ATHLETICS

- A) **ATHLETIC ADMINISTRATOR CERTIFICATION** is being discussed and being developed in collaboration with the New York State Education Department and the New York State Athletic Administrators Association (NYSAAA) (Summer 2021/Fall 2021) (Details to follow by Fall 2021)
- B) **Proposed Amendment to Section 135.4 of the Regulations of the Commissioner of Education Relating to High School Students' Eligibility to Participate in Interscholastic Competition Until the Conclusion of the Interscholastic Athletic Spring Season. (To become permanent July 2021)**
 - Due to the COVID-19 crisis, the New York State Public High School Athletic Association has extended the interscholastic athletics spring season until June 30, 2021. The Department received inquiries on whether students who graduate prior to June 30, 2021 would be able to complete participation in their spring sports. Moreover, many of the student athletes in nonpublic schools graduate in May and/or early June, prior to the end of the spring interscholastic season. Currently, section 135.4 of the Commissioner's regulations does not permit participation in athletic competition after a student graduates. Commissioner's regulation §135.4(b)(1) states that "[a] pupil shall be eligible for senior high school athletic competition in a sport during each of four consecutive seasons of such sport commencing with the pupil's entry into the ninth grade and **prior to graduation...**"
 - The Department proposed to amend section 135.4 of the Commissioner's regulations to clarify that eligible student athletes may participate in interscholastic sports and complete their spring season during the year in which they graduate, including when such students' graduation

ceremony occurs prior to the end of the interscholastic athletic spring season. No other eligibility requirements are altered by this proposed amendment.

C) COVID -19 Update: First Aid and CPR/AED Certification Flexibility for Coaches. (June 2020)

- See: <http://www.highered.nysed.gov/tcert/news/newsitem062320-1.html>
- *See updated amendment below from December (2020): (Extended to June 30, 2021)
- District would have to ensure certified staff available for AED on site.
- http://www.highered.nysed.gov/tcert/news/newsitem121020_FA-CPR.html

B) COVID -19 Update: Theory and Techniques of Coaching (Sport Specific) Course Internship Experience Flexibility. (Note-December 20- Extended to 2020-2021 academic year).

- See: <http://www.highered.nysed.gov/tcert/news/newsitem062320-2.html>
- http://www.highered.nysed.gov/tcert/news/newsitem102020_prof-coach-cert.html

C) COVID -19 Update: Professional Coaching License Amendment (Note-Extended to fall 2020, winter 2020-2021, and/or spring 2021 sports seasons). (October 2020 BOR meeting)

- http://www.highered.nysed.gov/tcert/news/newsitem102020_prof-coach-cert.html
- **Background:**

All coaches of extracurricular sports must complete a sport-specific theory and techniques of coaching course within five years of their initial appointment as a coach. One of the requirements in this course is an internship experience.

The Department encourages course instructors to provide opportunities for prospective and current coaches to work with P-12 or college students, mentors, and supervisors in person or virtually using distance education instructional methods and technologies, wherever possible. If this type of interaction is not possible for the entire experience due to the COVID-19 outbreak, the Department is extending the internship flexibility for the 2020-2021 academic year where course instructors may supplement the internship experience with alternative methods of instruction. However, the internship must include some virtual and/or in-person interaction with P-12 or college students.

Alternative methods of instruction must ensure that the coaches develop the knowledge and skills expected during internship experience. Examples of alternative methods of instruction include, but are not limited to, simulations, video case studies, and other coaching exercises.

Practice Guidelines for Athletic Trainers in Secondary Schools

- The New York State Committee for Athletic Training has developed and posted on the Education Department's website "[Practice Guidelines for Athletic Trainers in Secondary Schools](#)" which emphasize the role and responsibilities of NYS certified athletic trainers in secondary schools, in accordance with NYS statute and regulation.
- Athletic Trainers working in secondary schools must be NYS certified and must work under supervision of a NYS licensed physician.
- Athletic Trainers working in secondary schools must also be familiar with Regulations of the Commissioner: Subchapter G. Health and Physical Education; Part 135, Health, Physical Education and Recreation, 8 CRR-NY 135.4(c)(7)(d) which govern the activities of athletic trainers in the secondary school setting, and Article 162 and subpart 79.7 of the Commissioner's regulations regarding the licensure and certification.

