BY TODD IRWIN

HERSHEY — Glendale has had a number of pretty good wrestlers over the years, including Tom Ross and Brock McMillen, both of whom finished second at the PIAA Class 2A Championships in 1986 and 2018, respectively.

The Vikings had never produced a state champion.

But McMillen changed that on Saturday afternoon at the Giant Center.

McMillen captured Glendale's first state title with a 3-2 decision over Bishop McDevitt's Chase Shields in the 126-pound finals bout.

"It means a lot," McMillen said of making history. "I live in a small town, small area, so it feels good to be the first state champ there."

"It's awesome," said Glendale coach Billy Dubler, who placed sixth as a senior in 1997 wrestling for the Vikings. "He's first one in our school history, couldn't happen to a better kid. I'm so proud of him."

Chestnut Ridge's Jared McGill made some personal history of his own by winning his first state title, capping off a dominant state tournament by beating McGuffey's Christian Clutter, 8-2, in the 170-pound finals bout.

McGill became Ridge's third state champion, joining Justin McCoy (2017) and Gary Pfahler (2008) on that list.

McMillen and McGill were two of nine area wrestlers who earned medals.

McMillen, who lost to Mount

Union's Josh Boozel, 7-3, in last year's finals, was down 1-0 to in the second period when he took Shields down with a slick shot. Shields escaped to tie the score, 2-2.

"I wrestled pretty well," McMillen said. "I knew what he had coming, so I tried to defend it as much as I could. I didn't get to as many attacks as I would have liked, but I got to enough and finished."

McMillen escaped 18 seconds into the third period, and the wrestlers remained on their feet

until Shields (30-4) took a shot. McMillen, who said on Friday he was comfortable in defensive scrambles, fought off the attempt.

When the final second ticked off the clock, McMillen, not the most emotional wrestler, pumped both of his fists and hugged Dubler.

"It was emotional for me," McMillen said. "It felt real good after last year. Being there again and winning was great."

"He's very workmanlike and he's very driven for a singular goal," Dubler said. "You saw that come out of him when he won. The fire is in their burning. You don't see it, but it's in their burning."

McMillen, who finished with a 43-1 record, walked a tightrope through the tournament, posting three straight 3-2 decisions to end it.

"I never like the score to be real close," McMillen said. "I like to score a lot of points, but sometimes you have to score and see what's there."

"Brock knows how to win," Dubler said. "Brock has always been a winner since he was 8 years old. He was winning PJW title and now a state title in high school. I'm sure next year he'll set his goal of scoring bonus points in these matches."

"He's a student of the game. We were back at the hotel watch (Shields) in three matches on Flo. He's a coach's dream. You want all

Glendale's Brock McMillen controls the leg of Bishop McDevitt's Chase Shields at 126 pounds.

14 of your wrestlers doing that. Hopefully they can take some notes and see what this guy is doing."

With two years left in his high school career, McMillen could go on to make more history for the Vikings.

"I don't know how many days I'll take off, but I'll get back into wrestling real soon," McMillen said.
