

Congratulations to the athletes that made the team, and we thank all athletes that came out and gave it their best to make it. Below is the final list for this year's golf team. If you see your name you have made the team. Congratulations!

For those that have made the team tomorrow there will be a mandatory parents meeting, in the gym at 5:30. Please make sure to be there so I can get you all the information you need, and so coach can get you all the information he needs. Reach out if you have any questions.

## AGMS 2025-2026 Golf Team
