 'Parental Displays of Affection!'. This was not however limited to the parents. We wanted to open this up to the siblings as well. The following pages are the Senior PDA's that our loved ones have so generously bought. We are hoping that this will become a permanent fixture in the Winner High School Yearbook.

As one the Yearbook editors, I would like to extend my personal thanks to all the family members who took the time to write these ads. It means a lot to me as a senior. I hope that you all enjoy these next few pages. It was a lot of fun putting them together!

~Kelli Bolton, WHS Yearbook Editor

Keli Bolton

Keli,  
How do you say goodbye to your best friend? You are not only our daughter and a source of great joy and pride to us, but you are also my best friend. Many parents don't get to have the kind of relationship we do and for that I am very grateful. We can only wish for joy and happiness for you. You are a very strong and determined young lady who will set the world on fire in whatever you do. Always know your greatest fans are here and will always be cheering for you. May the time at JMU be full of happiness, friends and great memories. We will miss you but know our love is abundant and we are very proud to be your parents.

Love and Faith,  
Mom and Dad

Keli Bolton

Keli,  
I'm sure you remember the days when I would question "asking for" a little sister. Well, I figured I should take this opportunity to let you know that could not dream of trading in the most wonderful little sister a guy could get. Throughout the last 18 years we've certainly had our fair share of fights, but I want you to know that I always have, and always will love you sis. I am so proud of who you have become and who I know you will be. April and I wish you all the best as you move on to the next step, and we are so excited for you to be so much closer to us next fall. Congrats, Keli!

Love,  
Michael and April

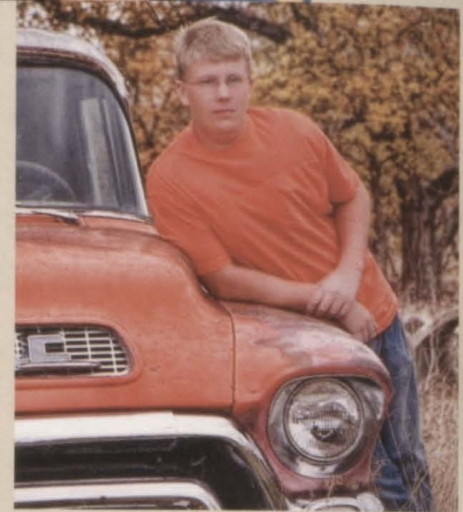

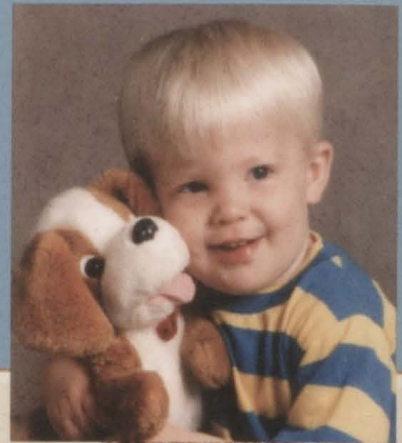

Benjamin Plinter

Dear Benjamin,

You have brought such joy to our lives. It seems like just yesterday that you were wearing a Barney shirt and eating a Big Bird birthday cake. How many times did you and your Dad watch The Lion King??? You've grown up so fast. Currently it's four-wheelers, John Deere tractors and Facebook.

Now is the time to give you some words of advice and things to consider. We want you to remember that we love you very, very much and that we will be here for you. Remember to uphold every life as sacred, work responsibly, never stop learning, always look for answers but never stop asking questions, be true to yourself and others, cherish each day and make it count; but most of all, be happy with what you do and do what makes you happy.

Mom and Dad

Braden Scott Gardner, #26

We can't believe that 18 years have already gone by. We just want you to know how proud we are of your academic and athletic accomplishments. We will sure miss you when you go off to college. Just remember if you Believe it, You can Achieve it!

We love you!  
Mom, Dad, & Raysha

Sarah Ann Eddie  
Sarah,

Although this part of your journey has ended, there are many more ahead of you. With your strong personality you will go far and achieve your life goals. We cannot begin to say how proud we are. You have brought lots of excitement and adventure to our lives. Our home will not be the same with you gone, especially your room!

Love,  
Mom and Dad

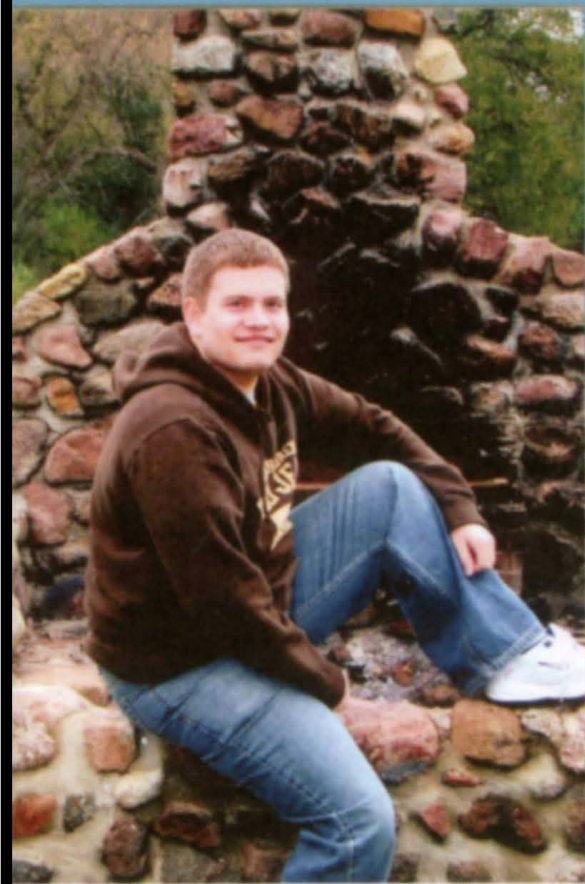

Micah Herrmann

Micah,

We are very proud of you and everything you have accomplished throughout your life. The house will be so empty without your smiling face but we know you will be out making your way into the world. Good luck with college, work hard but try to have some fun and enjoy your time in college, because once you graduate, your life will be challenging.

We love and wish you the best.

Love,  
Mom and Dad

Ethan Engel

Ethan,

We are so very proud of the wonderful young man you have become. It will not be the same at home without you here. We know that you will succeed at whatever you do. Good luck at college and don't forget to call your mom once in awhile!

We love you,  
Mom, Dad, Jesse, and Emilee

Sidney Hossle

Dear Sidney,

Congratulations! You have made it through your high school career and now its on to college! You have grown into such a beautiful young woman and have made so many people very proud. Good luck in everything you do. I love you so very much.

Katlin Rose Duffy

Dear Katlin,

You have accomplished much during your high school years. Remember all you have done and how you did it, it will carry you a long way in the future. We are sure you will achieve all you set out to do. As you do spend a lot of time with your sisters, they will miss you while you are gone so our advice is to expect late night phone calls from them! Just remember always that we are proud of you and will always be there for you if you need us.

Love,

Mom, Dad, Alison and Shannon
