Interscholastic Athletic Coordinator

Student Athletes,

Congratulations on your college decisions! Your hard work and dedication have paid off. You have worked so hard and sacrificed so much to be in the position you are in today. You should be very proud of yourselves. By now, you know that you will never regret trying your hardest. Always remember on the other side that you will always regret not trying hard enough. Keep pushing to be your best.

In closing, as you enter an entirely new world of competition in collegiate athletics, remember this philosophy from Derek Jeter: "There may be people who have more talent than you, but there's no excuse for anyone to work harder than you."

We are all very proud of you. Good luck you to all of you on your future in athletics and more importantly, in life.

Best wishes,

Christopher Mayo
Interscholastic Athletic Coordinator