- o These Guidelines also outline other responsibilities for athletic trainers in in secondary schools, including familiarity with the NYSED guidelines on concussion management and medication management in schools.
- o For questions concerning the guidelines, contact the *Office of Student Support Services at studentsupportservices@nysed.gov or 518-486-6090, or the NYS Committee for Athletic Training at athlbd@nysed.gov.*

HEALTH EDUCATION

ERIN'S LAW (November 2020)

In August 2019, New York State became the 37th state to sign Erin's Law into legislation. New York State's law, ([Chapter 187 of the Laws of 2019](#)) - known as Erin's Law - requires public schools to teach child sexual abuse and exploitation prevention classes to students in kindergarten through eighth grade. The New York State Education Department has prepared an Erin's Law website with curriculum resources to support this endeavor and provide assistance to schools and educators. The website and resources have been developed with the help of partners such as the Department of Health, the NYSED Office of Student Support Services, the Office of Children and Family Services (OCFS), and the New York State Center for School Health.

New York State Public High School Athletic Association

Central Committee Meeting – July 27-28, 2021

SECTIONAL CONCERN

Presenter:

Matt Ronca & Elise Britt-Gaeta - Section 2

Sectional Concern:

Requesting to delay the vote on new classification proposals until the January/February Meeting

Addressing the Sectional Concern:

Voting in January/February as opposed to October

Rationale:

Given the timing of the release of information this summer combined with the start of the 2021-22 school year and all the work related to coming off the past year and a half of COVID-19, we believe it would provide the membership more and better aligned timing to fully vet the significant changes this proposal will have on all of us. Delaying this vote, will provide the membership with adequate time to fully understand the impact of the changes and at the same time it will not delay the implementation dates of the 2023-24 school year.

Budgetary Impact:

None

Notes:

May cause a minor delay in the beginning of talks/negotiations for championship sites and sport committee planning but that work can start just can't be official until the vote is taken.

New York State Public High School Athletic Association

Central Committee Meeting – July 27-28, 2021

Championship Philosophy - Criteria for Sixth Classification

- Action Item
- Discussion Item
- Informational Item

Presenter:

Dr. Robert Zayas, NYSPHSAA Executive Director

Proposal:

Consider approval of establishing criteria for the creation of a sixth classification for sports with 501 or more teams competing in the NYSPHSAA State Championships.

Effective Start Date:

09/01/2023

Rationale:

Currently several NYSPHSAA sports have more than 600 teams competing in the NYSPHSAA State Championships. In an effort to provide more equity amongst all NYSPHSAA Championship sports and greater opportunity for students to experience a NYSPHSAA Championship, criteria for a sixth classification is being proposed by the Classification Ad Hoc Committee.

With the proposed format by the Classification Ad Hoc Committee to establish classification cut off numbers of 75 (top) and 100 (bottom) a larger discrepancy exists for the number of teams competing for a NYSPHSAA Championship in the remaining classes when comparing five classes to six classes.

Example Boys Basketball

<i>Five Classifications</i>		<i>Six Classifications</i>	
AAA	75	AAA	75
AA	75	AA	140
A	187	A	140
B	187	B	140
C	187	C	140
D	100	D	100

Example Girls Soccer

<i>Five Classifications</i>		<i>Six Classifications</i>	
AAA	75	AAA	75
AA	75	AA	121
A	161	A	121
B	161	B	121
C	161	C	121
D	100	D	100

Proposal Originated:

Classification Ad Hoc Committee – Spring 2021

New York State Public High School Athletic Association

Central Committee Meeting – July 27-28, 2021

Budgetary Impact:

A sixth classification will result in additional expenses associated with hosting Sectional and NYSPHSAA Regional & State Championship competitions (facility usage, security, officials, team travel).

A sixth classification will have the opportunity to generate additional revenue from ticket sales, merchandise and NFHS Network viewership.

Notes:

Classification Ad Hoc Committee was formed in the Fall of 2020 because of concerns expressed by the NYSPHSAA membership to review the current process of establishing classification cut off numbers. The Ad Hoc Committee met on three occasions to thoroughly review the current process and discuss several alternatives to establish classification cut off numbers.

The current Championship Formula within the NYSPHSAA Championship Philosophy document for team sports (Volleyball, Basketball, Soccer, Lacrosse, Field Hockey, Softball, Football, Baseball, Ice Hockey, and Cheerleading) is as follows:

Number of Varsity Programs	Number of Allowable Championship Classes or Divisions
24-100	1
101-200	2
201-300	3
301-400	4
401-above	5

Effective Start Date:

09/01/2023

Rationale:

To revise the current non-variation classification process for greater accuracy, consistency and equity.

