POLICY No. 317
School Meals Policy

534 SCHOOL MEALS POLICY

I. PURPOSE

The purpose of this policy is to ensure that students receive healthy and nutritious meals through the school district's nutrition program and that school district employees, families, and students have a shared understanding of expectations regarding meal charges. The policy of the school district is to provide meals to students in a respectful manner and to maintain the dignity of students by prohibiting lunch shaming or otherwise ostracizing the student. The policy seeks to allow students to receive the nutrition they need to stay focused during the school day and minimize identification of students with insufficient funds to pay for school meals as well as to maintain the financial integrity of the school nutrition program.

II. PAYMENT OF MEALS

- A. All meal purchases are to be prepaid before meal service begins. Payments may be made to the office manager via check or cash.
- B. If the school district receives school lunch aid under Minnesota Statutes § section 124D.111, it must make lunch available without charge to all participating students who qualify for free or reduced-price meals regardless of the account balance.
- C. The school district will accommodate special dietary needs with respect to alternate meals. The cost of the alternative meal, current standard lunch price, will be charged to the student's account or otherwise charged to the student.
- D. A student who has been determined to be eligible for free and reduced-price lunch always must be served a reimbursable meal even if the student has an outstanding debt.
- E. Once a meal has been placed on a student's tray or otherwise served to a student, the meal may not be subsequently withdrawn from the student

by the cashier or other school official, whether or not the student has an outstanding meals balance.

- F. If a parent or guardian chooses to send in one payment that is to be divided between sibling accounts, the parent or guardian must specify how the funds are to be distributed to the students' accounts. Funds may not be transferred between sibling accounts unless written permission is received from the parent or guardian.

III. LOW OR NEGATIVE ACCOUNT BALANCES – NOTIFICATION

- A. The school district will make reasonable efforts to notify families when meal account balances are low or fall below zero.
- B. Families will begin receiving notices daily when the student's account balance is \$10 or less. Notification of account balances will be done using email, auto calls and school messenger. A personal phone call will be made if there has been no response and the account is negative \$5.00 or more.
- C. Reminders for payment of outstanding student meal balances will not demean or stigmatize any student participating in the school lunch program including, but not limited to, dumping meals, withdrawing a meal that has been served, announcing or listed students' names publicly, or affixing stickers, stamps, or pins.

IV. UNPAID MEAL CHARGES

- A. The school district will make reasonable efforts to communicate with families to resolve the matter of unpaid charges. Where appropriate, families may be encouraged to apply for free and reduced-price meals for their children.
- B. The school district will make reasonable efforts to collect unpaid meal charges classified as delinquent debt. Unpaid meal charges are designated as delinquent debt when payment is overdue, the debt is considered collectable, and efforts are being made to collect it.
- C. The school district may not enlist the assistance of non-school district employees, such as volunteers, to engage in debt collection efforts.
- D. The school district will not impose any other restriction prohibited under Minnesota Statutes section 123B.37 due to unpaid student meal balances. The school district will not limit a student's participation in any school activities, graduation ceremonies, field trips, athletics, activity clubs, or other extracurricular activities or access to materials,

technology, or other items provided to students due to an unpaid student meal balance.
