Clubs and Organizations

We started our year by having a meeting with all of the people in the school that would like to join yearbook to see who was going to be on our staff. Then the editors started to think about the number of pages and the order they should go in which is called the ladder. The ladder is one of the most important parts of the yearbook because it shows how many pages that we need ads for and where they go. To make the yearbook possible we have to sell ads. We converged on businesses throughout the community to try to sell page sponsorships (the box at the bottom of this page). After we have sold all the ads that our book can hold, we can start to work on layouts. Designing layouts is the first step in page construction. Then come the countless pictures, the painfully written captions, the oh so easy indexing and the "we will never get it perfect proof stage". Many hours of work goes into getting just one page completed. We were not all work though. There were many days where we were brain dead from working so hard that we got a little crazy. We did have that Cupcake War. We have had many crazy conversations that teachers have walked in on. During the summer we also had to have mandatory "Call Me Maybe" breaks. Now that we are sitting in school in the summer finishing the book, we realize how much work goes into making this yearbook possible and we would like to thank our advisor Mrs. Durrin for putting up with us. Most of all we would like to thank everyone that gave us so many pictures this year!

We kicked off the interper season at our local contest, the Winner Invitational, at which we preformed well. After two weeks of perfecting our acting skills, we headed to Sioux Falls Lincoln. At Lincoln, we had a lot of fun and Molly and Natalie make it to the semi-finals! Then we had a contest in Pierre, where Hannah, Molly, and Natalie placed. Followed by our first ever competition at Sioux Falls O'Gorman. Everyone did well and this was our last competition before Local Elimination so we used this as an opportunity to improve. Local eliminations occurred shortly after, and it was sad to watch some people's season end, while others moved on to the next level. At regions we did our very best, but only three people moved on to state in Pierre. The first day at state Hannah performed her drama piece "Guilt" which got a superior. Molly's performance of her poetry "Something to Cheer About" received an excellent. After the awards from the first day we headed to Perkins. Everyone went to bed surprisingly early that night, 12 o'clock. The next day started with my serious prose "We Were Just Kids" which received a superior. Since we received two superiors, we were awarded a team excellence trophy. It was presented to our amazing coach Mrs. Duffy. We would not be where we are without her guidance. This ended our 2011 season. We will miss our only senior, Sara. We had a very good year for Oral Interp.

You should be proud!

Junior Molly English and sophomore Natalie Gronlund show off their medals for making semi-finals at Sioux Falls Lincoln.

At the beginning of the year we held our first monthly meeting complete with pizza and talked about upcoming commitments like the Stage Fright float for the Homecoming parade. Members worked hard on the float following the board game theme of Twister. We had many members participate in the One Act Plays in January. Stage Fright members helped with One Acts by designing the program, helping the actors and actresses with hair and makeup, and handing out programs. The three performances of the plays went very smoothly with the help of our members. A few short weeks later we were starting work on the all school play. Members were spending their afternoons working in the playhouse, and their nights working on memorizing their lines or practicing their vocal performances. The play went beautifully and the cast received many compliments. Then at the end of the year we started to plan our annual Stage Fright Banquet. We chose a theme of a murder mystery. The food, we decided, was to be prepared by our advisor Dan Patmore. This would include chicken and crab. After we ate and watched our end of the year PowerPoint. We played a game of real life Clue. After many rounds of playing, Josh found out that Teresa Teal (Molly) was the murderer with the drill in the bowling alley. Then we presented awards to many great Stage Fright Members. We want to congratulate our two seniors that are graduating Sara and Sarah. This year was a great experience and we look forward to next year.

Junior Trevor Larson folds programs for the play to earn Stage Fright points to get his Stage Fright pin.

This year was a really fun year for the Quiz Bowl members. We started the year with a meeting to see who would like to be in Quiz Bowl. We started our competitions by going to the Stanley County Academic Challenge in Fort Pierre. As a team we ended up winning the test portion of the challenge because we had the most people place in the top five in the tests. In most Quiz Bowl tests one has to be enrolled in the class to take the test. We were really surprised that we were able to win the test portion because we did not have anyone taking the freshman tests because we did not have any freshmen in Quiz Bowl this year. Then in the Quiz Bowl portion of the day we did not win, but we did do a very good job of representing Winner High School. Then the second and last competition we attend for the year was in Burke. We had several people take home many top finishes. One of the many highlights was Taylor Long Crow and Lexie Heinle taking first and second in the calculus test. Taylor Long Crow placed first overall, Josh Curtis placed second, and Lexie Heinle finished in third. We were very happy with how the test portion went. We also did very well in the Quiz Bowl portion, but we did not finish first. Robin Curtis did a great job advising us this year, and we would like to thank her for what she does for us. As a team we are very excited for next year.

