Safety Committee – Tornado Policy

- Action Item
- Discussion Item
- Informational Item

Presenter:

Todd Nelson, NYSPHSAA Assistant Director

Proposal:

The NYSPHSAA Safety Committee is recommending adding a Tornado Policy to the NYSPHSAA Handbook. The following policy language is being recommended.

Tornado Policy

- Tornado Watch-Indicates tornados are possible. Event staff must continue to monitor the situation.
- Tornado Warning-Tornado siren sounds signaling tornado sighted or tornado indicated by radar

GUIDELINES/PROCEDURES

- If a tornado warning is initiated, immediate event delay shall be implemented, and all participants, spectators and athletic staff shall seek shelter immediately. Once inside a secure location, tune to local weather alert radio to be informed of the storm location, path and duration of tornado warning.
- Warning may be extended, or a new warning issued at any time, so continue to monitor.
- Safe shelter from tornado inside lowest building level, away from exterior walls/windows, with windows closed.

All Clear-tornado warning will expire after duration specified by the National Weather Service and the site director will notify all involved that the warning has ended, and the event may resume.

Effective Start Date:

Fall 2022

Rationale:

During the 2021 Field Hockey Championships in Long Island there was a Tornado warning that disrupted the Championship. Unfortunately, the committee did not have any regulation to guide them on how to proceed. The Safety Committee is recommending adding a policy to help our schools and committees proceed in these types of situations.

Strategic Plan Summary

Strategic Plan Summary 2022-27

Key Initiative #1: Increase Student Participation

- Examine the method used to calculate and evaluate participation totals.
- Increase engagement with youth programs.
- Increase statewide modified programs and participation with a focus upon rules and meeting the needs of students today.
- Examine potential for rebranding modified athletics to encourage greater participation.

Key Initiative #2: Diversity, Equity, and Inclusion

- Develop mechanisms and pathways to create and encourage diversity on NYSPHSAA committees.
- Promote Diversity, Equity & Inclusion educational programs and resources.
- Develop a NYSPHSAA Diversity, Equity and Inclusion Committee, with statewide Sectional representation, to focus on meeting the needs of all students.
- Enlist the services of a DEI consultant to examine the NYSPHSAA governance structure.

Key Initiative #3: Officials Recruitment and Retention

- Increase the number of officials statewide.
- Increase awareness and participation of the school-based officials statewide.
- Improve data collection of official registrations.
- Explore the potential of a NYSPHSAA staff position to focus on officials' recruitment and retention.
- Streamline certification for modified officials.
- Address unsportsmanlike behavior impacting officials' retention.

Key Initiative #4: Long-term Financial Stability

- Increase financial expertise and literacy on NYSPHSAA Budget/ Audit committee.
- Establish unrestricted net assets threshold (two years' operating expenses) in an effort to benefit modified athletic programs and student participation.
- NYSPHSAA Budget/ Audit Committee to review and examine the structure for NYSPHSAA membership dues.

BEDs Enrollment used for NYSPHSAA Classifications

- Action Item
 Discussion Item
 Informational Item

Presenter:
Monica Tooley, Section III

Proposal:
Consider approval to use enrollments of grades 9,10, and 11 for the NYSPHSAA Classifications for the following school year.

- Procedure:**
- Schools will use enrollment of grades 9 - 10 - 11
 - School Districts will submit the form to verify the school enrollment (see attached) to their section executive director (due October)
 - Executive Director submits School District with enrollment Number to NYSPHSAA by November
 - Enrollment numbers will be sent in January to the Executive Committee by NYSPHSAA to be approved at the February meeting.
 - The approved classifications will be for the upcoming school year

Effective Start Date:
2023-2024 School Year

Rationale:
Return the previous calculation method for classification.
Presently the "grade level formula" and the application of the numbers 2 years out are not always reflecting the actual school enrollment.
There is variability in the methods school districts use to determine grade level status across the state. The formula is not a true reflection of the student enrollment.
Scheduling can be done with the information received in February.