GIRLS VOLLEYBALL – APPROVE NEW REGIONAL ASSIGNMENTS FOR 2022-25

- Action Item
- Discussion Item
- Informational Item

Presenter:

Patti Perone, NYSPHSAA Girls Volleyball Coordinator
Peggy Seese, NYSPHSAA Girls Volleyball Assistant Coordinator (incoming state coordinator)

Proposal:

The NYSPHSAA Girls Volleyball Committee is seeking approval of new four-year regional assignments from 2022-25.

Effective:

November 2022

Rationale:

The current regional rotation is expiring after 2021 and it is also necessary to adjust regional assignments/matchups due to an imbalance in numbers. The committee took the approved non-variant 5 classifications and modified it to fit its needs. The primary objective was to balance out the number of schools to give better opportunity to the teams. The major change from the current rotation is in Class B. The Committee added Section 3 to the 2/7/10 bracket. This helped even out the numbers and overcrowding of the 3/5/6 bracket. The subregional in the 2/3/7/10 bracket would rotate each year due to the fact that if kept stationary, due to size and travel, 2 would play 7 and 3 would play 10. Sections 7 and 10 were not in favor of this.

The regional matchups/rotation will be requested for approval at a later time.

Proposal Originated:

NYSPHSAA Office in May 2021

Budgetary Impact:

None

Notes:

The committee voted unanimously in favor of this proposal at their June 2nd video conference call.

BOYS/GIRLS SWIMMING & DIVING – ALLOW SCHOOLS TO ENTER RELAY TEAMS WITHOUT INDIVIDUAL ATHLETE NAMES

- Action Item
- Discussion Item
- Informational Item

Presenter:

Peter Hugo, NYSPHSAA Boys Swimming & Diving Coordinator
Diane Hicks-Hughes, NYSPHSAA Girls Swimming & Diving Coordinator

Proposal:

The NYSPHSAA Boys and Girls Swimming & Diving Committee is seeking approval to allow schools to enter relay teams without individual athlete names. This rule requires “adoption by State Association per NFHS (section 2, article 3, under “note”)”.

Effective:

November 2021

Rationale:

This rule change will allow coaches the flexibility in managing their relay events. Individual names will no longer be required when entering a relay event. Individual names will be required on the entry card and submitted at time specified by the meet committee. Changes to the entry card will be allowed on the day of meet. No Changes can be made after the times are posted by the meet committee, after which entry names become official.

Proposal Originated:

TENNIS – MANDATE ALL TENNIS PLAYERS TO “CLAIM” PROFILES ON UTR AND REQUIRE SCHOOLS TO SUBMIT SEASON RESULTS

- Action Item
- Discussion Item
- Informational Item

Presenter:

Chris Horgan, NYSPHSAA Girls Tennis State Coordinator
Selina DeCicco, NYSPHSAA Boys Tennis State Coordinator
NYSPHSAA Staff

Proposal:

The NYSPHSAA Staff and State Tennis Committees are seeking approval to mandate all high school tennis players to claim their profile in the UTR system prior to the season and also require schools to submit their match results within a timely manner. Sections may implement a procedure and reporting schedule that works best for them. Athletes with unclaimed profiles or incomplete match results at the end of the regular season will be ineligible for postseason competition.

Effective Start Date:

Spring 2022

Rationale:

Requiring schools to report results and players to claim their profile will allow NYSPHSAA and its tennis committees to utilize a complete database at the end of the season to properly seed the state tournaments. Eight sections are already using UTR with several of them requiring result reporting each season.

This mandate would mirror the same system used for wrestling which utilizes Track Wrestling to report rosters and results throughout the year so there is a complete and up-to-date system in place for postseason rankings. Wrestling also follows the same proposed penalty for noncompliance.

Proposal Originated:

NYSPHSAA State Tournament Committee meetings in 2020

Budgetary Impact:

None

Notes:

The Boys and Girls Tennis Committees voted unanimously in favor of this recommendation.

UTR will create training materials to provide to sections and post on the NYSPHSAA website. UTR is also prepared to offer webinars and onboard trainings for any schools or sections that are interested.

2026	9 @ 4 (Winner @ 1)	5 @ 6	11 @ 8	3 @ 2

**Region Assignments were approved in the Team Tennis proposal*

Effective Start Date:

Fall 2021

Rationale:

Establishing a regional rotation and matchups will allow for each section to take turns hosting.

