Some of Dan's most treasured moments have been with those he shares the theater; countless cast members from high school productions; including his three children; community members and volunteers who run the box office, usher, and donate time and money to the playhouse; the people who encouraged him to be a part of the theater; and of course the audience members, without whom the theater would cease to exist. "I still think I'm too young to get this award, although I guess I'm not as young as I think anymore," Dan said. Well, Dan, you're only as old as you feel and either way you deserve this award. We thank you for sharing your passion and for being a part of what shapes our community and our students through the theater. Here's to the memories and many more years together.

Love Mom and Dad

## Ronae Klein

We wish you the strength to face challenges with confidence... along with the wisdom to choose your battles carefully... ## Tanner Moeller

Dear Tannerman

You changed our lives forever on May 18, 1999. You were a much-anticipated baby. I have told you this before, but it snowed on the day you were born and I think this was a sign of the impact you would make on the world!!! You have brought so much joy to our lives and we are so proud of you! You are going to do so many amazing things on life's journey. Believe in yourself and look for the good in everyone and everything. Remember to do things because it is the "right thing" to do. Help others and don't expect something in return.

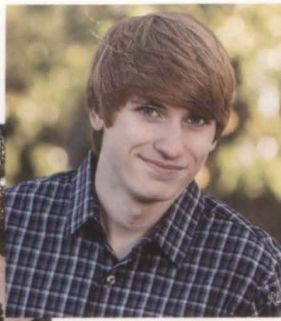

Continue looking ahead and keep dreaming BIG! Be honest, work hard and do what makes you happy! We love you!  
Mom and Dad

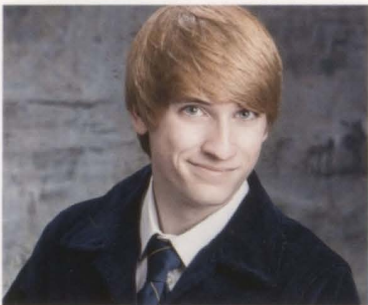

Matthew  
Hartley

We can't believe how fast the time has gone. Watching you grow up into a kind, loving, funny and smart young man has been a blessing. We are very proud of all you have accomplished, and we know that you will have many more accomplishments in the future. You have followed your goals, with passion and determination, and we know that will take you far in life. Always remember to enjoy life, be happy, work hard and whatever life holds in store for you will be much easier to handle. We are very proud of you and we love you always!!

Mom & Dad

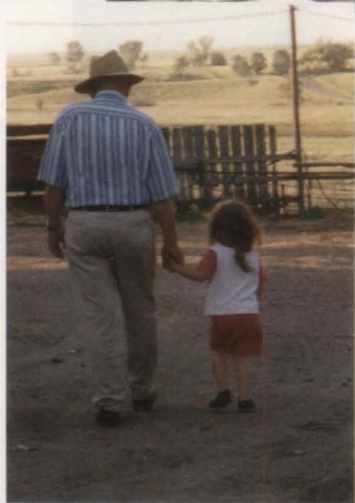

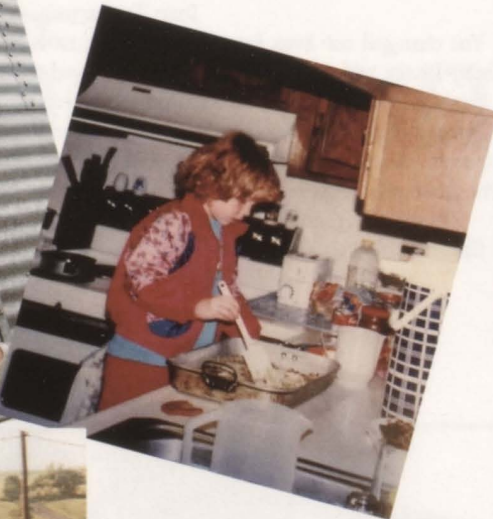

Macy Olson

Oh my beautiful Macy Mae. My blue eyed, red haired baby girl grew up so fast. I am very proud of all your accomplishments in the last 18 years. Dream big and I hope all your dreams come true. Life will throw you all kinds ups and downs but stay strong and know that I will always be here for you. I hope and pray that your future is as bright and wonderful as you are. Keep smiling that beautiful smile and most of all "Be Happy." Thank you for all of the joy and laughter you have brought to my life!  
Love you with all my heart,  
Mom