Good Work Shayden!

Sophomore Shayden Drey accepts his award for placing at the Academic Challenge in Stanley County.

Take the trophy and run

Senior Lexie Heinle takes her trophy at Stanley County.

We started our year with Michelle attending Nationals in Anaheim. During that time we also had three members attend training for a grant we received called "We Can." It was about eating right, playing more, and reducing screen time. When we started the year, six members attended Fall Leadership in Rapid City where we learned leadership skills and Cheyenne Needham attended Career Peer Education training. During this time we spent a lot of time working with our grant and our Student Body National Program. When the Winter came, we worked at concession stands selling food and "Links of Love." In December after months of preparation Michelle presided over the District VI meeting in Gregory as Chairperson. Josey Blare was chosen as the 2012-2013 Chairperson with Natalie serving as Co-Chair and Secretary. Winner FCCLA was approached to be a part of a pilot project called "Teens As Teachers" where eight members taught students about healthy eating. Then we were notified that the Winner Chapter had won first place in the National Student Body Program. We will receive our award at the 2012 National Leadership Conference in Orlando. At State we found out that Matt had made it into run-offs in his Career Investigation. He was in the top three and did a great job. We also had four people make a "Peer Ed Team" this year: Matt, Michelle, Natalie, and Emilee. Michelle retired as State Vice President of Individual Recognition, and Josey was installed as State Secretary. At the end of the year we had our annual banquet where we recognized the members for all their hard work.

Working Hard? or Hardly Working?

Junior Brooke Schroeder, sophomore Matt Jensen and senior Ariel Swallow work on a poster.

This year we had a lot of fun and new experiences in FFA. We started off our year by going to the National FFA convention. Along the way we stopped at the John Deere plant in Waterloo, IA where we were able to see the complete assembly of the tractors from start to finish. After fourteen hours of driving we finally arrived in Indianapolis. We were honored to see WHS graduate and National FFA Central Region Vice President, Wyatt DeJong, give his retirement address. We were able to snap some pictures with Wyatt, and he gave us a special plaque to remember him. We were also able to take great tours while there like the genetics lab, and the large hydroponic vegetable farm just outside of Indianapolis. There was also a career fair with tons of booths, and the National FFA gift shop. We also competed in Fall CDE's in Mitchell and attended a land judging contest for the first time. We hosted an open house where we told stories about the National Meeting, sold slaves, and served spaghetti to everyone. In the spring we began preparing for state FFA. Our livestock and horse judging teams spent an afternoon at Larson Ranch where we brushed up on our judging skills. At state Grant Toman received a gold on his Diversified Livestock, Ryan Taylor placed 3rd for Ag Sales, and Trevor Larson placed 1st in his Beef Placement. At state we were also able to participate in the "Kids Against Hunger" food packaging line where we helped package meals for hungry kids across the nation. In May we held our banquet and thanked the community for its support. We installed new officers and Mr. VanDeWalle received a plaque for his time as our advisor. We can't wait to see what next year has in store.

Pump it up!
Freshman Dusti Littau, sophomore Cassidy Hanson, and junior Kristin Hennebold dance at the Sioux Falls competition.

Aaaahhhh Dance! We started off with a crazy week of learning our dances at the elementary school. Some of the other things that we did during this time were 80s day, pajama day, superhero day, and twin day. The joys of 7:00 in the morning, warrior time, and lunch practices! One thing we will probably never forget was the time we were performing "Raining Men" and waiting for the music to start. They had some major technical difficulties, and it was almost ten minutes before it finally started. There was another incident where we were waiting for some coaches of the opposing team to get off the field before we could start our dance. We learned to be quite the patient people this year! When we all put our minds to it, we thought of some really cool ideas. Performing "Party Rock Anthem" in the dark with glow-sticks, light up pom-poms, and goofy light up glasses was one of the ideas we came up with. Another one was when we performed "Raining Men" at the wrestling tournament under the spotlight. Dancing competitively was something new this year and was really an exciting experience for all of us! We were nervous when we competed at Brandon Valley and Gregory. We performed many times before, but this wasn't just in front of our home town. After seeing many groups perform, we were pretty much amazed. Between hip hop, jazz, kick, and pom, there were so many cool things that we got to see! We were also invited to go to Sioux Falls to perform at State A Boy's Basketball this spring, which was probably the highlight of our season! We also found out that between competitive dance and cheer team, you use A LOT of hair spray! Sorry Mrs. DeMers! We all had a lot of fun this year just being able to do all of this together.