Proposal Originated:

NYSPHSAA Girls Tennis Committee in April 2021

Budgetary Impact:

Travel expenses will be incurred by sections/teams who are not hosting regional events. Venue rental expenses will be incurred by sections/schools hosting regional events.

Notes:

The Girls Tennis Committee voted unanimously in favor of this recommendation.

COMPETITIVE CHEERLEADING – INCREASE MINIMUM NUMBER OF CONTESTS TO QUALIFY FOR STATES FROM 2 TO 3

- Action Item
 Discussion Item
 Informational Item

Presenter:

Jen Simmons, NYSPHSAA Cheer Sport Coordinator

Proposal:

The NYSPHSAA Competitive Cheerleading committee is seeking approval for an increase in the minimum number of required contests from the current 2 to 3.

Effective Start Date:

November 2021

Rationale:

To align more with all other sports, the committee believes a minimum number of contests should be increased from two to three prior to Sectionals. The committee believes that member schools should be encouraging their Competitive Cheer teams to participate on a more regular basis to provide the student athletes with an experience similar to that of other sports.

Proposal Originated:

At the Cheer State Committee Meeting in May 2021. The committee voted unanimously in favor of this.

Budgetary Impact:

The budgetary impact would be added officials/judges expenses.

Notes:

It is suggested that the Section and/or leagues schedule some competitions similar to the scheduling of other sports so that member schools are not forced to go only to invitationals that require fees. It then would provide a more equitable opportunity for all schools

Presenter:

Joe Altieri, Assistant Director
Marbry Gansle, NYSPHSAA Girls Gymnastics Coordinator

The NYSPHSAA Gymnastics Committee is seeking approval to adopt the 7th edition of the NYSPHSAA Gymnastics Technical Handbook. The 7th edition primarily includes language changes, adjustments in movements, and valuations of scoring movements.

Effective Start Date:

NEW YORK STATE PUBLIC HIGH SCHOOL ATHLETIC ASSOCIATION
TECHNICAL RULES HANDBOOK
FOR GIRLS GYMNASTICS

SEVENTH EDITION, APPROVED JULY 2021

This Technical Handbook has been developed as the official publication for coaches and judges during competition of the New York State High School Athletic Association (NYSPHSAA) Girls Gymnastics events.

The information found in this Technical Handbook has used the Olympic representative of gymnastics in the United States (USAG -United States Gymnastics Organization) as a helpful guide and reference in developing the scholastics program in New York State.

On behalf of NYSPHSAA, a special thank you is extended to the co-authors and developers of the NYSPHSAA Gymnastics Technical Handbook, Maria DeCristoforo and Marilyn Cross, a member of the NYSPHSAA Hall of Fame. With Marilyn's passing in 2003, all subsequent editions of the Handbook were written and edited by Maria DeCristoforo. Revisions for the 7th edition (effective August 1, 2021) were reviewed and accepted by Mrs. DeCristoforo, the NYSPHSAA Gymnastics Committee, then subsequently approved by the NYSPHSAA Central Committee in July 27, 2021.

Only on Balance Beam and Floor Exercise is there an additional deduction for incomplete exercises. The deduction of **2.0 P.** is taken from the final average if:

- The Balance Beam or Floor Exercise routine is less than 30 seconds.

IX. EQUIPMENT FAILURE / Repetition of an Exercise

In situations where there is an equipment or technical failure through no fault of the gymnast, the gymnast has the following options:

- A. Stop immediately and request permission from the Chief Judge/Judge to repeat her routine. Once permission is given, the gymnast would perform again after a reasonable rest time.
- B. Continue the routine and at the completion of the routine, decide whether to repeat the routine or accept the score given. The judge(s) will not post the score until the decision is made.
- C. At Championship level competitions, any decisions regarding the repetition of an exercise should be made by the Chief Judge in consultation with the Meet Referee.
- D. Equipment failure would pertain to:
 - a music system failure
 - broken or completely torn handgrips

Note: It would NOT include -

- i. the unfastening of bandages/handgrips,
- ii. the loss of hairbands / barrettes or footwear during the exercise
- iii. incorrect bar settings
- iv. failure to tighten cables, T-handles

- M. Brush / touch of mat with hand(s) - (no support) up to 0.30 P.
- N. Grasp on apparatus to avoid a fall 0.30 P.
- O. Third run approach 0.50 P.