Macy Olson

Macy you've been a joy since the day you were born. I have enjoyed watching you all these years especially with your grandma and grandpa. They would be so proud of your career choice. Keep up the hard work and good things will come your way.

Love, Dad

Dalton Baker

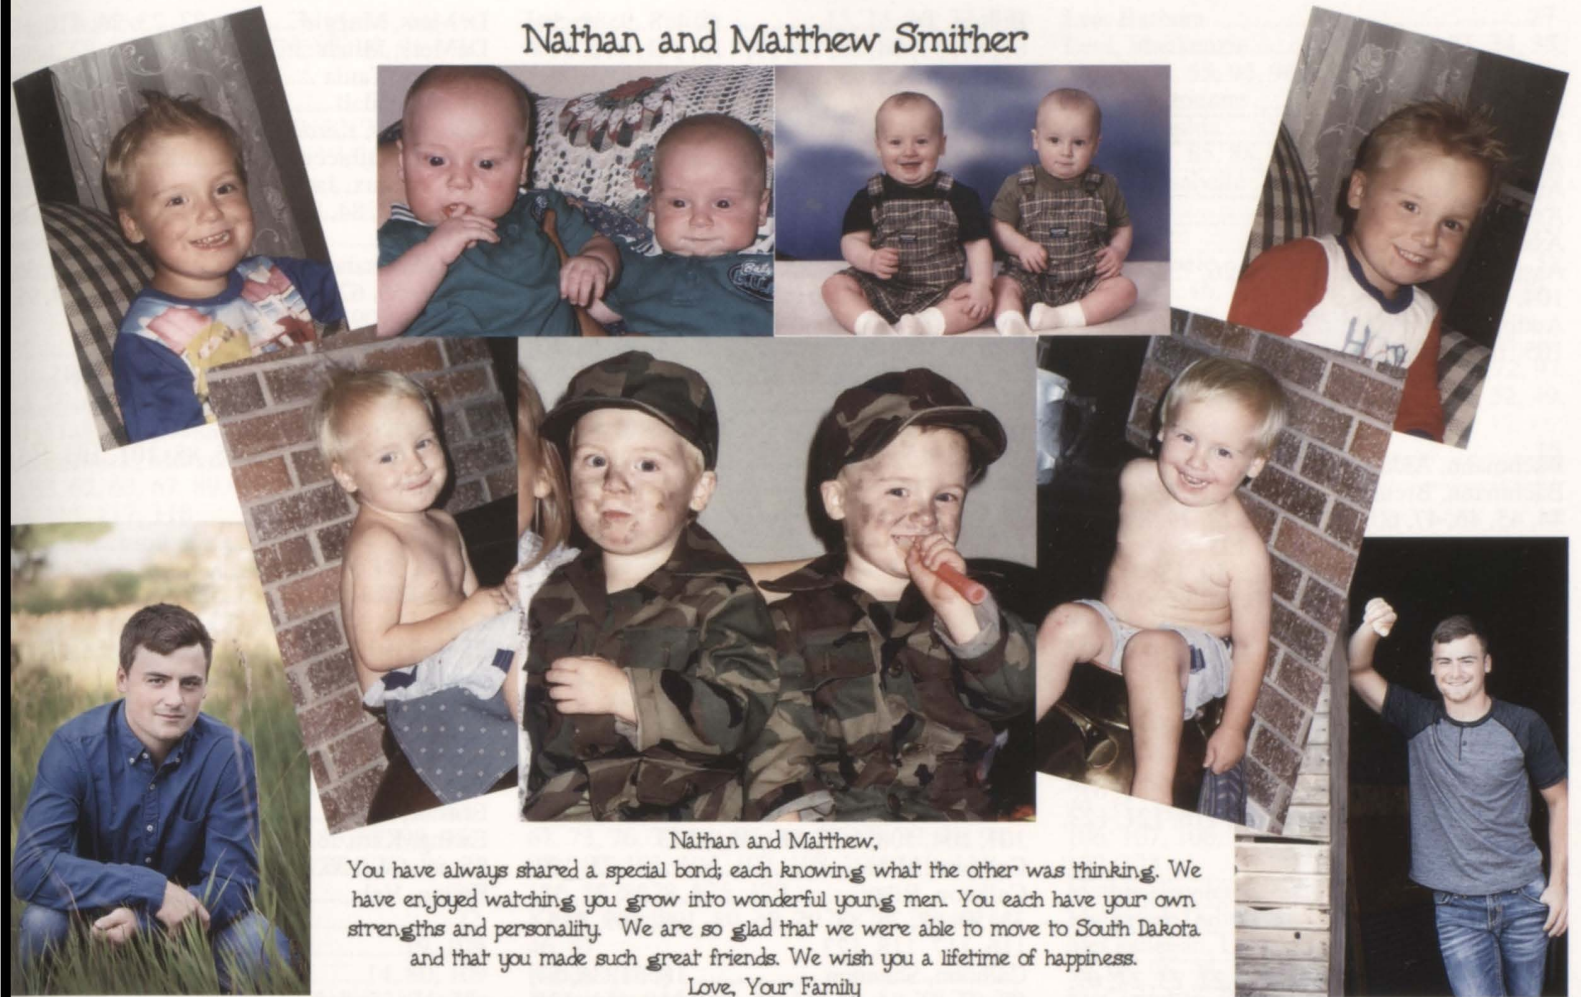

Dear Dalton -

We're incredibly blessed as your parents; it doesn't seem possible the last 18 years have gone by so quickly! We hold close many special memories of your childhood, which include watching you play ball, especially the many hours playing basketball in the driveway with your buddies. Surround yourself with people who make you laugh. Forget the bad; focus on the good. Love the people who treat you right; pray for the ones who don't. Life is too short to be anything but happy! We treasure having shared this season of your life and look forward with great anticipation your next great adventure! We love you - do what you love, be kind to others, and don't forget those who love you!

