## Modify State Sport Coordinator Selection Process

- Action Item
- Discussion Item
- Informational Item

**Presenter:**

Joe Altieri, NYSPHSAA Assistant Director

**Proposal:**

Consider approval to modify the selection process for State Sport Coordinators. The process would entail the creation of a Sport Coordinator Appointment Committee, consisting of the NYSPHSAA Executive Director, two staff members, an officer, and a committee representative selected by the state committee. The appointment committee would then recommend an individual to the Central Committee for a five-year term. The following timeline will be followed:

- May 1<sup>st</sup> Current Coordinator Announces Intent to Seek Re-Appointment
- June 1<sup>st</sup> All letters of interest and resumes due
- June 15<sup>th</sup> Review of letters & resumes by Sport Coordinator Appointment Committee; Interviews conducted if necessary
- July 1<sup>st</sup> Recommended candidate submitted for Central Committee packet
- Late July Central Committee approves Sport Coordinator for five-year term

**Effective:**

July 2021

**Rationale:**

It is necessary to approve coordinators for each sport when a five-year term expires. The current process is the state committee nominates any individual they choose, which may include the current coordinator. Members of the committee may nominate any individual (on or off the state committee). There are no qualifications required nor is a resume required to be submitted. Committee votes are tallied then the selection is forwarded to the Central Committee without any outside input. Frequently, numerous state committee members do not submit votes during the process. Effective leadership, communication and style are a necessity when working with the NYSPHSAA staff, state committee, coaches, and athletes around the state.

**Proposal Originated:**

NYSPHSAA Office/Central Committee in July 2020

**Budgetary Impact:**

None

**Notes:**

The process of Sport Coordinator appointments was brought up by Section I during Section Concerns at the July Central Committee meeting.

**DATE REVISED:** January 13, 2021

## Private Schools within Public School District Boundaries

- Action Item
- Discussion Item
- Informational Item

### **Presenter:**

Section V Executive Committee Representatives

### **Proposal:**

Consideration of approval to eliminate “or a private school within that district’s boundaries” from the NYSPHSAA Transfer Rule. See below.

31.b. A student who transfers without a corresponding change in residence of his/her parents (or other persons with whom the student has resided for at least six months prior) is ineligible to participate at the varsity level in any interscholastic athletic contest in a particular sport for a period of one (1) year if as a 9-12 student participated in that sport during the one (1) year period immediately preceding his/her transfer. A student’s period of ineligibility begins with the date of registration at the student’s new school. (May 2020) NOTE: Students in grades 7-10, shall be eligible to participate at the sub-varsity level and practice at all levels, while students in grades 11-12 shall be limited to practice (all levels) only. (July 2019). At no time during the one-year period of ineligibility at the varsity level should a student participate in a scrimmage or be an exhibition participant at the varsity level.

Students who transfer from any school to the public-school district of the residence of his/her parents (or other persons whom the student has resided for at least six months) ~~or a private school within that district’s boundaries~~ shall receive a waiver from the Transfer Rule. Such a transfer without penalty will only be permitted once in a high school career. Schools must submit the required transfer form to the Section office. Athletes are not permitted to practice before the form has been submitted. Athletes are not permitted to compete without approval. NOTE: A student in a foreign exchange program listed by CSIET has a one-year waiver of the Transfer Rule. If such a student elects to stay a second year he/she becomes a foreign student at the start of the school year with item (b) in effect.

### **Effective Start Date:**

2021-2022 School Year

### **Rationale:**

The verbiage creates an unfair advantage for the private school of transfer and public schools without a private school within their boundaries. All other transfers from a public school district to a private school are subject to the transfer rule in any sport a student participated in for one (1) year. As a result of the current language, students can transfer to a private school within their district’s boundaries for athletic purposes for no penalty. This only impacts districts with private school within their boundary and it should be consistent across the state regardless of the location of the private school.

- Action Item
- Discussion Item
- Informational Item

**Presenter:**

Handbook Committee

**Proposal:**

Consideration of approval to change #2, under “Combining of Teams” to “Section approval must be reported annually to the NYSPHSAA Inc. Staff.”

**COMBINING OF TEAMS:**

The joining together of students from two or more-member schools in the same district or proximity to form a single team shall be permitted subject to the following conditions:

1. Permission must be obtained from their league and section on an annual basis.
  
2. Section approval must be reported to the NYSPHSAA, Inc., Executive Committee. NOTE: If a combined school team goes beyond sectional level competition their boys and girls grade 9-11 enrollment shall be combined, using the below criteria, for state level competition.

**Effective Start Date:**

- Discussion Item
- Informational Item

**Presenter:**

Handbook Committee

**Proposal:**

Consideration of approval to change letter a, under “Senior All-Star Contest” to “These contests must be approved first by the Section in which the contest is to be held and **reported annually to the NYSPHSAA Inc. Staff.**”

**27. SENIOR ALL-STAR CONTEST:**

A senior all-star contest shall be any athletic contest for which admission is charged or donations accepted in which one or more of the competing teams is composed of one or more players who during the school year was a member of the high school team in the same sport, and whose participation in the senior all-star contest is based on outstanding performance as a member of the high school team.

- a. The only senior all-star contests approved by the NYSPHSAA, Inc., are those approved by a section. These contests must be approved first by the Section in which the contest is to be held and reported to the Executive Committee.

**Effective Start Date:**

July 2021

**Rationale:**

The Senior All-Star Contests are currently reported to the Executive/Central Committees at each meeting. An annual report would allow for the information to be reported in a consistent, organized manner to allow for data manipulation and analysis.

## HEAT INDEX PROCEDURES

### Administration of Heat Index Procedures:

- Feels Like Temperature (Heat index) or THI using a Wet Bulb indicator on the field will be checked 1 hour before the contest/practice by a certified athletic trainer, athletic director, or school designee when the air temperature is 80 degrees (Fahrenheit) or higher.
- Download WeatherBug app to your phone or log into [www.weatherbug.com](http://www.weatherbug.com). Schools may also use a Wet Bulb indicator on the field that will be used.
- Enter zip code or city and state in the location section of the app or on-line or determine the THI by using a Wet Bulb indicator.
- If the Feels Like temperature (heat index) or the Wet Bulb Indicator is 90 degrees or above, the athletic trainer, athletic director, or school designee must re-check the Feels Like temperature (heat index) or Wet Bulb indicator at halftime or midway point of the contest. If the Feels Like temperature (heat index) or Wet Bulb indicator is 96 degrees (Fahrenheit) or more, the contest will be suspended.

**NYSPHSAA**  
**THUNDER & LIGHTNING POLICY**

*(Effective 10/25/04)*  
*(Revised October 20, 2008)*

Applies to regular season through NYSPHSAA Finals:

1) Thunder and lightning necessitates that contests be suspended. The occurrence of thunder and/or lightning is not subject to interpretation or discussion - thunder is thunder, lightning is lightning.

a) With your site administrator, set up a plan for shelter prior to the start of any contest.

2) When thunder is heard and/or when lightning is seen, the following procedures should be adhered to:

a) Suspend play and direct participants to go to shelter, a building normally occupied by the public or if a building is unavailable, participants should go inside a vehicle with a solid metal top (e.g. bus, van, car).

b) Do not permit people to stand under or near a tree; and have all stay away from poles, antennas, towers and underground watering systems.

c) After thunder and/or lightning have left the area, wait 30 minutes after the last boom is heard or strike is seen before resuming play or competition.