GIRLS SOCCER – Revise Overtime Procedure

- Action Item
- Discussion Item
- Informational Item

Presenter:

Joe Vasile-Cozzo, NYSPHSAA Girls Soccer Coordinator

Proposal:

The NYSPHSAA Girls Soccer Committee is seeking approval of the following changes to the overtime procedure for the regular season and post season:

Regular season games should consist of two (2) 40- minute halves with two (2) 10-minute sudden victory overtimes. Beginning with Section play and continuing through the State Tournament, overtimes would consist of two (2) 15- minute sudden victory periods and, if still tied, penalty kicks. The only exception to this would be in the State Championship game where co-champions would be declared after the two (2) sudden victory overtime periods.

Effective Start Date:

Fall 2022

Rationale:

The Girls Committee believes this format would create a better opportunity to establish a winner of the game. The committee also feels that the field conditions are not as significant detriment as they have been in the past with amount of turf fields our teams are now playing on.

Proposal Originated:

NYSPHSAA Girls Soccer Committee at its April 6, 2022 meeting

Budgetary Impact:

None

Notes:

This Overtime Procedure is the same procedure the Boys are currently using. The girls committee unanimously voted in favor to support this proposal at its April 6, 2022 meeting.

CAC Feedback:

CAC had no concerns at its April 13th meeting (discussion only).

FOOTBALL: Adopt NFHS Rules for 8-Man Football

- Action Item
- Discussion Item
- Informational Item

Presenter:

Gary Vanderzee, NYSPHSAA Football State Coordinator

Proposal:

The NYSPHSAA Football Committee is seeking approval to adopt the NFHS Rules for 8-man football with the following waivers and NYSPHSAA specific rules.

NFHS Waivers:

1. Rule 1
 - a. 80-yard field length
 - b. "If on field numbers are used, the tops of these numbers shall be 7 yards from the sideline."
2. Rule 2 – 9-yard mark
3. Rule 6
 - a. K's Free kick line is its 30 yard line and R's free kick line is its 40 yard line
4. Rule 7
5. Rule 8
6. Rule 10

NYSPHSAA Rules

1. Hash marks will be aligned with the goal post
2. Alignment
 - a. Offensive teams will have at least 5 men on the LOS
 - b. Offensive teams must have at least 3 players in consecutive order on the LOS numbered 50-79 on all plays, except special teams
 - c. Players with number 50-79 are not eligible for a forward pass, regardless of their alignment on the field.

Effective Start Date:

Fall 2022

Rationale:

The Football Committee feels that all teams participating in 8-man football should follow consistent rules across the state. Currently we allow Sections to select the rules they wish to follow for 8-man football. As 8-man football continues to grow the committee feels it is important to have consistent rules across the state.

FOOTBALL: Adopt Revised Classification Cut-Off Numbers for 2023

- Action Item
- Discussion Item
- Informational Item

Presenter:

Gary Vanderzee, NYSPHSAA Football Coordinator

Proposal:

The NYSPHSAA Football Committee is seeking approval to use the following revised Classification Cut-Off numbers for the 2023 season:

Class AA	1025 – above	55 schools	14.78%
Class A	665 – 1024	88 schools	23.66%
Class B	385 – 664	88 schools	23.65%
Class C	261 – 384	88 schools	23.66%
Class D	260 – below	53 schools	14.25%

Effective Start Date:

Fall 2023

Rationale:

It has been two years since the committee has determined its classification cut-off numbers and the committee is due to propose new numbers at this time since it makes a recommendation every two years.

Proposal Originated:

NYSPHSAA Football Committee at their March 2022 meeting

Budgetary Impact:

None

Notes:

The Football Committee voted unanimously in favor of this proposal at its March 2022 meeting. Every two years, the committee examines the classification cut-off numbers. As a variation sport, the committee has the ability to recommend classification cut-off numbers. The committee is using the same concept that was adopted by the Executive Committee in February (a certain number of teams in the highest classification and a certain number in the lowest classification then the middle classifications divided equally).

Class AA	1025 – above	55 schools	14.78%
Class A	630 – 1024	99 schools	26.61%
Class B	397 – 629	71 schools	19.09%
Class C	261 – 396	94 schools	25.27%
Class D	260 – below	53 schools	14.25%

BOYS AND GIRLS TENNIS: Eliminate Consolation Matches and Add Only Medal Playoffs at the NYSPHSAA State Tournament

- Action Item
- Discussion Item
- Informational Item

Presenter:
NYSPHSAA Staff

Proposal:
The NYSPHSAA Staff is seeking approval to eliminate consolation matches and add only medal playoffs for the top eight finishers at the Girls and Boys Individual Tennis State Championships.

