

# MARGARET NOVOTNY MEMORIAL SCHOLARSHIP

## Scholarship Guidelines

1. Margaret Novotny has established a trust account with the Winner School District for scholarship purposes. The interest accrued each year from this account will be awarded as a scholarship to a student chosen by the Selection Committee. In addition to the original account deposit there will be added monies received at the time of the death of Margaret Novotny. In the event the Selection Committee chooses not to award a scholarship for any academic year, the accrued interest will be added to the original principal.
2. The high school guidance office will make application forms available. Completed applications will be returned to the guidance office by April 15 of each year.
3. The Selection Committee will be composed of:
  - A.) A school representative selected by the high school counselor.
  - B.) A representative from the Parish selected by the Parish Council.
  - C.) A representative from the Catholic Daughters organization.

The Committee members will act independently of one another in making their selection. Completed application forms will be duplicated and given to each Selection Committee member following the April 15 deadline by the school counselor. Committee members will return the forms to the school counselor.
