Gordon Horgen Memorial Science Scholarship

This scholarship is meant to honor the legacy of scientific education brought to students of Winner High School by Gordon Horgen during his 41-year career as an educator and mentor in the various sciences. Gordon taught at Winner High School from 1961-2002. He was an outstanding chemistry and physics teacher and was easily recognized wearing his trademark white lab coat. Mr. Horgen was also the first computer teacher at WHS. In 1971, Gordon was named the SD Outstanding Young Educator and in 1987 he was presented the SD Outstanding Physical Science Teacher Award by the SD Academy of Science. Mr. Horgen was described as the consummate teacher, always looking for a way to reach students and to help them find success.

A \$1,000 scholarship will be awarded to a qualifying Winner High School student who plans to attend a school of higher education (to include industrial, technical, and four-year accredited universities) and will be pursuing a college degree in a scientific or mathematical field including anyone planning to become a science or math teacher. The scholarship will be paid to the registrar of the college or university at the beginning of the second semester of education. Please return your completed application, an official copy of your high school transcript, resume, and 1 letter of recommendation to your high school guidance counselor. **APPLICATION DEADLINE IS APRIL 1ST OF GRADUATION YEAR.**

Name		Grad	Graduation Year
