The student and his/her parents must have a bona fide change of residence from the attendance area of the former school into the attendance area of the new school. The transfer of school following a "bona fide change of residence" must take place prior to the beginning of the following school year. If a student transfers at any other time, he/she will be ineligible for one calendar year. If because of changes in attendance area lines by the governing board a student's residence is placed in another attendance area, this will be considered the same as a bona fide change of address.

2. A transfer of schools must take place prior to the beginning of the following school year.
  3. If an in-state student later transfers to the other parent, he/she will have a one year's waiting period unless the change of residence is necessary because of the death of the other parent.
4. If the separation by court action and/or divorce occurred prior to the student entering the 9th grade and has been for a period longer than one calendar year, the student may move to the other parent one time and be given immediate eligibility. The student cannot have participated in the sport in which he/she wishes to be certified during the current school year.

Students entering the magnet program must do so as 9th graders only. The move to or from these programs must be made the first day of school. A move at any other time will require a waiting period until the first day of the next academic year for the student to be eligible. The student cannot have participated in the sport in which he/she wishes to be certified during the current school year.