Choir

Choir was really great this year and we really enjoyed it. At the beginning of the year we had eight people that were members of All State Chorus which is a great honor. We sang at the 9-11 memorial service. At the Veterans' Day service we also sang at the assembly to honor the veterans that fought for our county. Then one of the next things we did was have a few members attend the Region V Music Festival in Gregory. The members that went represented Winner High School really well. December 5th was the date for our Christmas concert. We sang various Christmas music, and the audience really enjoyed our performance. Then we spent a lot of time working on solos, duets, and ensembles for Vocal Contest in Kimball on February 8th. Then in March we had our spring concert that was well attended, and we sang some of the best songs from Vocal Contest. As a choir we preformed our concert music at Large Group in Chamberlain. We received an excellent rating for our hard work. Then we sang a couple of songs at the Variety Show that was put on by the Music Boosters. We were then at our final concert of the year, the Pops Concert. We had a country theme. The final thing we did this year was sing at graduation. Seniors Taylor Long Crow and Sarah Calhoon had solos in the song "For Good" from the musical *Wicked*. We had a really great year and would like to thank our director Vicki Covey for all her hard work.

Band

The WHS Band added a new member to the family this year with the addition of our new Director Jackie Yeo. We are going to be her first full time band class. The first thing we did this year was work on our marching band skills. We marched in the Labor Day and Homecoming parades. There were a couple of football games that we played at. At the first game of the season we wore our marching band uniforms. Ms. Yeo also taught us how to use lyres and flip folios during football season. Then we started to get ready for our first concert of the year which was our Christmas concert, while also trying to be prepared for various pep band performances at basketball games. At the Christmas concert we played "Veni Veni", "God Rest Ye Merry Gentlemen", and "Christmas Classics". Then we spent some time rehearsing various solos, duets, and ensembles for Instrumental contest in Parkston. We came home with three superior ratings. Then we preformed at our spring concert and Large Group Contest in Chamberlain. In Chamberlain we received an excellent rating. Then we had a lot of fun working on what we wanted to do for our Pops Concert in May. We decided on a Jungle theme for the event. The band performed "George of the Jungle", "Tarzan", and "Jurassic Park" after many weeks of preparation. Throughout the year we also did two fundraisers where we sold frozen food and chocolate bars. The last week of school we had a end of the year potluck, and played various games.

State A Boys Basketball

There was a lot of exciting games this year at State A's. The Warriors were part of two overtime games. In the consolation semifinals, they faced Tri-Valley who lost in a previous double overtime game to St. Thomas More. The Warriors went in to double overtime with the Mustangs but couldn't finish it out and they lost by a bucket. In the 7th place game, the Warriors faced their conference foes from Chamberlain. Although earlier this year the Warriors were able to beat the Cubs, they just couldn't do it twice and they lost in overtime. Senior Kyle Mathis was named to the All Tournament team. This year's team broke nine team records-offensive and defensive rebounds, total rebounds, total put-backs, steals, deflections, and recoveries, 3 pt. field goals, and most points in a whole season. Austin Schroeder set single season record for put-backs and offensive rebounds and Donovan Brother Of All set and broke a single game record for steals in the game against St. Francis in districts. Mathis, Schroeder, and Connot were named All Big Dakota Conference. Coach Drake also made history by winning his 400th game this year. The team consisted of seven seniors, of whom six of them were honored as academic all state. The seniors were part of three consecutive State A appearances throughout their basketball career. The cheerleaders this year were all seniors, and won the Spirit of Six award. While the Warriors didn't set out for eighth place, they still consider their season a success.

The 2011-2012 Winner High School Yearbook Editors would like to thank everyone on our staff that has spent countless hours writing captions and proofreading pages. The editors would like to thank Mrs. Durrin for all of the long hours she has spent helping us create our pages and providing food for us. It was delicious. Mrs. Duffy, we really appreciate your taking care of yearbook orders and book distribution. A huge thank you goes to Dan Bechtold at the Winner Advocate for the innumerable pictures he has provided for us to put into the yearbook. To Betsy Senter and the staff at Southern Exposure Photography thank you for all the pictures you have taken us and for your many years of service to WHS. Thank you to everyone who has provided us with pictures, especially Kara Connot, and Sharon Naasz, and to everyone else that has helped with the yearbook in one way or another. We hope this book will be a treasure to last a lifetime!