Effective Start Date:
Fall 2022

Rationale:
Approval of this proposal would allow the top eight student-athletes in the main draw to be recognized and eliminate the opportunity for an athlete to lose in the first round, then play through to earn Consolation Champion and Runner Up awards. In the current situation, an athlete who loses in the first round has the opportunity to continue to play several more matches and earn an award, while an athlete who loses in the second round is immediately eliminated and does not receive an award.

Proposal Originated:
NYSPHSAA Staff

Budgetary Impact:
The number of courts required to host the NYSPHSAA Girls and Boys Tennis State Championships will decrease. The number of medals purchased will increase. Travel costs for sections will decrease with this proposal comparing it to the proposed 9th and 10th place consolation format.

Notes:
The Boys and Girls Committee has proposed to keep the consolation draw and to recognize the 9th and 10th place finishers. This proposal is being made in the case the current proposal from the Tennis Committees is defeated by the Executive Committee. The Girls Tennis Committee has used this format for the past two championships.

BOYS ICE HOCKEY: Revise Postseason Overtime Procedure

- Action Item
- Discussion Item
- Informational Item

Presenter:

Scott Stuart, NYSPHSAA Boys Ice Hockey Coordinator

Proposal:

The NYSPHSAA Boys Ice Hockey is seeking approval to revise the NYSPHSAA Handbook under Ice Hockey 13.08 Post Season Overtime as follows:

- c. In Sectional, Regional and NYSPHSAA Championship Play: After the third period the ice will be resurfaced and teams will switch ends. Play shall be continued until the first goal is scored in Overtime for no more than two overtime periods of 17 minutes.
- d. If the game shall be tied at the end of the first overtime period, teams will play another overtime period of 17 minutes, after the ice is resurfaced and teams switch ends. If the score is still tied, the "shoot out" procedure will be used. (13.08.12)

Effective Start Date:

Winter 2022-23

Rationale:

Currently, hockey plays a maximum of four (4) 7:30 periods. The committee feels that by resurfacing the ice, switching ends and playing a full period the chances of a team scoring will be greatly increased.

Proposal Originated:

NYSPHSAA Boys Ice Hockey Committee in March 2022.

Notes:

BOYS ICE HOCKEY - Revise Language in NYSPHSAA Handbook
on Goalie Warm-Up Time

- Action Item
- Discussion Item
- Informational Item

Presenter:
Scott Stuart, NYSPHSAA Boys Ice Hockey Coordinator

Proposal:
The NYSPHSAA Boys Ice Hockey is recommending a change in the NYSPHSAA Handbook under Ice Hockey, 13.08, #10 to read, "A maximum of TWO minutes warm-up per substitute goaltender per game shall be required."

Effective Start Date:
Winter 2022-23

Rationale:
There was a concern that some coaches did not utilize this warm-up period or were using this time as a timeout to rest players and abusing the spirit of this rule. By revising the language, officials are not obligated to give the team the full two minutes unless the goaltender is actually warming up.

GYMNASTICS – Allow Competitors the Option to Wear Spandex/Lycra Shorts During Competition

- Action Item
- Discussion Item
- Informational Item

Presenter:

Marbry Gansle, NYSPHSAA Gymnastics Coordinator

Proposal:

The NYSPHSAA Gymnastics Committee is seeking approval to revise its Technical Handbook related to wearing of spandex/lycra pants (Section II, A) to read:

The following option is acceptable attire:

- A solid black spandex or lycra type shorts, with no embellishment, may be worn over the leotard.
- The shorts must be above the knee or shorter

Effective Start Date:

Fall 2022

Rationale:

The gymnastics committee would like to give competing athletes the option to wear spandex shorts for comfort and appearance during meets.

Proposal Originated:

NYSPHSAA Gymnastics Committee on March 3, 2022.