IX. UNEVEN BARS COMPOSITIONAL DEDUCTIONS

- A. Choice of elements within the routine: max. up to 0.50 P.
Consider:
- Lack of variety of elements and connections
 - Lack of balance between pirouettes and flight elements
 - Lack of elements with LA turns – (i.e.- no Value Parts with ½, 1/1 turn, etc. NO Dismounts)
 - Failure to perform forward and backward – circles / releases
 - Facing one direction throughout the exercise (NO Dismounts)
- B. Lack of elements that pass through vertical up to 0.20 P.
- C. Insufficient distribution of the elements up to 0.10 P.
Consider:
1. Level of difficulty not maintained throughout the exercise
 2. Most difficult elements placed in the same section of the exercise
- D. ¾ Giant forward with or without grip change 0.10 P.
- It is not considered an element
 - It will break a connection
 - If swing backward is under horizontal, a 0.10 deduction would also be applied.
- E. Uncharacteristic elements each 0.10 P.

Examples:

1. Squat on LB with ½ turn on feet to grasp HB
2. Swing forward on HB, place feet on LB to stand with or without ½ turn
3. Climbing or crawling onto the LB/HB within the exercise

III. CONTENT OF THE EXERCISE

The exercise should come from different element groups:

- Acrobatic elements with or without flight phase in the forward, sideward, or backward movement (round-off counts as a sideward movement).
- Dance elements: turns, leaps or jumps and hops, balance elements and body waves.
- Harmonious changes between element groups, especially between dance and acrobatic elements.
- Use of the entire beam with dynamic changes in rhythm and levels.

IV. SPECIAL REQUIREMENTS

A. There are four (4) Special Requirements at 0.50 each:

1. Acrobatic Series of two acro elements, ONE with flight - *performed on the beam*

Examples: Backwalkover + Flic-Flac;
Frontwalkover + Front handspring;
Cartwheel (leg swing through) + Round-off

2. A leap or jump requiring a 180° cross or side split.

- The forward leg in the cross position must be extended (straight), a stag leap will NOT fulfill the Special Requirement.

3. Minimum of 1/1 (360°) turn on one foot.

A 360° illusion turn may fulfill the turn Special Requirement..

4. Minimum of "B" salto or aerial dismount

V. SERIES RECOGNITION

A. In an Acrobatic, Dance, or Dance/Acro series, the connection between the elements must be continuous. The landing leg or the free leg must be the take-off leg for the next element. If both feet land at the same time, the next element must take off from two feet.

1. Backward Acro Flight Series : the series is considered **broken** if there is a delay in the immediate take-off of the second element.

- A slow moving connection with no "rebound" effect shown.

2. Forward/Sideward and Counter (fwd/bwd) Acro Flight and Non-Flight Series : If the series shows a continuous but slow or poor rhythm, apply the specific deduction of *Lack of Tempo/Rhythm between acro elements* (up to 0.10)

VIII. COMPOSITION DEDUCTIONS

- A. Missing acrobatic element forward/sideward and backward each 0.10 P.
• If the dismount is the only forward/sideward or backward acro element 0.05 P.
Gymnast may perform either a sideward or forward element; She must perform a backward element. The acro elements must be from Groups 1,6,7 or 8 - i.e. mounts, rolls, cartwheels, walkovers, saltos. A Round-off is considered a sideward element A tic-toc can considered either a forward or a backward element, to the advantage of the gymnast.
- B. Lack of a dance series with a minimum of two dance elements from groups 1, 2, or 3 0.20 P.
- C. Dance elements not up to competitive level up to 0.20 P.
- D. Acro elements not up to the competitive level up to 0.20 P.

2. More than two straddle jumps, with or without turns 0.10 P.
- F. Insufficient distribution of the value parts up to 0.10 P.
Consider:
Is the difficulty level maintained throughout the routine; are the most difficult elements placed in the same section of the exercise?
- G. Insufficient level changes throughout the routine up to 0.10 P.
Consider:
Elements, connections and movements high off the beam as well as lying, kneeling, sitting.
- H. Insufficient use of the entire length of the Beam up to 0.10 P.
- I. Failure to show movement of non-value parts / choreography in different directions (fwd./swd./bwd.) up to 0.10 P.
- J. More than 1 leap/jump to front support each 0.10 P.

