WHO IS THE WVSSAC

- We're an independent, non-profit organization.
- We operate under a Board of Control, made up of 265 secondary schools in WV. Our members propose, vote on, and pass rules. Each school has a vote.
- Our members are principals representing every middle and high school.
- The State Board of Education approves rules after our member schools vote on them. The WVSSAC administrative staff then executes and enforces those rules.
- More than 50,000 students participate in interscholastic athletics at all levels under WVSSAC jurisdiction.

WE ARE 1 COMMUNITY

Why are high school sports and performing arts so special?

Because they connect people from all walks of life ... who may not agree ... who may not think they have much in common.

But when they come together as ONE, they realize they're much more alike than they are different.

And it's their shared love for high school sports and performing arts that united them more than anything else.

SPORTSMANSHIP BUILDS CHARACTER

1. Offer praise & encouragement, even if your child makes a mistake.
2. Offer constructive criticism & help your child practice skills.
3. Remember that your child is playing the sport, not you.
4. Try not to impose your goals or standards on your youngster.
5. Applaud good plays by both teams.
6. Give a compliment when your youngster shows good sportsmanship.
7. Emphasize “having fun is number one.”
8. Don’t yell at coaches, referees or players. This sets a poor example.
9. Never try to take the place of the coach or referee.
10. Avoid blaming the refs, the weather or anyone else if your child’s team loses.

Good luck to our golf student-athletes in the 2026 State Championship!
