

Welcome to King's High School Athletics!

Spring Season is coming soon! All Spring sports start **Monday, March 2nd**.

To register for a sport, please login to your [FinalForms](#) account. Under your student account, select **'Manage Sports'** and ADD or REMOVE a sport from there. You may register for only **ONE spring sport**.

We have player info meetings coming up for your student-athlete to attend. These meetings will offer valuable information for the season ahead and an opportunity for them to meet the coach. See below for details.

All registration forms including a sports physical must be completed by first practice on [FinalForms](#). Sports physicals can be made through your doctor or a local [CVS MinuteClinic](#) near you. They are good for 13 months. Students may not practice without a valid sports physical.

	Head Coach	Preseason Meeting	Time	Location	Estimated Player Cost
