

GOLD SHIRT INITIATIVE

At Carey we are proud of our outstanding student athletes, and we want to recognize their hard work and dedication to our volleyball program. In order to become a Carey Goldshirt for the 2025 season, student athletes need to do the following:

- **No Failing Grades**
 - A student athlete's name appears on the eligibility report
- **No Behavior Referrals**
 - Referrals that result in disciplinary action by the principals such as community service, ISS, and OSS
- **No Unexcused Absences**
 - If a student athlete is going to be absent, coaches need to be notified.
- **Line Judge**
 - Student Athletes line judge for at least 1 match (2 sets). This can be done at any home match or tournaments.
- **Set-up and Break-down**
 - 7th graders will set up the nets at practice and 8th graders will put them away. At home matches whoever plays will set up and break down.
- **Have a positive attitude**
 - Coaches do not have to contact home over behavior issues in the locker room, at practice, and at games.
