JAYD WHITLEY

Jayd,

In a blink of an eye you have grown from our little Jayder boy into a kind, caregiving, thoughtful, handsome young man. These last 18 years you have blessed our family with many memories. We have enjoyed watching you grow, learn, and accomplish your goals. You are a very caring young man with a huge heart that has made you the man you are today. Dream big, follow your heart, and always look for that rainbow in the sky. Never doubt your faith in God and always remember He is there watching over you and will guide you. God blessed us to be your parents and we thank Him everyday for you!

Love you always,
 Dad, Mom, and Chelsey Dee

RILEY MCCLANAHAN

Riley,

We are so proud of the young woman you have become. Things have not always been easy, but you never gave up. Know that we will always support you in whatever you do. You can do anything you set your mind too. We love you.

Dad and Mom

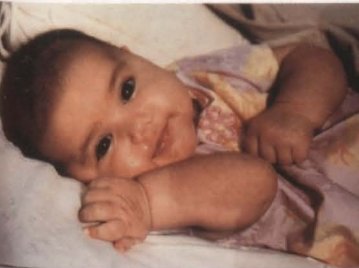

ISABELLE LEYDEN

 Once again time has gone by way too fast. We are so proud of you and all your accomplishments. You are a beautiful person, with such a big heart. We love you so much (J.P.)

CONGRATULATIONS!

 -Oprah Winfrey-

ETHAN NIEHUS

Ethan,

Time went by so fast as we watched you grow from a little baby to the young man you are today. We cannot wait to see what the future holds for you. You will be stepping into a new chapter in your life. Life is at the ready for you, and we are so proud of you! With your fun-loving attitude, caring spirit, perseverance, intuitiveness, and creativity, you will be the best! As time moves forward, so will your fulfillment of life and creativity. We love you so much. Remember we are always supporting you in everything you do!

"What would you attempt to do if you knew you could not fail?"

Love you always,

Mom, Dad, and Baronn

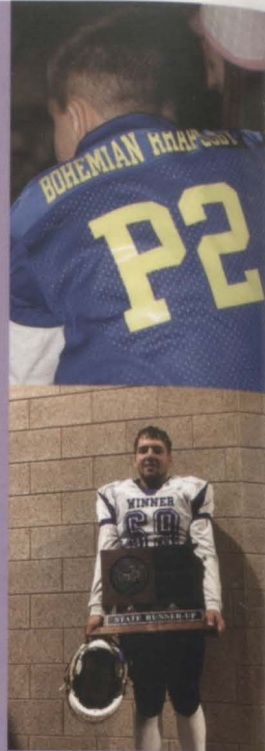

OSCAR PRAVECEK

Oscar,

It's truly been a blessing to watch you grow and mature into an adult. The greatest part of this milestone is that it's just the beginning of a very bright future. You will excel at whatever it is you choose to do; you have the smarts and you have the drive to truly be successful. We've made a lot of memories the past 18 years and have had a lot of fun doing it. We can't wait to see what your next chapter holds. Thank you for putting up with all our parenting blunders and thank you for making this parenting thing pretty fun. Keep God in your heart, remember to stay humble, the rest will take care of itself.

Love you to pieces,
Mom & Dad

LOREN MOELLER

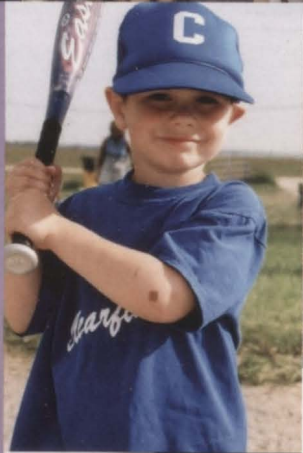

To Our Lil' Loren,
You made our family complete the day you were born. It snowed that day, and like Tanner, it is a sign you will do great things in your lifetime.

