

	If you are a business who offers a service and are intereted in putting together a bid for your services for one of our current projects, please email the Exeucutive Director (beth.bruns@rochesterbeaconacademy.org) for a bid application.			
Title of Project	Description	Date Bids Open	Date Bids are Due	Status
12 passenger van	A 12-passenger van designed for safe and reliable student transportation, equipped with essential safety features, ample seating, and storage space for school-related travel and activities	7/12/2025	08/15/2025	CLOSED
Service Providers	RBA is seeking qualified providers to submit proposals for Occupational Therapy (OT) and Speech-Language Pathology (SLP) services for students in grades 6-12 during the 2026–2027 school year.	03/01/2026	04/25/2026	CLOSED
Security System	RBA is RFP's from qualified vendors for the design, installation, integration, and ongoing support of a comprehensive security system for its facilities. The project may include access control systems, video surveillance cameras, visitor management solutions, intrusion detection, alarm monitoring, emergency notification capabilities, and related security infrastructure. The selected vendor will assess facility needs, recommend appropriate solutions, provide installation and configuration services, train designated staff, and offer ongoing maintenance and technical support. Vendors should demonstrate experience with educational facilities and provide information regarding system specifications, implementation timelines, warranties, monitoring services, and references from similar projects.	06/05/2026	07/15/2026	CLOSED
IT Support	(RBA) is seeking qualified and experienced vendors to provide comprehensive IT services and technical support. The selected vendor will support the Academy's technology infrastructure, including network systems, hardware, software, cybersecurity, classroom technology, and general technical support. Vendors should demonstrate experience working with educational organizations and the ability to provide reliable, timely, and responsive service. RBA seeks a professional IT partner committed to maintaining secure, dependable, and effective technology systems that support both student learning and school operations. See here for RFP Request.	08/17/2026	09/17/2026	OPEN