GYMNASTICS – Approval to Make Three Scoring Changes in Technical Handbook

- Action Item
- Discussion Item
- Informational Item

Presenter:

Marbry Gansle, NYSPHSAA Gymnastics Coordinator

Proposal:

The NYSPHSAA Gymnastics Committee is seeking approval for three scoring changes in its Technical Handbook:

- 1) Lower the straddle vault value from 7.5 to 7.2 (Section II, A, page 73)
- 2) Implement a courtesy score of 3.0 for all events (Section VII, 1, page 12)
- 3) Adjust timing of falls on beam from 30 seconds to 45 seconds (Section XII, E, page 42)

Effective Start Date:

Fall 2022

Rationale:

- 1) Straddle Vault Value Reduced to 7.2 – Lowering the value from 7.5 is more in line with the half on/half off move. The lower value encourages athletes to attempt a round off for a higher score which is valued at 7.6.
- 2) Courtesy Score of 3.0 – Currently there is not a courtesy score in this sport. A courtesy score represents a minimum effort and execution in the routine/attempt. Without a courtesy score, athlete deductions during a routine/attempt may yield a score as low as 0.5 - 1.0 which does not reflect the effort of the athlete.
- 3) Increase Beam Fall Time to 45 seconds – This not only matches the fall time for bars, but it also allows an athlete time to collect themselves after a fall and have enough time to set up and continue the routine from the spot they fell off the beam.

Proposal Originated:

NYSPHSAA Gymnastics Committee on March 3, 2022.

Budgetary Impact:

None

Notes:

The Gymnastics Committee was unanimously in favor of this proposal at its March 2022 meeting.

CHAMPIONSHIP ADVISORY COMMITTEE – Officials Fees & Policies Revision for Football Officials Submission Procedures at State Semifinals and Finals

- Action Item
- Discussion Item
- Informational Item

Presenter:
Greg Ransom, CAC Chair

Proposal:
The NYSPHSAA Championship Advisory Committee is seeking approval of a change in the submission of the Football Officials for the NYSPHSAA Semifinals and finals. Please see the attached recommendation.

Effective Start Date:
Fall 2022

Rationale:
We are currently not following the selection of officials protocol as written in NYSPHSAA Fees and policies document. Currently each section/chapter is asked to send a list of specific officials position. Based on the team match-ups, officials are assigned to work the semifinal and final games. The current system being used is not giving enough flexibility to assign the officials appropriately therefore the process needs to be revised.

Proposal Originated:
NYSPHSAA CAC following a discussion and recommendation by the Football Committee.

Budgetary Impact:
None

Notes:
This is the current language in the NYSPHSAA Fees and Policies.

Semifinals: 25 assignments for 5 classifications/region. In the Eastern Region, each of 5 participating sections will supply 5 officials. In the Western Region, each of 4 participating sections will supply 6 officials and the 5th official will be supplied by participating sections in alternating years.

Finals at Carrier Dome: 25 game assignments for 5 classifications. Eight (8) sections will supply 3 officials each. One (1) at-large selection will be made.

CAC Feedback:
CAC voted 7-1 (1 abstention) to support this proposal for approval by the Executive Committee with revisions to be made in the Officials Fees & Policies document.

CHAMPIONSHIP ADVISORY COMMITTEE – Use of Standby Official on the Field for State Semifinals and Finals

- Action Item
- Discussion Item
- Informational Item

Presenter:

Greg Ransom, CAC Chair

Proposal:

The NYSPHSAA Championship Advisory Committee is seeking approval, at the request of the Football Committee, of a one-year pilot program to use the standby official at the semifinal and final games as an on-field working official.

Effective Start Date:

Fall 2022

Rationale:

Currently, we use five working on-field officials and one standby official. The back judge is responsible to cover all down field plays with the line judges supporting them. Today's teams and athletes are producing more and more downfield plays. These downfield plays are becoming more difficult for a back judge to cover alone. The standby official is on the sidelines working with the chain crew and is used if an official is not able to continue due to an injury or illness. If we allowed the standby official to be a working on-field official then we could have two back judges on each side of the field which would provide greater coverage for downfield plays and allow the line judges to monitor the line of scrimmage area better.

Proposal Originated:

NYSPHSAA CAC following a discussion and recommendation by the Football Committee.