Watching you grow and mature brings us so much joy!!! You are our smart, edgy, funny Loren Paul!!! And you are our "thinker."

Remember to do things because "It is the Right Thing to Do" and always help others.

Your FUTURE is BRIGHT and we are VERY PROUD OF YOU!

Love,
Mom and Dad

MORGAN HAMMERBECK

Morgan Leigh,
We can't wait to see what the next season of life has in store for you. There will be highs and there will be lows. Pray hard, work hard, love, forgive, be thankful, encourage others, "Always be Humble and Kind," give grace, and always be YOU! We are proud of you always, and love you infinity.

"For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you hope and a future." Jeremiah 29:11

XOXO,
Mom & Dad

HEATHER ROWE

Heather,
Here it is...the freedom that you have longed for. You are ready. You are compassionate, courageous, loyal, and honest. I am so proud of you in so many ways. Watching you grow into such a beautiful soul is and has been unforgettable. Even in the most challenging times, never forget that you have a voice and the power to change things. Confidence, combined with passion to make the world a better place can be a positive force, and you have that.

Remember, believe in you like I do. <3

I love you,
Mom

RYDER MORTENSON

Ryder,
These last 18 years have flown by and we are very proud of the person you have become, along with the steps you have achieved to get where you are today. Graduation is here, you have really come far. Address each day with purpose and aim and discover and explore the opportunities that await you in life. Always be true the world is yours, with a future so very inviting and new. New moments each day are yours to explore and achieve success; just walk through that door. We are excited to see where life takes you after. We are very proud to call you our son, you have done well, and the best of your life is yet to come!

Love, Mom and Dad.

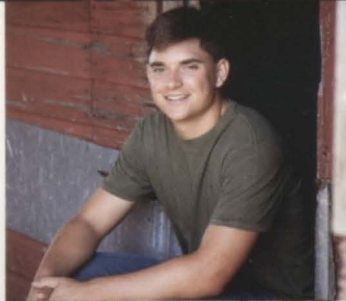

PHILLIP JORGENSEN

Dear Phillip,
It has been such a blessing for us to be a part of your life. We will cherish every minute of watching you learn and grow into the person you are now. We have such an immense amount of pride in your accomplishments as well as the man you have become. Your faith in God, your respect for others, and your love and loyalty for your family and friends truly make you the man we always hoped you would be.

As you prepare to enter this new chapter of your life, we encourage you to follow your dreams, work hard to achieve your goals, learn from your mistakes, remember your manners and to never forget the way home.

We love you,
Mom, Dad, Emma and William

DAWSON PHILLIPS

Dear Dawson (DPhill),
Don't blink because just like that you graduated and moved on to the next chapter in life. We never thought 18 years would go by so fast. We thought you were going to be kid forever. Thanks for the memories we will have of you in the school programs and athletics. We are very proud of the young man you have become and you will do great things. Don't let your fears get in the way of your dreams and believe in yourself. Your big heart and determination will lead you in the right direction, but never be too proud to ask for help. The next chapter will have challenges and great rewards. Keep following your dreams. Rope, Ride and Rodeo Cowboy!

TREVOR PETERS

Tato,
I am going to miss you. Your stubbornness, your humor, your empathy. I am going to miss watching you at football games and being in a gym all day wrestling. I am blessed to have you as a son and have enjoyed watching you grow up into the handsome and smart young man you are. Onto the next chapter. Bigger and better things await you.

Love,
Mom.

JOREN BRUUN

Joren-
When people tell us the days are long but the years are short, they are not kidding. It seems like it was yesterday when you were refusing to answer any questions at kindergarten round up! We can't even begin to calculate how many hours we have spent sitting in basketball gyms, baseball fields, football stadiums, and sandpits at track meets - not to mention the hours in the car getting to all these places. We wouldn't trade one minute for all of the joy we have gotten from watching you do what you love. Keep living your best life you will go far. We love you and you will always be our little miracle!

