

Charlotte-Mecklenburg Schools
 Interscholastic Athletics
Coaches' Honor Code

This honor code must be signed by all coaches, (including unpaid) before they may coach the first contest of a season.

SCHOOL _____

SPORT _____

I understand the eligibility requirements for students to take part in interscholastic athletics in Charlotte-Mecklenburg Schools. I understand the rules about recruiting athletes. If I had any questions about eligibility or recruiting rules, my athletic director has answered them.

By signing this honor code, I promise that:

- I have made my best efforts to assist in determining the eligibility of all students on my team.
- I have not recruited any student-athletes for my team.
- I do not know of any student-athletes on my team or their parents who have given false information regarding residency or athletic eligibility criteria to the school.
- To the best of my knowledge, all student-athletes on my team are legitimately assigned to this school.
- I have told my team parents that the home addresses they give to the registrar and the athletic director at my school must be where they and their students are actually living today and that it is their responsibility to keep their addresses updated.
- I will immediately report all known or suspected eligibility violations to my principal and athletic director.
- If I am a non-faculty coach, I have successfully completed and been approved through the CMS volunteer screening system.

Further, I am aware that if I:

- give false information regarding athletic eligibility to my school, or
- assist in the giving of false information regarding athletic eligibility, or
- do not report the use of false information regarding athletic eligibility by others, my entire team and I may be subject to severe sanctions by the North Carolina High School Athletic Association and by Charlotte-Mecklenburg Schools.