Budgetary Impact:

Currently we pay the standby official ½ game fee to stand on the sidelines. If he was to become a on-field working official he would receive a full game fee.

SECTIONAL CONCERN

Presenter:

Section III

Sectional Concern:

Cheerleading Class format and Sport Variation numbers for Cheerleading

Addressing the Sectional Concern:

Starting with the 2022-2023 Winter Sport Season. Section III is proposing to alter the Class format and Sport Variation numbers in the Sport of Cheerleading as follows:

Class AA	1010 and up
Class A	590 - 1009
Class B	310 – 589
Class C	190 – 309
Class D	0 – 189
Co-Ed Division	Open

Rationale:

It is our belief that in the current format, and reviewing the participation numbers (attached) at the 2022 NYSPHSAA Cheerleading Championship. Where we only had a total 6 teams - Class C (4) and Class D (2) schools participating, which we believe isn't equal representation of our membership. If continue in our current format, it is our opinion that this will effect participation for all students (because schools are reducing their squad size for scoring purpose) and could possibly shatter the sport of competitive cheerleading for our smaller schools.

Budgetary Impact:

NYSPPHSAA VOTING ITEMS

Cheat Sheet

May 2022

1. Tornado Policy

Proposal: The NYSPPHSAA Safety Committee is recommending adding a Tornado Policy to the NYSPPHSAA Handbook.

Rationale:

During the 2021 Field Hockey Championships in Long Island there was a Tornado warning that disrupted the Championship. Unfortunately, the committee did not have any regulation to guide them on how to proceed. The Safety Committee is recommending adding a policy to help our schools and committees proceed in these types of situations.

Effective Start Date: Fall 2022

2. NYSPPHSAA Strategic Plan

Proposal: Consider approval of the NYSPPHSAA Strategic Plan for 2022-2027.

Rationale: Provide NYSPPHSAA Membership and Staff with initiatives to focus upon for the next five years.

3. Change Beds Calculation

Proposal: Consider approval to use enrollments of grades 9,10, and 11 for the NYSPPHSAA Classifications for the following school year.

Rationale: Return the previous calculation method for classification.

Presently the "grade level formula" and the application of the numbers 2 years out are not always reflecting the actual school enrollment. There is variability in the methods school districts use to determine grade level status across the state. The formula is not a true reflection of the student enrollment. Scheduling can be done with the information received in February.

4. Girls Soccer Overtime Procedure

Proposal: The NYSPPHSAA Girls Soccer Committee is seeking approval of the following changes to the overtime procedure for the regular season and post season:

Regular season games should consist of two {2} 40- minute halves with two {2} 10- minute sudden victory overtimes. Beginning with Section play and continuing through the State Tournament, overtimes would consist of two {2} 15- minute sudden victory periods and, if still tied, penalty kicks. The only exception to this would be in the State Championship game where co-champions would be declared after the two {2} sudden victory overtime periods.

Rationale: The Girls Committee believes this format would create a better opportunity to establish a winner of the game. The committee also feels that the field conditions are not as significant detriment as they have been in the past with amount of turf fields our teams are now playing on. This Overtime Procedure is the same

procedure the Boys are currently using. The girls committee unanimously voted in favor to support this proposal at its April 6, 2022 meeting.

5. **Adopt 8 Man Football Rules**

Proposal: The NYSPHSAA Football Committee is seeking approval to adopt the NFHS Rules for 8-man football

Rationale: The Football Committee feels that all teams participating in 8-man football should follow consistent rules across the state. Currently we allow Sections to select the rules they wish to follow for 8-man football. As 8-man football continues to grow the committee feels it is important to have consistent rules across the state.

6. **FOOTBALL:** Adopt Revised Classification Cut Off Numbers for 2023

7. **Boys and Girls Tennis** – Playoffs at State Tournament

Proposal: The NYSPHSAA Staff is seeking approval to eliminate consolation matches and add only medal playoffs for the top eight finishers at the Girls and Boys Individual Tennis State Championships.

**The Tennis committee wants this off the table as they did not approve this or put it forward. It was a play by the NYSPHSAA Office. State Tennis committee wants it to remain as is.