Mom, Dad and Brother

ETHAN VESELY

Ethan,
Wow! Where did the past 18 years go? You have brought us so much love, joy, pride, and laughter to our lives. We were so blessed when God gave us you to be our son. You are afraid of nothing in this world, and that quality is going to take you anywhere. Set your sights high, dream big, believe in yourself, and know that we will always have your back. We are excited for what the future has in store for you. Always remember that no matter how far you go or how old you get, you will always be our Little E!
Love always,
Dad, Mom, and Jackson

In all your ways acknowledge Him and He will make your paths straight. Proverbs 3:6

JACOB CLAY

Oh my gosh Buddy, where did the time go? You are the greatest gift God could have given us. To the moon and back is not big enough to describe how much we love you. We have loved every moment of the last 18 years and look forward to the next chapters in your life. Continue to be strong, kind, independent and brave. The future is yours to make, make it a great one. We are proud of you! Turn the volume up on your phone, call your mom and "Be a good boy!"
Love you...
Mom, Dad, Maggie & Sam!!

KARA EWING

Kara,
Life has flown by and Dad and I want you to know how incredibly proud of you we are. Since you were a little girl, you have always been sweet, stubborn, determined and oh so smart! Keep being you! Have faith in your ability and never stop reaching for the stars. We love you Bug - more than you will ever know and will always be in your corner! Go do great things! Love Mom and Dad

KIERSTEN DURRIN

Helloooo Honeeeeeey,
You are strong; always stand up for your principles. Know that you are blessed, and you are a gift. Remember what your knees are for, and God will watch over you and guide you in all things. When you have doubts, ask yourself that all important question, "What would Grandma Betty do?" Don't forget that no matter how far you go, home will always be here.

Love you always,
Dad and Mom

HEADLINES

A LEGEND LOST

Kobe Bryant and his daughter, Gianna Bryant, are killed in a helicopter crash along with seven others on January 26, 2020. Bryant is widely regarded as a basketball legend for his 20-season career with the Los Angeles Lakers and is the all-time leading scorer in Lakers franchise history.

FASTEST FINISH

Eliud Kipchoge finishes the Austrian INEOS marathon in 1 hour, 59 minutes and 40.2 seconds. He is the first human in history to run a marathon in under two hours. According to a team of pacemakers who keep up with Kipchoge throughout the ordeal, he runs a pace of 4:33.5 minutes per mile to finish the race ahead of schedule.

HISTORIC SPACEWALK

Astronauts Christina Koch and Jessica Meir complete the first spacewalk with an all-woman team. This is Koch's fourth space walk and Meir's first. NASA Administrator Jim Bridenstine mentions that NASA's Artemis program is currently working to land the first woman and the next man on the moon in 2024.

ROLL BACK THE CLOCK

In October, California's Governor signs a bill becoming the first state in the nation to pass legislation that prohibits public schools from starting too early. The bill mandates that middle schools can start no earlier than 8 a.m., while high schools will be prohibited from starting any earlier than 8:30 a.m. Public schools have until the start of the 2022 school year to adjust their schedules accordingly.

NOTRE DAME DESTRUCTION

A mammoth blaze tears through the Notre Dame Cathedral in Paris, nearly destroying the 850-year-old landmark. The church's wooden latticework roof and iconic spire collapse, but many of the valuable cultural treasures avoid damage with some kept safe at the Louvre Museum. French President Emmanuel Macron would like the Notre Dame Cathedral to be rebuilt in five years, but restoration experts believe it could take 10 to 15 years. More than \$700 million is collected in donations for the reconstruction, including \$100,000 from the University of Notre Dame in Indiana.

GLOBAL FIRES

Massive wildfires rage on two continents: in Brazil's Amazon rainforest and across Australia. This year the Amazon rainforest experiences the highest number of fires since Brazil's National Institute for Space Research began keeping records in 2013, which burn 2.2 million acres. The Australian bushfires primarily affect the state of New South Wales and 12 million acres are burned as of January 2020. New South Wales is home to Australia's most populous city, Sydney.

