# Glendale's Ross finishes 30-5

By Todd Irwin

HERSHEY — Big things will be expected of Glendale's Leroy Ross next season, but his season is done after losing last night in the third round of consolation here at the PIAA Wrestling Championships.

Ross got to the third round by decking Jefferson-Morgan's Jason Makel in 4:01 in the second round. But he was derailed from making it to the medal round when he was beaten 5-1 by Middletown's Larry Sprecher.

Ross finished his season with a record of 30-5, which tied Jim Orichosky's record for wins, and pinned a school record and Progressland-leading 21 opponents.

In his first bout yesterday, Ross was taken down in the second period after both wrestlers couldn't score in the first period. Losing 2-0 going into the final stanza, Ross scored a reversal to tie the score 2-2.

But then Ross, whose big moves play a large part in his wrestling, hit Makel with a double arm bar and put him on his back. Makel tried to fight off his back, but the end came with 59 seconds left in the bout.

"He did hit a nice move and stuck the kid," Glendale coach Blair Packer said. "He's been tough with that all year. He pinned his kid in the district finals that way. He wrestled a good kid. Jefferson-Morgan is a well-drilled team."

In his second bout, Sprecher took the Viking junior down as the first period buzzer sounded for a 2-0 lead.

Ross escaped in the second to climb within one, 2-1, but Sprecher took him down again and escaped for the 5-1 lead. Ross tried but was never able to the big move to put Sprecher on his back.

Sprecher will be wrestling for third place today after he pinned Wilson Area's Brian Knott in 4:16 in the fourth round of consolation to raise his record to 32-4.

Ross, who was only the third Glendale wrestler to make it to states, was praised by his coach.

"His performance here was outstanding," Packer said. "Moving into the final eight is great and Leroy will be back. He's got everything it takes to be a state champion."

"I think he's had a fantastic year. He finished with 21 pins and two of them were here, which says a lot about Leroy. He's been a guy that will work and work and stay around a little bit longer. He takes losses hard, but he learns from them."

I think Leroy is expecting a lot from himself next year. He knows the name of the game is preparation. I expect him to be here and I expect him to be a champion."
