DAY # 1 at WALLKILL DAY # 2 at MINISINK VALLEY

DAY # 1 at PORT JERVIS

SEEDING AND DEVELOPMENT OF BRACKETS:

Teams are placed on the bracket using the following guidelines:

- The NUMBER OF SEEDING PTS (based on the formula which tallies returning sectional points and returning wrestlers) will determine the seeds.
- Should any teams have the same total points, # of points earned in the prior year sectional tournament will be used as the tie breaker.
- The top 2 seeded D1 teams will all earn any BYEs needed to fill the bracket.
- The team with the most points will be entered on the bracket sheet as the #1 seed and remaining seeds will also be based on the most points earned from the seeding formula.
- There are no wrestlebacks or consolation matches in this tournament, the winner must beat all.

Should more than the allotted number apply, they will be wait-listed. A first draft of the bracket will be sent during the summer. The finalized bracket shall be presented at the November Section 9 Athletic Council meeting for final approval before it is made official. The official bracket could change the week following the end of weight certifications in November if transfers not originally accounted for become known, math errors in applying the point formula are discovered, or if teams become aware they cannot fill the required number of weight classes. Once possible changes are made after weight certs are completed the D1 bracket will then be locked in. Once locked in, if a D1 team scratches, the D1 bracket will not be re-done, the team scheduled to wrestle the scratched team will advance by forfeit. In D1: The wait-listed team will move into the bracket as the 15th seed- on the Bye line and wrestle the #2 seed. If a D2 seeded team scratches, a wait-listed team can be added. The D2 bracket will be redrawn. No changes will be made to the D2 bracket after the Tuesday prior (1/3/23). Scratches after that point will become Forfeits.

Teams may meet teams from their league in any round. Brackets will not be adjusted because teams are also scheduled to meet during the season. As the S9 Duals bracket draft will be available in September: this gives schools plenty of time to adjust schedules. With consent of both Athletic Directors, teams may count their match in the Section 9 Duals as their league match. This gives more flexibility in scheduling opponents you are not originally scheduled to wrestle.