LOST CONTINENTS

Douwe van Hinsbergen – a geologist at Utrecht University in the Netherlands – and his colleagues discover a lost continent known as Greater Adria while studying rocks beneath the Mediterranean Sea. Approximately 140 million years ago, Greater Adria and southern Europe collided, burying Greater Adria in the process. Most of the continent sank beneath what is now Italy, Greece and the Baltics. Analysis of ancient rocks suggests that almost all of Earth's earliest continents might have disappeared, leaving traces behind like certain rocks found on the Alps.

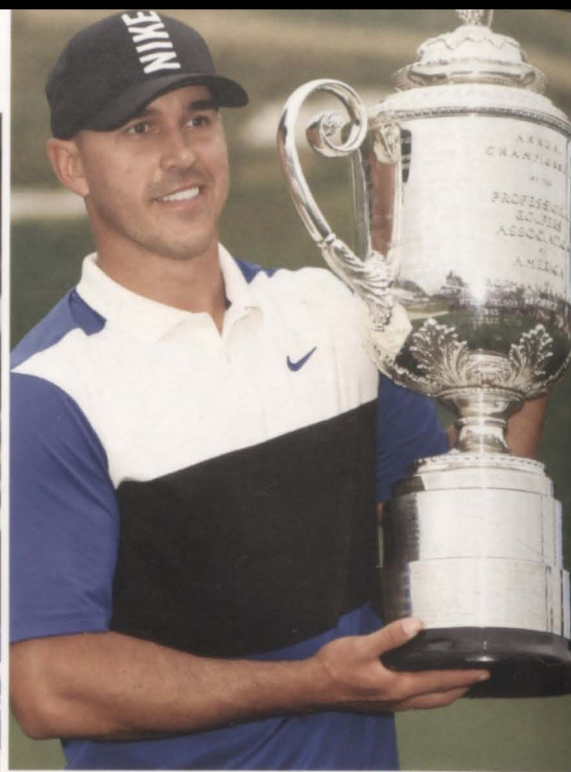

SPORTS

PHOTO FINISH

Lawrence Cherono wins the 2019 Boston Marathon in the third-closest finish ever, edging out Lelisa Desisa by two seconds. A review of the photo finish is needed to confirm the winner.

BACK TO BACK BROOKS

Brooks Koepka is a back-to-back winner of the PGA Championship. This is his fourth major win in 23 months, a milestone only four other golf greats have reached: Ben Hogan, Arnold Palmer, Jack Nicklaus and Tiger Woods. This is the first repeat PGA Championship winner since Tiger Woods in 2007.

WOMEN'S WORLD CUP

USA defeats the Netherlands 2-0 at the FIFA Women's World Cup. This is the fourth World Cup win for the U.S. Women's Soccer team and their second straight World Cup title. Co-captain Megan Rapinoe and team member Rose Lavelle score the two winning goals.

KINGDOM COMEBACK

The Kansas City Chiefs defeat the San Francisco 49ers 31-20 in Super Bowl LIV. This is the Chiefs' first Super Bowl win in 50 years and also signifies the end of the NFL's 100th season. Quarterback Patrick Mahomes joins Ben Roethlisberger and Tom Brady as the only quarterbacks in history to earn the Lombardi Trophy before their 25th birthdays.

