SPONSORSHIP ADDED VALUE

The GCS Booster Club appreciates the willingness of businesses in the community to support the GCS athletic program. We believe it's incumbent upon us to do the best job we can in delivering our sponsor's message to the GCS family. We are always looking for opportunities to go above and beyond the agreed upon contractual obligations to give the sponsor more than what they expect.

Sponsor recognition from the public address announcer (above and beyond the announcements that are part of the sponsorship package) during home games when announcements are made.
