ROCHESTER BEACON ACADEMY
POLICY No. 534
SCHOOL MEALS POLICY

I. PURPOSE

The purpose of this policy is to ensure that students receive healthy and nutritious meals through the charter school's nutrition program and that charter school employees, families, and students have a shared understanding of expectations regarding meal charges. The policy of Rochester Beacon Academy (RBA) is to provide meals to students in a respectful manner and to maintain the dignity of students by prohibiting lunch shaming or otherwise ostracizing the student. The policy seeks to allow students to receive the nutrition they need to stay focused during the school day and minimize identification of students with insufficient funds to pay for second meals as well as to maintain the financial integrity of the school nutrition program.

II. PAYMENT OF MEALS

A. All second meal purchases are to be prepaid through the school office before meal service begins. A student or staff member who does not have sufficient funds will not be allowed to charge a second meal until additional money is deposited in the student's or staff member's account.

B. As a school that participates in the United States Department of Agriculture National School Lunch program and has an Identified Student Percentage at or above the federal percentage determined for all meals to be reimbursed at the free rate, RBA must participate in the federal Community Eligibility Provision in order to participate in the free school meals program.

C. As a school that participates in the free school meals program, RBA must:

(1) participate in the United States Department of Agriculture School Breakfast Program and the United States Department of Agriculture National School Lunch Program; and

(2) provide to all students at no cost up to two federally reimbursable meals per school day, with a maximum of one free breakfast and one free lunch.

D. Once a meal has been placed on a student's tray or otherwise served to a student, the meal may not be subsequently withdrawn from the student by the cashier or other school official, whether or not the student has an outstanding meals balance.

E. If a parent or guardian chooses to send in one payment that is to be divided between sibling accounts, the parent or guardian must specify how the funds are to be distributed to the students' accounts. Funds may not be transferred between sibling accounts unless written permission is received from the parent or guardian.

III. LOW OR NEGATIVE ACCOUNT BALANCES – NOTIFICATION

A. RBA will make reasonable efforts to notify families when meal account balances are low or fall below zero.

B. Families will be notified of an outstanding negative balance once the balance reaches $0. Families will be notified by e-mail.

C. Reminders for payment of outstanding student meal balances will not demean or stigmatize any student participating in the school lunch program, including, but not limited to, dumping meals, withdrawing a meal that has been served, announcing or listing students' names publicly, providing alternative meals not specifically related to dietary needs; providing nonreimbursable meals; or affixing stickers, stamps, or pins.

IV. UNPAID MEAL CHARGES

A. RBA will make reasonable efforts to communicate with families to resolve the matter of unpaid charges. Where appropriate, families may be encouraged to apply for free or reduced-price meals for their children.

B. RBA will make reasonable efforts to collect unpaid meal charges classified as delinquent debt. Unpaid meal charges are designated as delinquent debt when payment is overdue, the debt is considered collectable, and efforts are being made to collect it.

C. Negative balances of more than $20, not paid prior to the end of the school year, will be turned over to the Executive Director or Executive Director's designee for collection. In some instances, the charter school does use a collection agency to collect unpaid school meal debts after reasonable efforts first have been made by the charter school to collect the debt. Collection options may include, but are not limited to, use of collection agencies, claims in the conciliation court, or any other legal method permitted by law.

D. RBA may not enlist the assistance of non-charter school employees, such as volunteers, to engage in debt collection efforts.

E. RBA will not impose any other restriction prohibited under Minnesota Statutes, section 123B.37 due to unpaid student meal balances. RBA will not limit a student's participation in any school activities, graduation ceremonies, field trips, athletics, activity clubs, or other extracurricular activities or access to materials, technology, or other items provided to students due to an unpaid student meal balance.

V. COMMUNICATION OF POLICY

A. This policy and any pertinent supporting information shall be provided in writing (i.e., mail, email, back-to-school packet, student handbook, etc.) to:

1. all households at or before the start of each school year;

2. students and families who transfer to RBA, at the time of enrollment; and

3. all RBA personnel who are responsible for enforcing this policy.

B. RBA will post this policy on the school website in addition to providing the required written notification described above.

C. If RBA contracts with a third party for its meal services, it will provide the vendor with its school meals policy. RBA will ensure that any third-party provider with whom it enters into either an original or modified contract after July 1, 2021, adheres to the school's school meals policy.