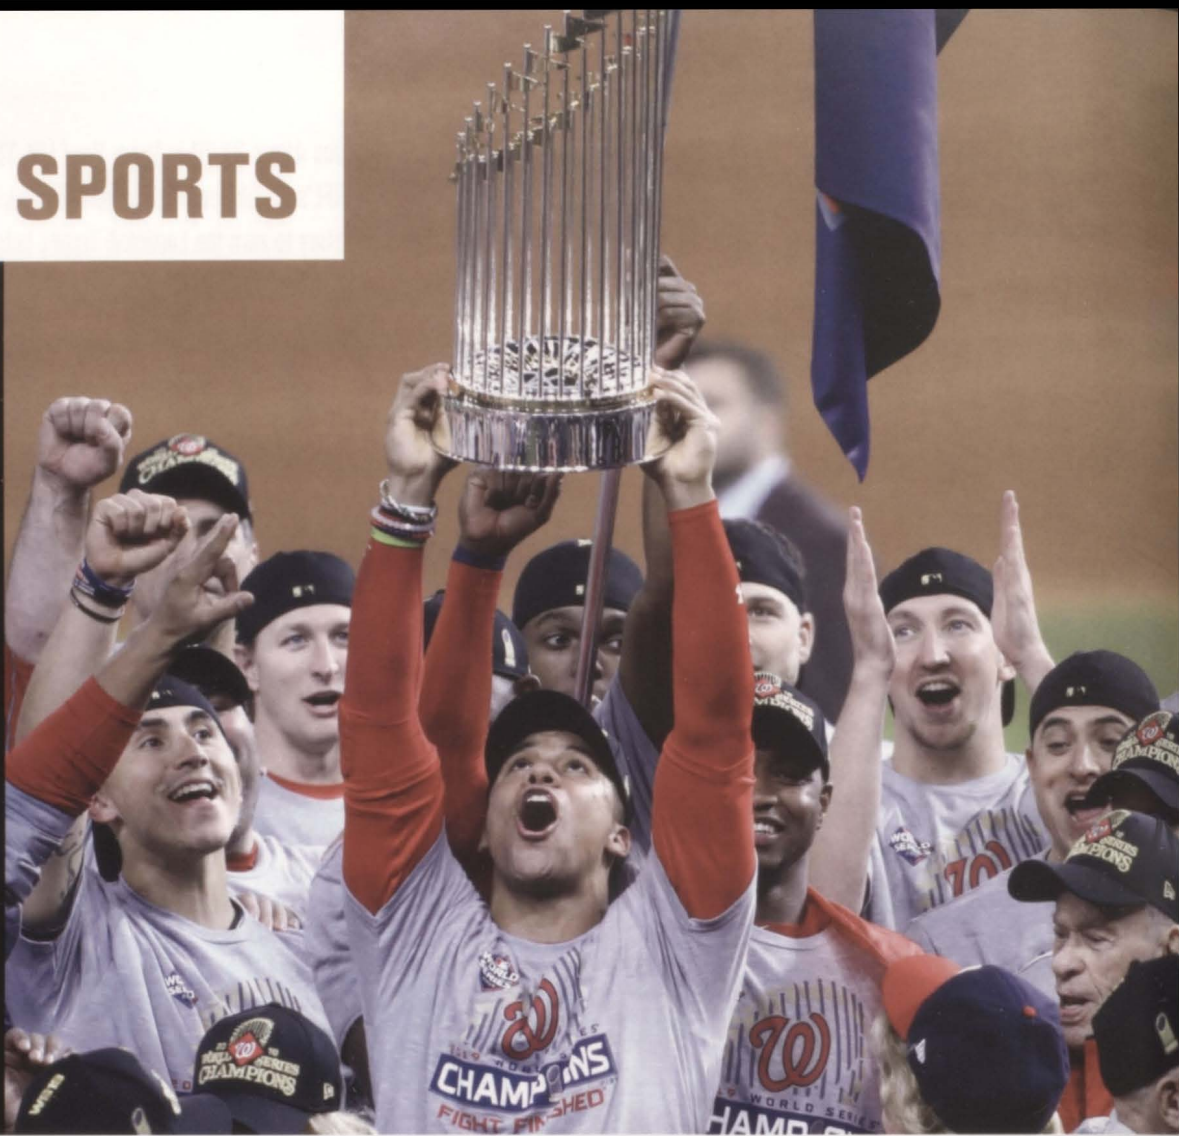

COLLEGE FOOTBALL

The LSU Tigers defeat the Clemson Tigers 42-25 to win the College Football Playoff national title. LSU's win breaks Clemson's 29-game winning streak and crowns LSU as National Champions for the first time since 2007.