8. **BOYS ICE HOCKEY:** Revise Postseason Overtime Procedure

Proposal: The NYSPHSAA Boys Ice Hockey is seeking approval to revise the NYSPHSAA Handbook under Ice Hockey 13.08 Post Season Overtime as follows:

c. In Sectional, Regional and NYSPHSAA Championship Play: After the third period the ice will be resurfaced and teams will switch ends. Play shall be continued until the first goal is scored in Overtime for no more than two overtime periods of 17 minutes.

d. If the game shall be tied at the end of the first overtime period, teams will play another overtime period of 17 minutes, after the ice is resurfaced and teams switch ends. If the score is still tied, the "shoot out" procedure will be used. (13.08.12)

9. **Boys Ice Hockey-** Revise Language in NYSPHSAA Handbook on Goalie Warm-up Time.

Proposal: The NYSPHSAA Boys Ice Hockey is recommending a change in the NYSPHSAA Handbook under Ice Hockey, 13.08, #10 to read, "A maximum of TWO minutes warm-up per substitute goaltender per game shall be required."

* The Boys Ice Hockey Committee voted unanimously to support this proposal at its March 2022 meeting

10. **Gymnastics** - Allow Competitors the Option to Wear Spandex/Lycra Shorts During Competition.
*The Gymnastics Committee was unanimously in favor of this proposal at its March 2022 meeting.

11. **Gymnastics**- Approval to Make Three (3) Scoring Changes in Technical Handbook
*The Gymnastics Committee was unanimously in favor of this proposal at its March 2022 meeting.

12. **CHAMPIONSHIP ADVISORY COMMITTEE** - **Officials Fees & Policies**
Revision for Football Officials Submission Procedures at State Semifinals and Finals.

Proposal: The NYSPHSAA Championship Advisory Committee is seeking approval of a change in the submission of the Football Officials for the NYSPHSAA Semifinals and finals.

13. **CHAMPIONSHIP ADVISORY COMMITTEE** - Use of Standby Official on the Field for State Semifinals and Finals.

Proposal:The NYSPHSAA Championship Advisory Committee is seeking approval, at the request of the Football Committee, of a one-year pilot program to use the standby official at the semifinal and final games as a non-field working official.

* Currently we pay the standby official ½ game fee to stand on the sidelines. If he was to become a on- field working official he would receive a full game fee

New York State Public High School Athletic Association

Executive Committee Meeting – May 4, 2022

FOOTBALL – Change in Targeting Disqualification Penalty

- Action Item
- Discussion Item
- Informational Item

Presenter:

Gary Vanderzee, NYSPHSAA Football Coordinator

Proposal:

The NYSPHSAA Football Committee is seeking approval for a change in the penalty for a football player who is disqualified for “targeting” (by a certified official) to not being permitted to participate in the next two full halves.

Effective Start Date:

Fall 2022

Rationale:

The NFHS rule states that a player flagged for a “targeting” play is to be disqualified from that game. The NYSPHSAA Sportsmanship rule states that a player disqualified from a contest must sit out the next scheduled contest. In the NCAA and the NFL, a targeting penalty is reviewed in slow motion and a final determination is made if it is in fact a targeting call. The NFHS does not allow video replay for officials and calls are being made in a split second by officials. The football committee understands that officials do a great job but sometimes make mistakes and they support the NYSPHSAA Sportsmanship Rule. The sport of football has approximately 50% less contests than other sports which means a player serving the penalty under the Sportsmanship Rule is much more effected than student-athletes in other sports. The committee feels that if a student serves their suspension for two full halves it has less impact but also meets the intent of the NYSPHSAA Sportsmanship Rule.

Proposal Originated:

NYSPHSAA Football Committee on January 3, 2022

Budgetary Impact:

None

Notes:

The football committee voted unanimously in favor of this proposal at its January 3rd meeting. This recommendation is a revised recommendation from the committee. The revisions specify the disqualification penalty of targeting only and that a student is ineligible for two full halves instead of four quarters. Therefore, if a student was disqualified for targeting in the first half they would be ineligible for the rest of that game and the first half of the next game. If the player is disqualified for targeting in the second half of a game, they would be ineligible for the rest of that game and the entire next game.