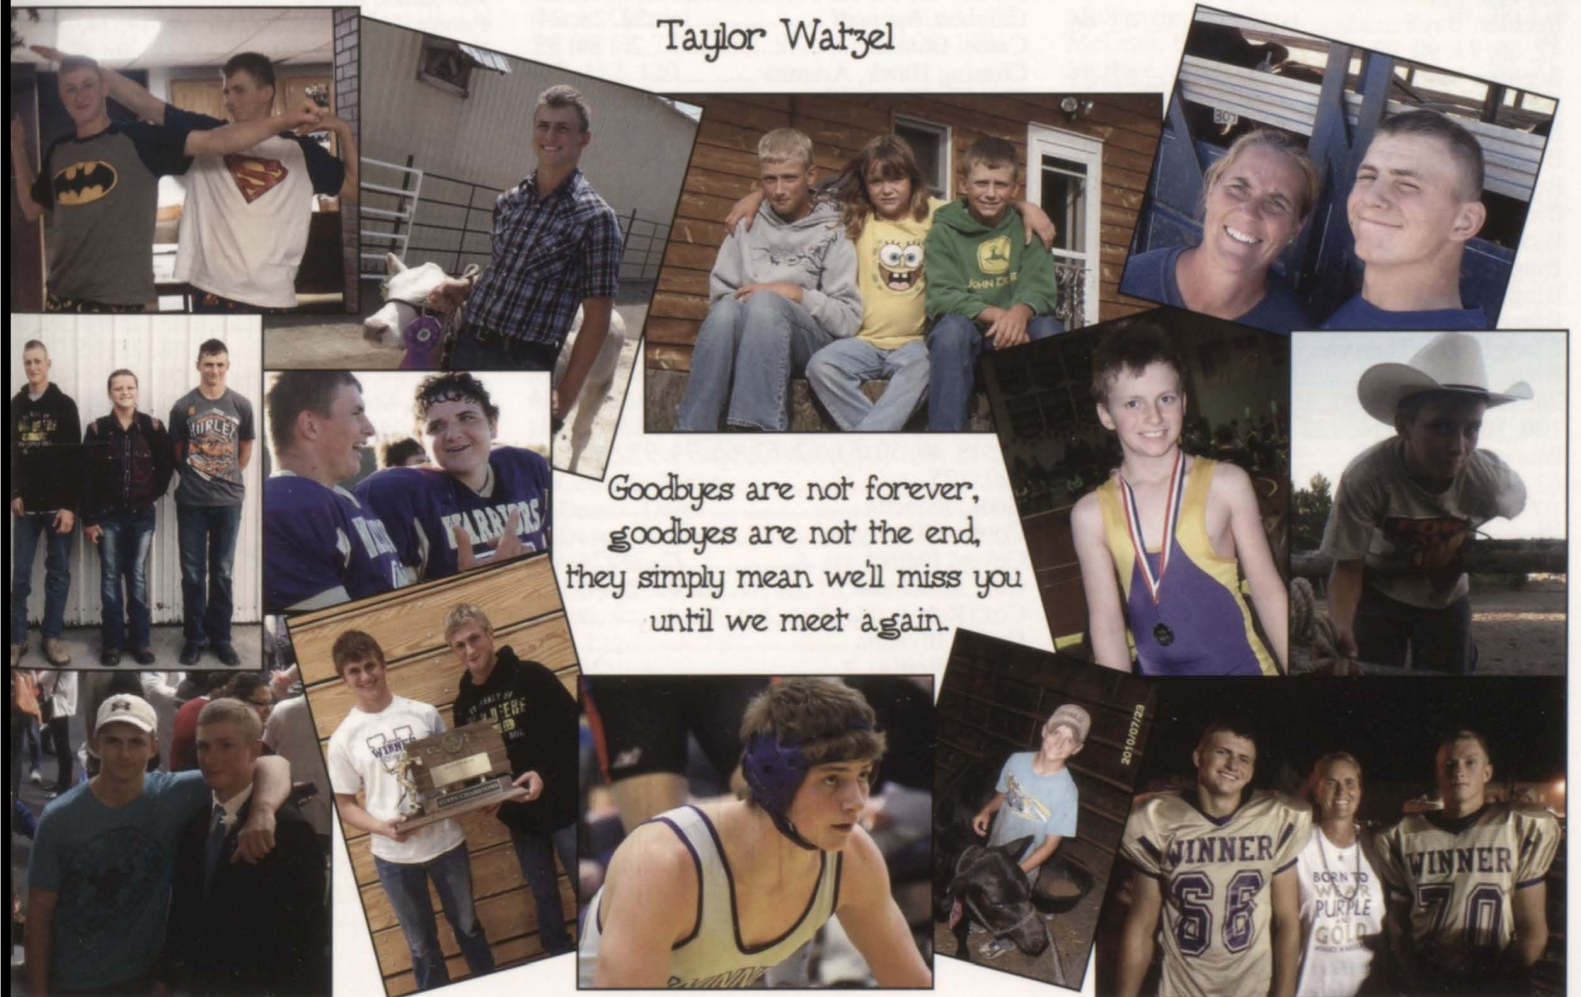

## Nathan and Matthew Smither

Nathan and Matthew,  
 You have always shared a special bond; each knowing what the other was thinking. We have enjoyed watching you grow into wonderful young men. You each have your own strengths and personality. We are so glad that we were able to move to South Dakota and that you made such great friends. We wish you a lifetime of happiness.

Love, Your Family

## Taylor Watzel