SPORTS

WORLD SERIES

The Washington Nationals defeat the Houston Astros 6-2 to earn their first World Series title in franchise history. This is also the first time the road team has won all seven games of the World Series.

RESOUNDING VICTORY

The Seattle Sounders defeat Toronto FC 3-1 to win the 2019 MLS Cup. This is their second Major League Soccer Cup win.

YOUNG TENNIS STAR TRIUMPH

Cori "Coco" Gauff, 15, makes history defeating five-time Wimbledon champion Venus Williams, 39, whom Gauff calls her idol. Gauff is the youngest player to win in the first round of the women's singles since 1991. In October, Coco wins Austria's Linz Open, becoming the youngest woman to win a Women's Tennis Association Title since 2004.

HISTORIC HEIGHTS

Simone Biles wins five gold medals at the 2019 World Championships, more than any gymnast at a single World Championship since 1958. She also earns her 25th career World medal, 19 of which are gold, a total that surpasses any gymnast in history. While winning her sixth U.S. all-around title in Stuttgart, Germany, the 22-year-old gymnast successfully lands two historic gymnastics moves: the double-double dismount off the balance beam and the triple-double on floor. Her landing of the triple-double move on floor is dubbed the Biles II in the FIG Women's Artistic Gymnastics Code of Points. She also has a floor element named the Biles.

A NEW WAY TO APPLY

McDonald's announces a new initiative it is calling the "Apply Thru," where owners of Amazon Alexa or Google Assistant devices can begin job applications using standard "Alexa" and "Ok Google" voice commands. The company is also investing in ways to automate its self-order kiosk, mobile app and drive-thru experiences.

Scientists from Dresden University of Technology in Germany develop a 3-D bioprinter capable of producing human tissue. Scientists design this technology specifically for future astronauts experiencing low gravity conditions.

AMAZING ADVANCEMENTS

Two successful experimental treatments are offered to Ebola patients in the Democratic Republic of Congo. Scientists note that 90% of those infected can ultimately be cured with these treatments.

OUT OF THIS WORLD ANNIVERSARY

Fifty years ago, on July 20, 1969, about half a billion people across the globe – about one-seventh of the Earth's population at the time – watch NASA astronauts Neil Armstrong and Buzz Aldrin become the first humans ever to set foot on the moon as part of NASA's Apollo 11 lunar mission. The 50th anniversary celebration is marked with numerous events across the U.S. over five days. NASA restores the Apollo Mission Control Center to appear as it did during the original television broadcast of the moonwalk, to the delight of visitors to the Space Center Houston.

ROBOTIC DOORSTEP DELIVERIES

As self-driving vehicle technology rapidly advancing, many companies are turning to autonomous robots for the final leg of the delivery process. Often called the last mile, this stretch is usually from the store or local distribution center to the customer. The latest company to join the trend is e-commerce giant Amazon. Following a successful eight-month test run in Snohomish County, Washington, the company's Scout robots have been making the rounds in Irvine, California since August 2019.

ROBOBEE

MINECRAFT COMEBACK

According to Google trends, online searches for *Minecraft* peaked in 2012 and 2013. They have been on a steady decline since until 2019. In September, Google searches for the game boosted to 76% of their all-time high. It surpassed even *Fortnite*, arguably the most popular game in the world in 2018. This family-friendly game has 176 million copies sold as of May 2019, making it the second-highest game ever, under *Tetris*. Many companies choose to advertise on the game, as it is not violent or controversial. Younger audiences have gained interest with well-known YouTube personalities attracting new users and creating a widely popular weekly Minecraft tournament series known as "Minecraft Monday."
