GERMAN Jonas Brill was the first foreign exchange student that WHS has had in a long time. He lived with Drew DeMers (John and Sandy too) and participated in many activities here. During his time here he was a Homecoming float rider, a kicker for the football team, boys basketball team manager, a he also ran track. In addition, he was a flying monkey in the all school play. His hometown of Mainz has a population about 500,000 and is 30 minutes away from Frankfurt; it is quite different from Winner. He has a 17 year old brother, year old sister, and 9 year old brother at home.

We asked him a few questions, like: What is your favorite thing about America? - "I enjoyed football and the food." What is your least favorite thing about America? - "The length of the school days and sports practice is everyday." What did you learn here? - "What it means to play on a team and how much your religion means to you, and you proften here." How is school the most different? - "You get out later in America, the school work is easier here, and there are no sports in school in Germany." What are your favorite memories - "Both of the state basketball tournaments and playing in the championship football game in the Dome." How were your expectations different? - "The length of the state basketball game in the Dome." How were your expectations different? thought it would be nice, sunny, and full of palm trees here, and it was much colder than I expected. There was also much more driving everywhere than I thought there would be." What are your future plans? - "I plan to return to Germany and attend college for either business or sales.'

"We came into the season with high expectations and a chip on our shoulder with the way we finished the previous years. The season as a whole was beyond my expectations as it was truly dominating from start to finish. We outscored our opponents 594-26, and every game went to running clock. We were led by our defense and had the mentality we were going to shut every team down, and we did. Offensively, we were a big play team and really scored in waves at times. Our strength of schedule was questioned throughout the year and I think that added to our performance in the playoffs as we wanted to prove what kind of team we were. It was a privilege to coach this team and work with such talented studentathletes and great assistant coaches." -Head Coach Dan Aaker

Junior Chase Kingsbury

What was your favorite thing about football?

"Coming here I noticed right away everybody takes football really serious and so I felt important to be a part of this team, also praying together before and after each game."

What were you feeling before the State Championship Game?

"I was nervous because I had two not-so-good games before and I had a lot of pressure on myself to do my best I could for the team." What will you miss most about football?

"I will miss being around all of my friends I made this year the most because we got very close and they made me feel like

family to them."

COMPETITIVE DANCE

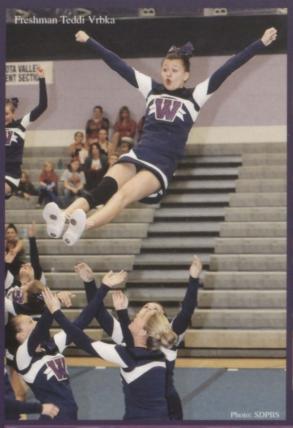

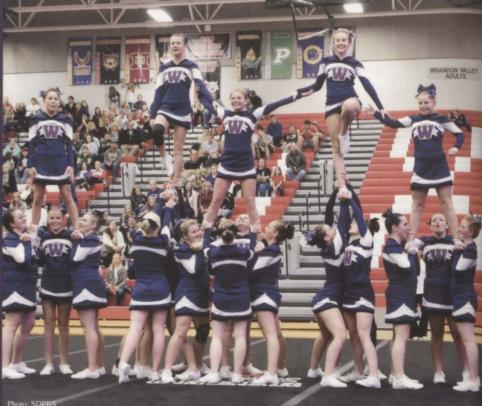

"Winner Dance teams finished their season at the State A Dance Competition on Oct 23rd in Brandon, SD. There are a total of 11 teams in the Class A division for dance. The Hip Hop team placed 2nd, Large Pom placed 3rd and Kick placed 3rd in individual categories. In the overall competition, Winner took home 4th place. Over the last several competitions, Platte, Gregory, Northwestern, and Winner had been within just a few points of each other in each of the categories and we needed to put it all together at state dance. As a coach, I am extremely proud of our placement and improvement over the year. We performed well and the competition was very close. This is a difficult sport that takes a great deal of energy, stamina and skill. These girls have attended numerous morning practices and worked hard to make this season a success. Team captains, Hayley Halverson, Dacey Kocer, and Skyler VanDenHul have put in many extra hours on choreography and practice. A special thank you goes out to them and especially our seniors Payton Eagle, Jadyn Gregg, Hayley Halverson, Dacey Kocer, and Skyler VanDenHul for their dedication and leadership on and off the floor." -Coach Cyndy DeMers

STATE CHAMPIONS

"The Winner/Colome Royals went undefeated during the season as the only loss was to Mitchell in an exhibition game. The Royals were able to slip by every team pretty handily besides the pesky Cavaliers from St. Thomas More. They were dethroned though as they were the three time defending state champion. Winner/Colome beat them 5 to 4 during the regular season and also beat them in the region championship 3 to 2. The theme of the year was the comeback kids as the Royals were able to fight back in the last innings to win ball games when it counted. Not to take it away from the championship game as the Royals beat West Central 5-4, but the game of the year had to be the opening round of the state tournament as Winner/Colome slipped past Dell Rapids by a score of 4 to 3 to win a 13 inning ball game. Seniors Reed Harter and Cameron Biggins will be missed, but the Royals look to be primed for another championship run next year."

GIRLS GOLF

"The 2016 Winner Area golf season brought about many new changes and challenges. Inclement weather during several previous golf seasons and state tournaments pushed the golf season back two weeks. Be it the hopes for better weather, or the prospect of a new coach, the golf team expanded tremendously with a total of 20 golfers from grades 6-11! With the addition of several new team members, the golf team was challenged by fresh competition. This competition led to our overall success this season. Our big highlight of the 2016 season was the State Golf Tournament in Hot Springs. Winner's standout golfers Elizabeth Jankauskas, Samantha Marts, Addy Root, Cheyenne Dougherty, and Ronae Klein (who placed 12th individually) competed in two days of sweltering heat in the southern Black Hills to finish 9th as a team. We are looking foward to seeing what the competition brings for the 2017 season!"

WARRIOR PRIDE

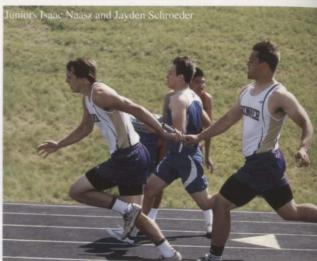

From the beginning of the year, the boys team had the goal of winning regions. Every point was crucial in order to win. Looking ahead, the coaches knew the final score would be within a few points. Three boys who haven't had to run more than 200 meters in their entire careers stepped up to compete in a 4x8 for those extra points. The boys finished Region 7A Champs. Our State Champions

After defeating Parkston, Bennet County, and Groton in playoffs, the Warriors faced the Tri-Valley Mustangs in the State Championship. Many people questioned how good Winner really was due to the fact they had demolished any team they had faced prior to championship. All this talk was put to rest when the Warriors led 31-0 at the end of the first half. The Winner Warriors went on to defeat the Mustangs 45-6 and claim the state title in the 11B Football State Championship
