## BULLETIN

TO: Member School Principals and Superintendents

FROM: Wayne Ryan, Executive Director

DATE: June 2026

SUBJECT: Regional Principals' Meetings

During the May 19, 1993 meeting, the Board of Directors approved Annual Regional Principals' Meetings. By order of the Board of Directors, the principal or designated representative must attend, or the school will not be issued C & I Cards. The goal of the meetings is to keep principals informed of new rule changes and other important issues.

A personal invitation is also extended to all superintendents, board of education, and other school staff members. A county well-informed of WVSSAC policies can only enhance and improve communications and understanding of the goals and objectives of this organization. It is suggested that principals check with their county office concerning possible continuing education credit for attending one of these meetings.

**SCHOOLS:** The **Head Coach** shall be **required** to attend any sports rules clinics which are sponsored by this Commission in his/her coaching assignment. Schools failing to have a head coaching position filled at the time of the clinic will be required to have a school representative present at the rules clinic. An individual can only represent one school unless he/she is head coach at both schools. In a 9-12 school, both the varsity and 9th grade coach are required to attend. Failure to have a representative at one of the above clinics will result in a \$50.00 fine.

***The clinic attendance requirement may not be granted if the coach or representative is late in excess of 10 minutes.***
