# SIGN UP FOR DRAGONFLY

Creating a DragonFly account is a quick and simple process that puts all of our tools at your fingertips.

**Step 1:** Visit dragonflymax.com and select the 'Log In/Sign Up' button.

**Step 2:** Select 'Sign Up for Free' and enter your first name, last name, email address and password.

Step 3: Be sure you use your own name — not the name of a student or child. If you're a parent, don't worry; you'll get to add your child later.

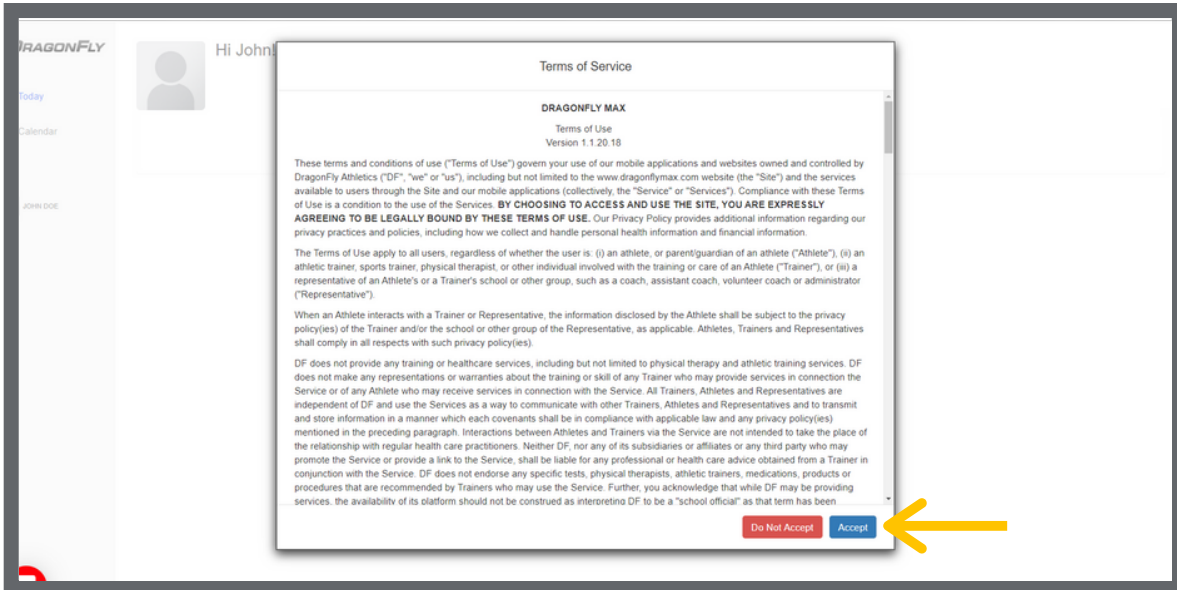

Did you enter YOUR name?

Be sure to enter YOUR name when creating an account.

Don't enter your child's name at this point (unless, of course, you are the child). You'll get the chance to do that a little later.