NYSPHSAA Amateur Rule Revision

- Action Item
- Discussion Item
- Informational Item

Presenter:

Dr. Robert Zayas, NYSPHSAA Executive Director

Proposal:

Consider approval to revise the NYSPHSAA Amateur Rule to the following:

2. AMATEUR:

a. A student who represents a school in an interscholastic sport shall be an amateur in that sport. An amateur is one who engages in athletic competition solely for the pleasure of the activity and for the physical, mental, and social benefits derived from participation. When competing in ~~non-NYSPHSAA sponsored events~~, an athlete forfeits amateur status in a sport by:

1. Accepting money or other compensation, including gift cards and gift certificates is prohibited (allowable entry fees, travel, meals, and lodging expenses is permitted.) (Feb. 2019)
2. Receiving an award or prize of monetary value which has not been approved by this Association. NOTE: Only awards or prizes having a monetary value of five hundred dollars (\$500) or less per competition will be approved by the Association. When honoring student-athletes for success in NYSPHSAA sponsored championship events, Boards of Education are encouraged to approve limited awards that are appropriate to high school level competition. (May 2019)
3. Capitalizing on athletic fame by receiving money, **compensation, endorsements** or gifts of monetary value **in affiliation with the student's school team, school or NYSPHSAA** (scholarships to institutions of higher learning are specifically exempted). **This provision is not intended to restrict the right of any student to participate in a commercial endorsement provided there is no school team, school. Section or NYSPHSAA affiliation.**
4. Signing a professional playing contract in that sport.

Effective Start Date:

##/##/20##

Rationale:

To Be Added.

Attention: Gregory Ransom; Executive Director

June 8, 2021

Dear Mr. Ransom:

This letter is to inform you of my desire to be considered for the position of Section IX Golf Coordinator beginning in the 2022 spring season. I have had the privilege and pleasure of coaching in the Highland Falls/Fort Montgomery Central School District for a variety of sports team during the previous twenty plus years, including Junior Varsity and Varsity Volleyball, Modified Softball, Varsity Skiing and Varsity Girls and Boys Golf. I was approached by Thomas Howe this past season, to gauge my interest in succeeding him as the Section coordinator for the Boys Varsity Golf Program. I have helped Tom during the past 11 years in organizing and running the OCIAA Golf Championships and the Sectional Tournaments during that time. We have set up tee times, coaches assignments, scoring and media coverage to ensure a successful and enjoyable experience for athletes, coaches and parents.

Additionally, I am the tournament director for the Jerry Guglielmo Memorial Tournament held each July at Centennial Golf Club in Carmel, NY. This tournament has annually drawn 200+ participants, numerous sponsors and donations that have helped us raise over \$250,000 for the Carmel Rams Youth Sports and several charities in Putnam County including The Wounded Warrior Project, United for Troops, the Putnam County Chapter of the Vet2Vet Program, and various individuals who have debilitating injuries and illnesses. The monumental amount of time needed for organization, delegation, securing donations and sponsors has made this event incredibly successful and a wonderful experience.

I welcome the opportunity to follow Dick O'Neill and Tom Howe as the Sectional Golf Coordinator. These two men have helped me tremendously and I have learned so much from them, it would be an honor and a privilege to follow in their footsteps and continue their legacy to promote the great game of golf and Section IX

Thank you for your time and consideration. Any questions or concerns about the position or my qualifications, please contact me at (845) 446-4914 or e-mail me at jorma.tompuri@hffmcsd.org.

Sincerely,

Jorma Tompuri

2021 COVID Game Proposal

1. All Section 9 football schools must honor and complete their entire schedule including week 9 this includes non-league and league games. (Please refer to Section 9 Football Bylaws #2 a-k.)
2. The COVID Game Proposal and Chart will be the first criteria utilized for determining seeding for all classifications. (Class AA, A, B, C & 8 Man)
3. The COVID Chart is now the 1st criteria in the Section 9 Tiebreaker procedure. As per the COVID Game Chart, teams will receive 2 pts for a league win, 0 pts for a league loss and 1 pts for a COVID league game or Special Circumstance game.
4. The winner of each Division/Classification will be the team with the most points according to the COVID Game Chart.
5. If a current scheduled game is declared a COVID game by The AD, Principal or Superintendent the game will remain a COVID game unless the game is played on the current weekend, Friday, Saturday or Sunday of the current week. If the game moves into the following week it will constitute a COVID game.
6. The COVID game chart will be initiated for league games only.
7. It will be permissible for teams to make up a COVID game later in the season only if both schools agree and can satisfy the 4 nights rest rule and the 7 day rule, however, this COVID game will remain a COVID game and will not count towards seeding.
