Championship Philosophy - Criteria for Sixth Classification

- Action Item
- Discussion Item
- Informational Item

Presenter:

Dr. Robert Zayas, NYSPHSAA Executive Director

Proposal:

Consider approval of establishing criteria for the creation of a sixth classification for sports with 501 or more teams competing in the NYSPHSAA State Championships.

Effective Start Date:

09/01/2023

Rationale:

Currently several NYSPHSAA sports have more than 600 teams competing in the NYSPHSAA State Championships. In an effort to provide more equity amongst all NYSPHSAA Championship sports and greater opportunity for students to experience a NYSPHSAA Championship, criteria for a sixth classification is being proposed by the Classification Ad Hoc Committee.

With the proposed format by the Classification Ad Hoc Committee to establish classification cut off numbers of 75 (top) and 100 (bottom) a larger discrepancy exists for the number of teams competing for a NYSPHSAA Championship in the remaining classes when comparing five classes to six classes.

Example Boys Basketball

<i>Five Classifications</i>		<i>Six Classifications</i>	
AAA	75	AAA	75
AA	75	AA	140
A	187	A	140
B	187	B	140
C	187	C	140
D	100	D	100

Example Girls Soccer

<i>Five Classifications</i>		<i>Six Classifications</i>	
AAA	75	AAA	75
AA	75	AA	121
A	161	A	121
B	161	B	121
C	161	C	121
D	100	D	100

Proposal Originated:

Classification Ad Hoc Committee – Spring 2021

New York State Public High School Athletic Association

Executive Committee Meeting – October 20, 2021

Classification Cut Off Format

- Action Item
- Discussion Item
- Informational Item

Presenter:

Russell Bartlett, NYSPHSAA President Elect & Chair of the Classification Ad Hoc Committee

Proposal:

Consider approval to establish a timeline, process and criteria for the classification cut off numbers for non-variation five, four, three classification sports and two division sports pending the approval of the Championship Philosophy Committee proposal.

SEE PAGE 2-3 OF PROPOSAL

Effective Start Date:

09/01/2023

Rationale:

To revise the current non-variation classification process for greater accuracy, consistency and equity.

Proposal Originated:

Classification Ad Hoc Committee – Spring 2021

Budgetary Impact:

None.

Notes:

Classification Ad Hoc Committee was formed in the Fall of 2020 because of concerns expressed by the NYSPHSAA membership to review the current process of establishing classification cut off numbers. The Ad Hoc Committee met on three occasions to thoroughly review the current process and discuss several alternatives to establish classification cut off numbers.
